2003 Leonine Dedication...

You probably all know that Mr. DeLong is a well-read historian, a dedicated teacher and club sponsor, a Central graduate, a former Central bookkeeper before he began teaching, and an all-around nice guy. What you may not know is that he is an accomplished sacred harp singer who has conducted musical workshops all around the world. His singing is featured in the November-released movie *Cold Mountain*, and he was even invited to the premiere of the movie. We've always felt his influence here at Central High School, but now he has made his mark on the world! The Senior Class of 2004 is honored to dedicate this yearbook to our very own star...Mr. Richard DeLong.

Richard DeLong

Central Students

Christopher Payne, a freshman, went down under to Australia with People to People Student Ambassadors!

Juniors Kristan and Paige Johnson went to the western part of the country in California!

Victoria Parrish, a 10th grader, spent time traveling through the eastern part of the country from the southern states up the east coast all the way to New Jersey.

In July, senior Lindsey Baughn and sophomore Mandy Harris went up north to Canada, New York, and Michigan. One of the greatest features they encountered was Niagra Falls!

Around

iving Their Mark

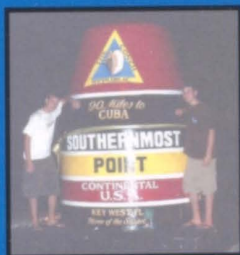

Senior, Carla Maner worked in New York for three weeks this summer with her sister Micah.

Senior Tyler Duffey took a RV trip out west with his family, and broke down in Missouri!

Twins Anthony and Christopher Nasser frolicked in the hot sun of Key West!

Jaime Castleberry, a freshman, went to Italy and toured through Venice, Rome, Pompeii, and Florence.

SENIORS

*We're
leaving our
mark...*

Mr. and Miss CHS

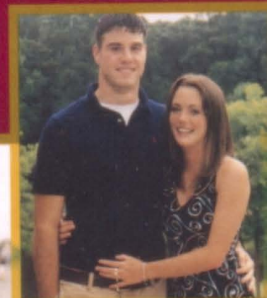

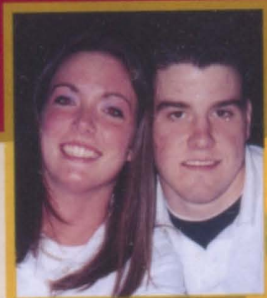

Miss Kate Byers

Can a girl have brains, be beautiful, be athletic, have a sweet personality, and be down-to-earth? Sure she can! That's why the class of 2004 chose Kate as our ideal of what makes the students at CHS the best around.

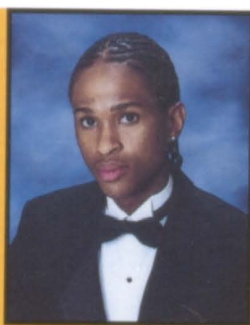

Mr. Randy Nicholson

Take a great personality, a talented baseball player, a killer smile, and an above average student and you have the formula for the seniors' choice of the one guy who represents the BEST at CHS.

LEAVING OUR MARK

MATT RUSSELL MILES

You have made us so proud!
May all your dreams come true.
WE LOVE YOU!
Mom, Dad, Randi, Brett

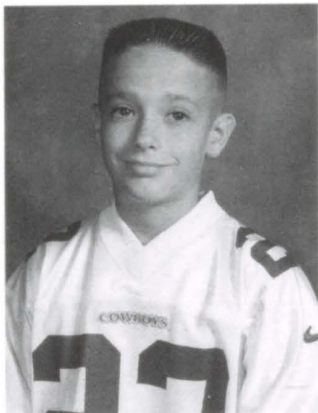

Thanks for sharing your lives with me!

Best wishes Class of 2004!
From HEAVEN,
Emmett L. Garmany III

December 23, 1985 — July 8, 1998

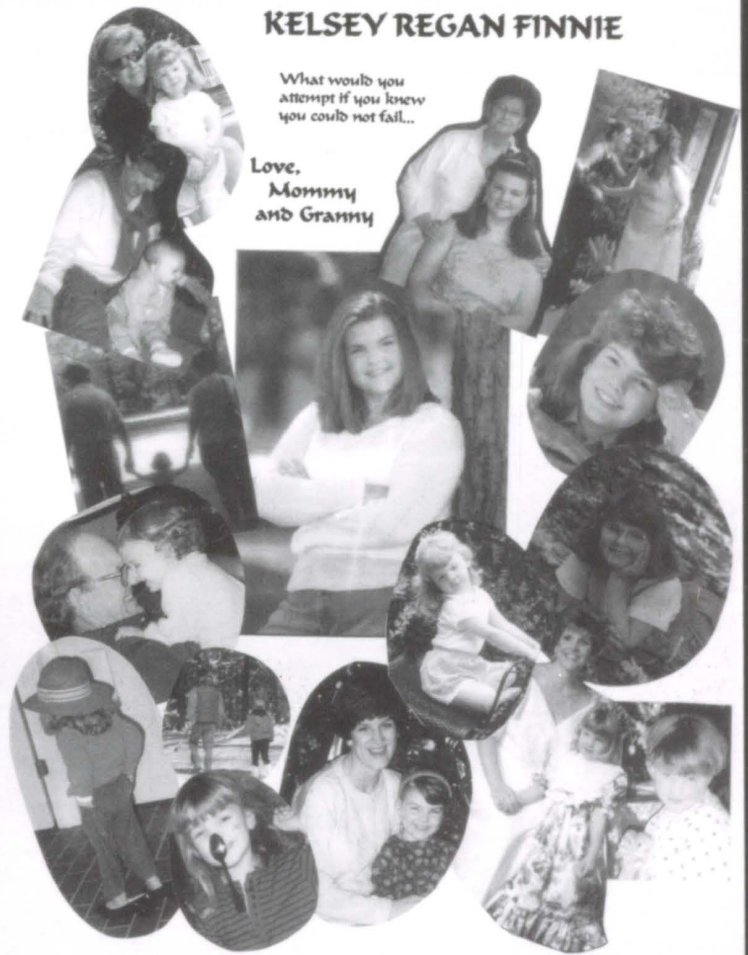

Life is a miracle, don't let it slip away.
Open your heart to others;
give of yourself each day.
See the beauty in everyone
regardless of where they've been.
Some have a difficult journey and
really need a friend.
Share your gifts and talents,
listen with your heart.
Do the things you dream about,
But don't have time to start.
Pick a bouquet of flowers;
show someone you care,
be gracious and forgiving;
life is never fair.
Hold on to your courage,
you may need it down the road,
we all have a cross to bear;
it could be a heavy load.
If you practice all these things,
no matter where you roam,
you may find both sun and rain,
but you'll never feel alone!

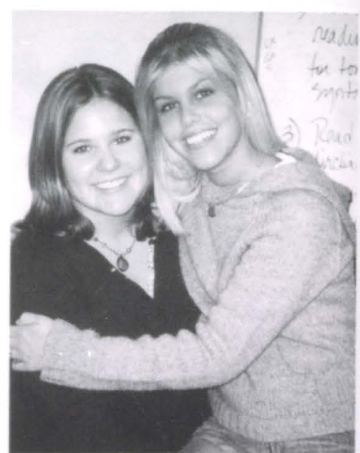

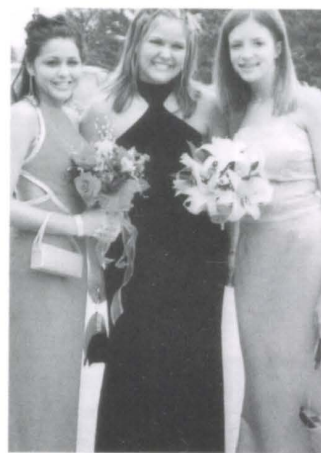

KELSEY REGAN FINNIE

What would you
attempt if you knew
you could not fail...

Love,
Mommy
and Granny

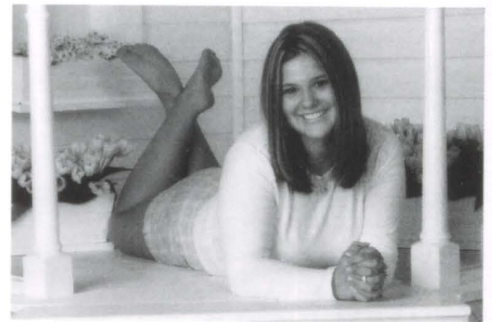

Kristin Comer

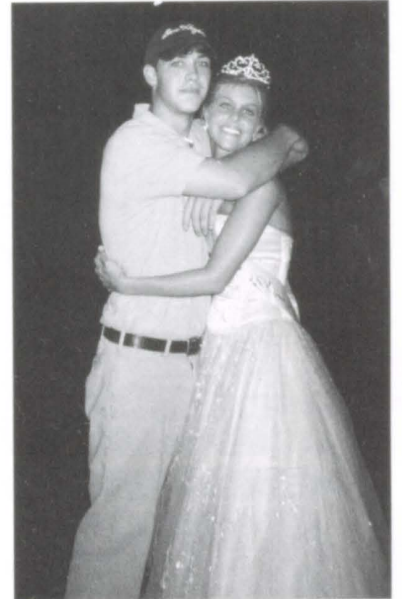

It's been a total joy raising a wonderful daughter as you. We couldn't be prouder! Congratulations and thanks for the memories. Keep smiling!

We love you,

My Boy

I remember the shiny-shaggy hair and round brown eyes, the small pink tongue struggling impatiently against tiny white teeth, to form a word, to convey an exciting newborn thought, the broad little boy hand covered with dirt reaching to touch my cheek; and suddenly, I realize the astounding responsibilities that has been ours.

O God,

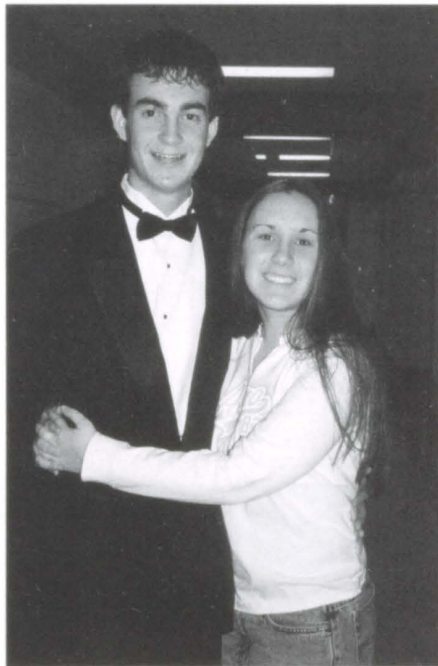

Hold my son's hand while he crosses the danger-filled street to manhood.

God created our family of two, then three, and He threw in a surprise for good measure...YOU! Your arrival made us parents a second time in six months and you changed our lives. By age two you were our manager. Many times we heard you tell Micah, "God put me in this family to keep you alive". You grew from class sweetheart to class officer, and you did it with style. Having a servant's spirit has given you the opportunity to spread your wings in many areas of life. Our love and prayers are always with you. Remember who you are!

The gentl beat of a baby girl's heart,
You warmed us up right from the start.

You were a blessing to us right then and there,
You've given us happiness we can't compare.

Through tap, ballet and gymnastics we learned
You were tougher than that- a tomboy you yearned.

Riding ponies since two and soccer since five,
It's been fun watching you strive!

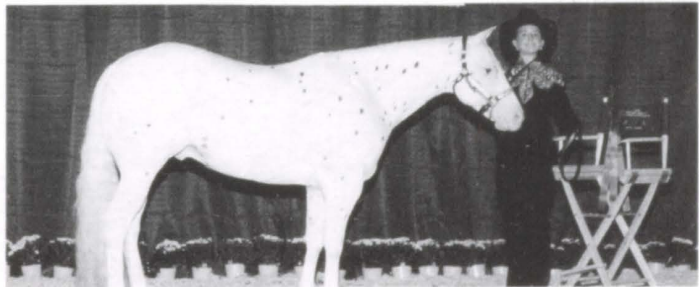

Gentle hands and good legs make your ponies
the best,
Your speed and your fight puts any goalie to test.

God's gift to us was a strong baby girl,
To care for and nurture and turn to a pearl.

You've been easy to raise
And we've given you praise.

You set your goals right from the start,
We know you'll achieve them it's all in your heart.

From the day you were born, you've brought nothing but happiness. You have an appreciation and understanding of life that some people never have. At an early age you started to appreciate some of God's greatest gifts. Your awe for a rainbow in a summer sky. The joy of sunlight shining through falling leaves as you pull into the driveway at "home." Your sense of pride and security, "I'm glad I come from a small community where everyone knows me and my family." As long as you can continue to find happiness in these things then the "things" in life are just added "extras." We are so proud of you! Know that as you choose your path in life, you will always have your family to love and support you.
