

# Russell Elementary

NOVEMBER/DECEMBER 2021

## AN OVERDUE THANKS!

Each year the Georgia Department of Education deems November as Family Engagement Month. Your commitment to your child's success has never been more important than these last few years. We appreciate your continued support as we have navigated our way through the pandemic and a "new" normal. The challenges you faced and overcame as a family during these trying times are nothing short of miraculous! Working together as partners, we can be sure all students succeed! Thank you for your diligence and especially your hard work! We are grateful you are part of our Russell Elementary School family!

Watch for details coming home in signed papers and posts on our face book page and class dojo!
