Employee's Withholding Certificate

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay.

Give Form W-4 to your employer.

Your withholding is subject to review by the IRS.

2025

Step 1: Enter Personal Information	(a) First name and middle initial	Last name	(b) Social security number
	Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .
	City or town, state, and ZIP code		
	(c) <input type="checkbox"/> Single or Married filing separately <input type="checkbox"/> Married filing jointly or Qualifying surviving spouse <input type="checkbox"/> Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		

TIP: Consider using the estimator at www.irs.gov/W4App to determine the most accurate withholding for the rest of the year if: you are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at www.irs.gov/W4App.

Step 2: Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Multiple Jobs or Spouse Works Do **only one** of the following.

(a) Use the estimator at www.irs.gov/W4App for the most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):		
	Multiply the number of qualifying children under age 17 by \$2,000 \$ _____		
	Multiply the number of other dependents by \$500 \$ _____		
	Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here	3	\$ _____
Step 4 (optional): Other Adjustments	(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income	4(a)	\$ _____
	(b) Deductions. If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here	4(b)	\$ _____
	(c) Extra withholding. Enter any additional tax you want withheld each pay period	4(c)	\$ _____

Step 5: Under penalties of perjury, I declare that this certificate, to the best of my knowledge and belief, is true, correct, and complete.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2025 if you meet both of the following conditions: you had no federal income tax liability in 2024 and you expect to have no federal income tax liability in 2025. You had no federal income tax liability in 2024 if (1) your total tax on line 24 on your 2024 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2025 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 17, 2026.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Are submitting this form after the beginning of the year;
2. Expect to work only part of the year;
3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
5. Prefer the most accurate withholding for multiple job situations.

TIP: Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2025 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on only ONE Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3
2 Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.
a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a
b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b
c Add the amounts from lines 2a and 2b and enter the result on line 2c
3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.
4 Divide the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in Step 4(c) of Form W-4 for the highest paying job (along with any other additional amount you want withheld)

Step 4(b) – Deductions Worksheet (Keep for your records.)

- 1 Enter an estimate of your 2025 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income
2 Enter: { \$30,000 if you're married filing jointly or a qualifying surviving spouse; \$22,500 if you're head of household; \$15,000 if you're single or married filing separately }
3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"
4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information
5 Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4

NOTICE TO EMPLOYEES IN CASE OF WORK-RELATED INJURIES

1. If you suffer a work-related injury, your employer or its insurance company must pay for reasonable surgical and medical services and supplies, orthopedic appliances and prosthesis, including training in their use.
2. In order to insure that your medical treatment will be paid for by your employer or the insurance company, you must select from one of the following health care providers.
3. You must continue to visit one of the physicians listed below, if you need treatment, for ninety (90) days from the date of your first visit.
4. If one of the persons below refers you to another licensed specialist, your employer or their insurer will pay the bill for these services.
5. After this ninety- (90) day period, if you still need treatment and your employer has provided a list as set forth below, you may choose to go to another health care provider for treatment. You should notify your employer of this action within five days of your visit to said provider.
6. If a physician on the list prescribes invasive surgery, you may obtain a second opinion from any physician of your choice. If the second opinion is different than the listed physicians opinion, you may determine which course of treatment to follow; however, the second opinion must contain a specific and detailed treatment plan. If you choose the second opinion, the procedures in that opinion must be performed by one of the physicians on the list for the first ninety- (90) days. Therefore, in this situation, the employee may be required to treat with an employer-designated provider for up to 180 days.
7. If you are faced with a medical emergency, you may secure assistance from a hospital, physician, or health care provider of your choice for your work-related injury. However, when the emergency is resolved, you must seek treatment from a provider listed below.

Benefits are required to be paid by your employer if self-insured, or through insurance provided by your employer. Your employer is required to post the name of the company responsible for paying workers' compensation benefits at its primary place of business and at its sites of employment in a prominent and easily accessible place. It is also required to be posted in any areas used for treatment of injured employees or for the administration of first aid.

You should report immediately any injury or work-related illness to your employer. Your benefits could be delayed or denied if you do not notify your employer immediately.

If your claim is denied by your employer, you have the right to request a hearing before a Workers' Compensation Judge.

Understanding your membership class options

You are automatically enrolled as a Class T-G member. Class T-G provides both a Defined Benefit (DB) and a Defined Contribution (DC) component for your retirement benefit. If you wish to remain in Class T-G, **no action is required**. You have a 90-day election period to decide if you would like to remain Class T-G or elect one of two other membership classes: Class T-H or Class DC. This guide compares the features and benefits of each membership class on the next page.

What is the difference between PSERS' Defined Benefit (DB) and Defined Contribution (DC) Plans?

The **Defined Benefit** component of your retirement guarantees you a monthly benefit based on the following calculation.

The **Defined Contribution** component of your retirement is based on the amount of contributions made by you and your employer and the investment performance on those contributions, subject to costs and expenses. Your contributions have the potential to grow based on investment earnings, but are not guaranteed against loss in declining investment markets.

How are the membership classes similar and different?

Class T-G offers the highest monthly DB benefit at retirement. You also have a DC component of your retirement, which is based on what you and your employer contribute to the DC Plan and the performance of those contributions based on the investment options you choose, subject to costs and expenses. Compared to Class T-H, Class T-G has a higher DB member contribution rate* and a higher employer DC contribution rate, but a lower participant DC contribution rate.

Class T-H offers a monthly benefit from the DB component that is lower than Class T-G. You also have a DC component of your retirement, which is based on what you and your employer contribute to the DC Plan and the performance of those contributions based on the investment options you choose, subject to costs and expenses. Compared to Class T-G, Class T-H has a lower DB member contribution rate* and a lower employer DC contribution rate, but a higher participant DC contribution rate.

Class DC offers the value of your DC account based solely on what you and your employer contribute to the DC Plan and the performance of those contributions based on the investment options you choose, subject to costs and expenses. The participant DC contribution rate is the highest and the employer DC contribution rate is the same as Class T-H, which is lower than that of Class T-G. Class DC provides no monthly DB benefit or PSERS disability retirement benefit. Class DC members cannot purchase service and cannot elect Multiple Service membership to combine PSERS credited service with service credited in the State Employees' Retirement System.

* The DB contribution rate is subject to a Shared Risk/Shared Gain contribution Rate. Please visit PSERS online for additional information and the most current contribution rates.

Membership Class Comparison

The following chart compares the unique features and benefits of Class T-G, Class T-H, and Class DC. The chart also details how much of your salary you contribute each pay period, how much your employer contributes on your behalf each pay period, when you qualify for a benefit, and how your total retirement benefit is calculated. Please review the information carefully when considering your Membership Class options.

	Your Default Option Class T-G (Hybrid of DB & DC Plans)	Elective Option Class T-H (Hybrid of DB & DC Plans)	Elective Option Class DC (DC Plan)
Total Member Contribution Rate*	8.25% (DB: 5.50% + DC: 2.75%)	7.50% (DB: 4.50% + DC: 3.00%)	7.50%
Employer Contribution Rate to Member's DC Account	2.25%	2.00%	
Vesting Period (When you qualify for a benefit)	10 years (or age 67 with 3 years of service) - DB Plan 3 eligibility points to receive the DC Employer Contributions/Earnings		No DB Plan 3 eligibility points to receive the DC Employer Contributions/ Earnings
Your Total Retirement is based on...	DB = 1.25% x FAS x Years of Service + Value in DC account	DB = 1.00% x FAS x Years of Service + Value in DC account	No DB Plan. Value in DC account only
Total Retirement Benefit	Guaranteed monthly benefit for life (DB Plan) + Contributions (DC Plan) and the investment performance, subject to costs and expenses		Contributions (DC Plan) and the investment performance, subject to costs and expenses
Purchasing Service, Disability Retirement, Electing Multiple Service	Yes		No, except for USERRA
Normal Retirement Age	For the DB Plan, earlier of: • Age 67 with 3 years of service • Combination of age and service equaling 97 with at least 35 years of service For the DC Plan, distribution after termination of service	For the DB Plan, age 67 with 3 years of service For the DC Plan, distribution after termination of service	N/A (Distribution permitted after termination of service)
Early Retirement Milestone	Age 57 with 25 years of service	Age 55 with 25 years of service	N/A

* The Member Contribution Rate is a percentage of your retirement-covered compensation that is withheld from your pay. This represents the current DB rate inclusive of the Shared Risk/Shared Gain Contribution Rate. The mandatory contributions you make to the PSERS DB and DC Plans lower your federal taxable income and increase your tax-deferred savings for retirement.

PSERS New Member Election Calculator

New members can use the PSERS New Membership Class Election Calculator to estimate what the value of their DB and DC component may be in retirement. This is particularly important for Class T-G members who are within their 90-day class election window to elect Class T-H or Class DC. You also may want to consider consulting with a certified financial planner.

PSERS Membership Class Election calculator provides estimated DB monthly annuity amounts and a potential and estimated DC vested amount. Although PSERS makes every effort to accurately represent the estimated amounts calculated using this calculator, PSERS makes no assurance, representation, or promise regarding the estimated DB benefit, future earnings or losses, or income projections.

Access the Election Calculator on the PSERS website or scan the QR code

The base DB contribution rate is 5.50% for Class T-G and 4.50% for Class T-H. Shared Risk/Shared Gain rate is not applied. Visit PSERS online for the most current contribution rates.

PSERS DC Plan assumptions*: 26 pay periods per year and 6% rate of return.

First Year Member Contributions (based on a \$40,000 starting salary)	\$3,300 or \$126.92 from bi-weekly pay	\$3,000 or \$115.38 from bi-weekly pay	
Total Member Contributions	\$199,525	\$181,386	
Total Employer DC Contributions	\$54,416	\$48,370	

* These hypothetical examples assume a 6% effective annual interest rate and no withdrawals. For illustrative purposes only, to show how the contribution rate and number of years invested in the DC Plan could affect your account value. Not intended as a guarantee of past or future performance of any security. Hypothetical assumptions are not guaranteed. Your actual results may vary. Actual rate of return may be more or less than shown and will depend upon a number of different factors, including your choice of investment options.

Questions to Ask Before Making Your Irrevocable Membership Class Election

- What Membership Class will better help you attain your expected retirement income and meet your financial goals?
- Do you want the ability to make the investment decisions for all or some of your retirement plan contributions?

DC Plan Investment Options

Upon enrollment into the PSERS DC Plan, your and your employer's contributions are automatically invested in a target date investment based on your estimated normal retirement age (67) as determined by your date of birth. Target date investments are professionally managed and periodically adjusted with a specific target retirement date in mind. They are designed to adjust to changing needs *up to and throughout retirement* in a single investment option. Professional investment managers invest your money in a mix of funds across a variety of asset classes to create a diversified investment portfolio, guided by the number of years until retirement. The target date investment is automatically monitored and rebalanced to shift assets to more conservative investments as the retirement year draws near.

MEANINGFUL NOTICE / PLAN SUMMARY INFORMATION

403(b) PLAN

The 403(b) Plan is a valuable retirement savings option. This notice provides a brief explanation of the provisions, policies and rules that govern the 403(b) Plan offered.

Plan administration services for the 403(b) plan are provided by U.S. OMNI & TSACG Compliance Services (OMNI/TSACG). Visit the website at <https://www.tsacg.com> for information about enrollment in the plan, investment product providers available, distributions, enrollment, exchanges or transfers, 403(b) loans, and rollovers.

ELIGIBILITY

Most employees are eligible to participate in the 403(b) plan immediately upon employment; however, private contractors, appointed/elected trustees and/or school board members are not eligible to participate in the 403(b) plan(s). Verify if your employer allows student workers to participate in the 403(b) plan. Eligible employees may make voluntary elective deferrals to the 403(b) plan and are fully vested in their contributions and earnings at all times.

EMPLOYEE CONTRIBUTIONS

Traditional 403(b)

Upon enrollment, participants designate a portion of their salary that they wish to contribute to their traditional 403(b) account up to their maximum annual contribution amount on a pre-tax basis, thus reducing the participant's taxable income. Contributions to the participant's 403(b) account are made from income paid through the employer's payroll system. Taxes on contributions and any earnings are deferred until the participant withdraws their funds.

Roth 403(b)

Contributions made to a Roth 403(b) account are after-tax deductions from your paycheck. Income taxes are not reduced by contributions you make to your account. All qualified distributions from Roth 403(b) accounts are tax-free. Any earnings on your deposits are not taxed as long as they remain in your account for five years from the date that your first Roth contribution was made. Distributions may be taken if you are 59½ (subject to plan document provisions) or at separation from service.

The Internal Revenue Service regulations limit the amount participants may contribute annually to tax-advantaged retirement plans and imposes substantial penalties for violating contribution limits. OMNI/TSACG monitors 403(b) plan contributions and notifies the employer in the event of an excess contribution.

THE BASIC CONTRIBUTION LIMIT FOR 2025 IS \$23,500.

Additional provisions allowed:

AGE-BASED ADDITIONAL AMOUNT

Participants who are age 50 to 59 or 64 or older by 12/31/2025 qualify to make an additional contribution of up to \$7,500 to the 403(b) accounts. Participants aged 60, 61, 62, or 63 on 12/31/2025, can contribute an additional amount of up to \$11,250.

THE SERVICE-BASED CATCH UP AMOUNT

The special catch-up provision allows participants to make additional contributions of up to \$3,000 if, as of the preceding calendar year, the participant has completed 15 or more full years of employment with the current employer, not averaged over \$5,000 per year in annual contributions, and has not utilized catch-up contributions in excess of the aggregate of \$15,000. For a detailed explanation of this provision, please visit <https://www.tsacg.com>.

ENROLLMENT

Employees who wish to enroll in the 403(b) plan must first select the provider and investment product best suited for their 403(b) account. Upon establishment of the account with the selected provider, a "Salary Reduction Agreement" (SRA) form and any disclosure forms must be completed and submitted to the employer. This form authorizes the employer to withhold 403(b) contributions from the employee's pay and send those funds to the Investment Provider on their behalf. An SRA must be completed to start, stop or modify contributions to a 403(b) account. Unless otherwise notified by your employer, you may enroll and/or make changes to your current contributions anytime throughout the year.

The total annual amount of a participant's contributions must not exceed the Maximum Allowable Contribution (MAC) calculation. For convenience, a MAC calculator is available at <https://www.tsacg.com>.

2025

INVESTMENT PROVIDER INFORMATION

A current list of authorized 403(b) Investment Providers and current employer forms are available on the employer's specific Web page at <https://www.tsacg.com>.

PLAN DISTRIBUTION TRANSACTIONS

Distribution transactions may include any of the following depending on the employer's Plan Document: loans, transfers, rollovers, exchanges, hardships, withdrawals or distributions. Participants may request these distributions by completing the necessary forms obtained from the provider and plan administrator as required. All completed forms should be submitted to the plan administrator for processing. Prior to taking a loan, participants should consult a tax advisor.

PLAN-TO-PLAN TRANSFERS

A plan-to-plan transfer is defined as the movement of a 403(b) account from a previous employer's plan and retaining the same account with the authorized investment provider under the new employer's plan.

ROLLOVERS

Participants may move funds from one qualified plan account, i.e. 403(b) account, 401(k) account or an IRA, to another qualified plan account at age 59½ or when separated from service. Rollovers do not create a taxable event.

DISTRIBUTIONS

Retirement plan distributions are restricted by IRS regulations. A participant may not take a distribution of 403(b) plan accumulations unless they have attained age 59½ or separated from service. In most cases, any withdrawals made from a 403(b) account are taxable in full as ordinary income.

EXCHANGES

Participants may exchange account accumulations from one 403(b) investment provider to another 403(b) investment provider that is authorized under the plan; however, there may be limitations affecting exchanges, and participants should be aware of any charges or penalties that may exist in individual investment contracts prior to exchange.

403(b) PLAN LOANS

Participants may be eligible to borrow their 403(b) plan accumulations depending on the provisions of their 403(b) account contract and provisions of the employer's plan. If loans are available, they are generally granted for a term of five years or less (general-purpose loans). Loans taken to purchase a principal residence can extend the term beyond five years depending on the provisions of their 403(b) account contract and provisions of the employer's plan. Details and terms of the loan are established by the provider. Participants must repay their loans through monthly payments as directed by the provider.

HARDSHIP WITHDRAWALS

Participants may be able to take a hardship withdrawal in the event of an immediate and heavy financial need. To be eligible for a hardship withdrawal according to IRS Safe Harbor regulations, you must certify and may be asked to provide evidence that the distribution is being taken for specific reasons. These eligibility requirements to receive a Hardship withdrawal are provided on the Hardship Withdrawal Disclosure form at <https://www.tsacg.com>.

EMPLOYEE INFORMATION STATEMENT

Participants in defined contribution plans are responsible for determining which, if any, investment vehicles best serve their retirement objectives. The 403(b) plan assets are invested solely in accordance with the participant's instructions. The participant should periodically review whether his/her objectives are being met, and if the objectives have changed, the participant should make the appropriate changes. Careful planning with a tax advisor or financial planner may help to ensure that the supplemental retirement savings plan meets the participant's objectives.

403(b) Plan Employee Universal Availability Notice

Frazier School District provides eligible employees the opportunity to voluntarily save for your retirement through a 403(b) plan. The Plan allows you to make pre-tax, or if available in the plan document post-tax Roth contributions, to a 403(b) savings account to help you save for retirement. All employee contributions are made through salary reduction and employees are always 100% vested in employee contributions. Plan contributions as well as any investment earnings are tax-deferred and therefore are not taxable until distributed. Because the plan is to help you save for retirement, distributions from the plan are only permissible under certain circumstances such as retirement or termination of employment.

Eligibility

All employees who receive compensation reportable on an IRS Form W-2 are eligible to participate in the plan, with the exception of those specifically excluded below. If no exclusions are indicated, then all employees are eligible to participate.

- Employees who are non-resident aliens;
- Employees who are students performing certain services
- Employees who normally work fewer than 20 hours per week

Enrollment

Whether you desire to enroll in the plan, or you are already enrolled but wish to make a change to the amount you currently defer, you may accomplish this by establishing an account with one of our approved providers and completing a Salary Reduction Agreement for the plan. You may obtain a list of participating providers from Payroll at the District Office or under Employee Resources/Documents of Interest/Payroll Form on the Frazier website.

Contribution Limitations

- You may contribute up to \$23,500 for 2025 based on contribution limits set by federal tax law. If you attain age 50 during the calendar year of the deferral or are over age 50 you may make an additional \$7,500 contribution in 2025. These amounts are subject to change annually.

If you are age 50 or over with 15 or more years of service, additional catch-up contributions may be available.

Your participation in this plan is voluntary. Participation in and contributions to the plan may change or cease at any time, subject to the rules of the plan.
