It is very important that we have a good working phone number to contact someone in case of an emergency. If we don't have a good working number on file and can't reach a parent or guardian this could affect the permission for your child to ride the bus.								
I have read and understand the Transportation Code of Conduct rules in the Student Handbook. I have covered the rules with my child/children. By signing this I am acknowledging that my child is subject to all pertinent discipline for violations of the code of conduct. My child is aware that he/she is esponsible for his/her own conduct at all times.
