

Secret Santa Workshop

Wednesday December 4th

Thursday December 5th

This is a two day shopping event sponsored by our Home and School Association, for our children where they can purchase gifts "in secret" for their family and friends. All items are \$1.00 and volunteers will be there to assist them.

Your child will need to bring a list of the people they want to buy gifts for, along with their money in an envelope marked "Secret Santa" with the child's name and grade on the outside. Their class will be shopping on their scheduled day.

If any student is absent or forgot their money on their assigned day, they may visit during their lunch period.

Secret Santa wish list

Handwriting practice lines consisting of ten horizontal dashed lines for writing.
