Summer Book Report

June

Dear Parents of Students Entering Kindergarten:

Assalamu Alaikum. Although our school year has come to an end, we are already looking forward to September and a new school year filled with new adventures and exciting learning experiences. In order to achieve this goal, we must work together to ensure an excellent Islamic learning environment in Kindergarten. At this time, I would like to take this opportunity to introduce myself. I am Sister Dina Halilovic-Musovic, the intended Kindergarten teacher for the upcoming school year, insha'Allah.

Attached, please find a list of school supplies needed to help your child begin the new school year on a positive note. Supplies are due in the first week of school.

Insha Allah, you will all enjoy a healthy and happy summer.

Jazakum Allah Khair,

Sister Dina Halilovic  
Kindergarten Teacher

Dear Parents of Students Entering Kindergarten:

Students entering kindergarten at Miraj Islamic School are required to complete two assignments over the summer holiday. These book reports will count as 50% of the E.L.A. and Math grades in the first marking period. Three points will be deducted in the subjects mentioned for each day late to class.

1. The first mandatory assignment will be for students (parental help is definitely needed) to read the story, "Chicka, Chicka, Boom, Boom" By Bill Martin Junior & John Archambault. Students are to complete the attached book report during the summer vacation. Upon returning to school in September, Insha Allah, students will complete an exam on their knowledge of the book and alphabet.
2. The second mandatory assignment will be for students (parental help is definitely needed) to read the story "The Very Hungry Caterpillar" by Eric Carle. Upon returning to school in September, Insha Allah, students will have to answer questions in class through coloring the four stages of the butterfly life cycle.

Attached you will find the Rubrics for both Book Reports

Parents, we realize your child is entering kindergarten, therefore, the required assignments need your assistance.

Have a Wonderful Summer Vacation, Insha Allah!
