Academics: Warner Robins High School offers a large number of core and elective courses. Students are encouraged to take the most challenging level of core courses suited to their programs of study and work habits. Honors courses have three quality points added to the student's final average and AP courses have five quality points added to the student's final average. These courses include:

| Honors $9^{\text {th }}$ Lit | AP Statistics | Honors American Government |
| :--- | :--- | :--- |
| Honors 10 ${ }^{\text {th }}$ Lit | AP Calculus AB | Honors US and World Affairs |
| Honors Multicultural Lit | AP Calculus BC | Honors World History |
| AP English Language | Honors Biology | Honors US History |
| AP Literature | Honors Chemistry | AP World History |
| Honors Geometry | AP Biology | AP US History |
| Honors Algebra 2 | AP Environmental Science | AP Macroeconomics |
| Honors Pre-Calculus | AP Chemistry | AP European History |
| AP Studio Drawing | AP Physics | AP Art History |
| AP Studio Art 2D | AP Studio Art 3D |  |

Grading and ranking: A numerical grade is awarded for all courses. Numerical grades range from zero (0) to a maximum of 105 points. Grades may only exceed 100 with quality points added for Honors and Advanced Placement classes. Three points are added to the final average in Honors classes and five points are added to the final average in Advanced Placement Classes. All students are ranked based on numerical grades divided by the number of classes taken. The GPA associated with class rank is cumulative and includes both required and elective courses. Quality points for Honors and AP classes are included in the class rank GPA. Numerical grades may be interpreted as follows:

A 105-90 Excellent
B 89-80 Above Average
C 79-79 Satisfactory
Below 70 Failing (No Credit)
