FCMS Midterm / Final Exam Requirement

- FCMS will not have a midterm or final exam this year but will hold remediation days instead.
- All students with a final average of 75% or less in academic classes at the end of the 1st and 2nd semesters will be required to attend a session to improve their average and mastery level of the standards taught during the semester.
 - Those sessions will focus on remediation of standards that were not mastered by each individual student during the school year.
 - Grades for Remediation sessions will count toward an increase in student average of up to 10%.
