## Math Projects

All students chose a project to complete this week and share with the class on Monday, October 21. Students have time in class to work on the project as well as completing their IXL and Imagine Math, but students are also welcome to work on the project at home. Students will identify the math they used and be prepared to share their project in class. Unfortunately, there won't be any time on Monday to finish the projects. If your child chooses project 3A, baking their project is a presentation, 3B, panthers, is a captioned picture, 3C giraffes, is a composed song. I will be supplying paper, but if students want to get fancy such as using modeling clay, they will need to get that on their own. Please let me know if you have any questions.

## Student Led Conferences

Student Led Conferences are October 23 and 24 with time slots from 3:30 - 7:00. Confirmation letters went home in last Wednesday's Folder. Please let me know if you did not receive your confirmation letter.

## Harvest Party

Our classroom Harvest Party will be on Thursday October 31. This is a harvest party NOT a Halloween party. Students are NOT to dress up. We have one treat coming in. If you would like to send treats, plates, napkins, or a drink for the harvest party please let me know as soon as possible.

## Important Dates

- Math Project - due October 21
- Parent Conferences - October 23, 24
- No School - October 25
- Harvest Party - October 31
