FINANCIAL REPORT FOR THE YEAR ENDING JULY 11, 1910.

READ THIS.—If the following report is correct, the totals of receipts and expenditures will balance. Care should be taken to enter each amount under its proper heading, and to enter money borrowed. If money other than the funds of the district is advanced by any one in paying teachers, or for other expenses, show the item "Received from Loans." It is really money borrowed, and should also be included in the "Indebtedness" (item 16 above). Do not foot up the columns alike unless they actually add up alike.

EXPENDITURES.		Dollars.	Cents.
<p>READ THIS.—If the amount "paid teachers" should here show what has been actually paid during the year, including all that was paid on balance due for previous year, and not what may still be due. The latter will appear in the "indebtedness" (item 5 above) and the total owing of the year is shown in item 8 above.
