

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RCW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596, 360-785-3460 kmacdonald@evalinesd.k12.wa.us

Teacher Appreciation Week

We had a great time celebrating our wonderful teachers this week!! THANK YOU again to all of our awesome Evaline teachers!!

Mr. Burlingame, Mrs. Mars, Mrs. Mittge, Mrs. Tinnin and Mrs. Duren.

OFFICE - New Location

Starting May 16th our office will be located in the portable.

The 5-6 Classroom has moved to the portable and students are finding it very comfortable. The office will be fully moved and open in the portable beginning 5/16/22. There will be visitor parking spots marked in front of the portable for student drop off and pickup. Everything that was done at the schoolhouse office entrance will now be done at the new portable office location.

Examples:

- *Drop off of students if they are tardy or returning from an appointment
- *Pick up of students during the school day when they are going to an appointment or going home ill.
- *All Visitors must check in at the office
- *General inquiries
- *Deliveries

Kindergarten Screening - May 11th

Evaline is having a birth to 5 year old screening on **May 11th**. Please call and set up a time to have your preschool student screened. There is so much value in this service. We hope your 0 to 5 year old can join us. Please call the office at 360-785-3460 to make your appointment.

Spring Youth Fair Prizes

Each Evaline student that entered an art project in this year's Spring Youth Fair received an envelope with \$1 for earning a blue ribbon for their art.

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596, **360-785-3460** kmacdonald@evalinesd.k12.wa.us

Kindergarten

Mrs. Tinnin

This week we are working on our last unit in math. Students are practicing how to sort different shapes into categories using different rules. This unit is very short. After we are done, we will review subtraction, play math games, work on math centers, and continue with math talks until the end of the year.

We are learning how to write uppercase letters during ELA. We are also learning to read more tricky words- why, when, where, word, one, and to. Students are practicing how to write sentences and drawing an illustration to show their understanding.

We sent home our pumpkin plants. Students had fun observing the growth and watching new leaves form. We have something else coming in next week for them to observe. I've been waiting for the warmer weather so they will survive.

Thank you for all of the donations for the auction!!

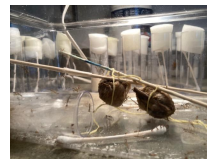

First and Second Grade Explorers

Mrs. Mittge

Thank you for all of the wonderful garden basket donations. Our Booster Club contribution looks amazing!

We have been reviewing math skills and caring for critters for much of this week.

We have loved caring for our little chicks. A total of ten of the eleven eggs hatched! We have been awed by their growth and the distinct personalities they have. **IF YOU ARE INTERESTED IN ADOPTING CHICK(S), WE HAVE 5 AVAILABLE.**

We also added praying mantis to our menagerie this week. Students did an excellent job transferring pairs of the insects to individual vials so

they would not eat each other! Ask your child how we feed them!

We all continue to grow each day. I am so thankful for the opportunity to work with these young scientists. I hope you mothers can enjoy your families this weekend. You are doing an amazing job!

Third and Fourth Grade Classroom

Mrs. Mars

This week 3rd graders have begun work on their last chapter in math focussing on two-dimensional shapes. They will finish next week and begin to review the skills we have previously learned. 4th graders have been working on a combination of centers: reading math focussed books, playing math games, doing IXL, and doing math story problem cards to review previously learned skills. Then as a group we are working on understanding story problems particularly those that involve multiple steps.

This week we put our finishing touches on Mother's Day gifts. Please make sure you ask your students for these so they don't get lost in their backpacks! Have a great Mother's Day!

Fifth and Sixth Grade Classroom

Mr. Burlingame

Monday we moved into our new room in the portable! A huge thank you to so many people who worked tirelessly to make our new space a reality. There was so much that had to be coordinated, checked, double checked, planned, the list goes on! Through their hard work our 5th and 6th grade students now have a fantastic space to learn in while expanding the capabilities of our little school. Thank you!

Special Education-Title1/LAP- Social Emotional Learning (SEL): Mrs. Duren

Congratulations to all of our students for their fine effort in the Art Dept. of the Spring Youth Fair this year! Everyone earned a Blue Ribbon and a \$1.00 premium, and each class as a whole received special award ribbons as well. What a great example of our character trait for the month of May - COOPERATION! A special thank you to Mrs. Zoey for preparing, delivering, and returning the art entries for our school this year.
