New Year Goal Setting

As we approach the end of the 2022 calendar year, many of us will start to think of some New Year's resolutions. Now is a great time to check in with your student on their goals too! The naesp report to parents says, "The middle of the school year is a great time for families to check in with students on goals. Setting academic and personal goals helps motivate, energize, and focus students, and it is a valuable skill that will benefit learners throughout their lives. Parents can help students set and achieve these goals." Take some time to sit down with your family and discuss goals you've achieved this year and goals you might have for next year. Once you're done, check out our family activity--

The class with the most entries will get a prize!

Setting Goals

Setting goals motivate students and is as an invaluable skill needed for school and beyond. Families can support students in the process by following these steps.

- Pick It**
Encourage your child to consider their dreams and passions and pick goals that are important and meaningful.
- Map It**
Help map the path from where they are now to where they want to be.
- Do It**
Encourage them to take action, focus on the first step, and give it their best effort.
- Own It**
Help them take responsibility for making it happen, keep a positive attitude, and own mistakes as well as successes.
- Celebrate It**
Acknowledgment and celebration build confidence and motivation.
- Make It a Family Affair**
Pick a family goal and work to achieve it together. After the family experience, have each family member pick a personal goal.

Tips from the Top

Happy Fall Wildcat Families!

Fall is here and we couldn't be happier! As we move towards this sweater weather and all things pumpkin spice, we want you know that our kids are doing a great job living the PAWS life at school!

This month we want to show extra appreciation for our lunchroom and custodial staff. Without these amazing staff members, we would not be able to function and serve our students to the best of our ability each day. Our lunchroom staff prepares two great meals for students each day and even just wrapped up a fun event for Fair Food in the cafeteria prior to fall break. Our custodians work diligently every day to ensure that our building is clean and looking great! I sometimes have a hard timing cooking and cleaning for my small family, can you imagine doing it for over 600 people? We are thankful for their hard work and dedication and the love that they show our students each day!

Parents, we appreciate all of you and all you do. If we can support you, please don't hesitate to reach out. It's GREAT to be a Bonaire Wildcat!
