

What is an
EDUCATION SPLOST (ESPLOST)?

ESPLOST stands for Education Special Purpose Local Option Sales Tax.

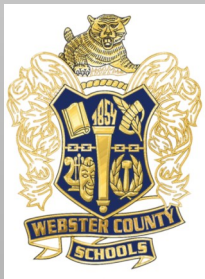

It provides a method of funding the cost of educational improvements that everyone pays, not just property owners.

It is **NOT** a property tax and it is **NOT** a new tax, it is a renewal of the previous one-cent tax on all sales in Webster County, Georgia.

Webster County's current ESPLOST has funded the initial construction of the school facility. The school facility will be completely paid off in August 2022!

The renewal of the one-cent sales tax will fund the following: upgrade the athletic fields, add science laboratories, resurfacing the parking lot, school buses, roof replacement, etc.

LAST DAY TO REGISTER TO VOTE IS APRIL 25, 2022.
