Students Be Aware! December, 2022

**Why Be Aware??? Because it is your life.
You are the one who will determine what you will do with your ability.**

Considering a Career in Nursing

Check out the recently launched website highlighting UPMC Schools of Nursing @ UPMC.com/NursingSchools

It will give you an overview of each of the three campuses, profiles about recent graduates, step-by-step enrollment instructions, and a convenient online form to request additional information or a campus tour.

UPMC Sports Medicine Student Aide Workshop

UPMC Sports Medicine is proud to offer their bi-annual workshop for high school students interested in a career in athletic training or who wish to enhance the skills they use daily in their high school athletic training room. The main topics will cover what the role of an athletic trainer is in multiple settings, anatomy, conditioning and rehabilitation, concussion, and career opportunities. The cost is \$40 per student. For questions regarding the workshop, call: Robert McCabe at 412-432-3724 or you can register at <https://www.upmc.com/services/sports-medicine/services/concussion/baseline-testing>

SAT/ACT Preparation Courses

If you are considering additional instruction prior to taking the SAT/ACT, Huntington Learning Center is offering one-to-one prep sessions. They offer three options:

- A complete assessment and a custom designed program to meet the needs of each student.
- A 32-Hour program that provides a concentrated boost in all true subject areas for SAT and four subjects for ACT.
- A 14-Hour program for students who need a boost in one subject area.

If you would like to schedule a meeting to learn more, please call 412-367-7787 or see their website at: <https://huntingtonhelps.com/sat-test-prep>

Keystone Boys State

Keystone Boys State is an educational workshop for high school student leaders. Students selected to attend KBS have the opportunity to gain leadership skills through an intensive week-long summer program. The focus of KBS is its hands-on simulation of municipal, count, and state government. This camp takes place at Shippensburg University. The dates for this are as follows: June 18-24, 2023 and June 16-22, 2024

Job Training and Post-Secondary Exploration

Job Training of Beaver County (JTBC, Inc.), is a private nonprofit organization that addresses the diverse career and employment needs of adults, dislocated workers, and youth, along with the important workforce development priorities of employers. Services provided include: paid work experience, internships, and job shadow opportunities; dropout prevention; career exploration and planning; job readiness assessment, which includes resume writing, work readiness class, and mock interviews; job search and placement assistance; financial assistance for post-secondary education; and driver's training classes. Please stop in the Counseling Department for more information.

Wildlife Leadership Academy

We are looking for highly motivated 14-17 year-old students with an interest in wildlife and /or fisheries conservation and the outdoors, who would like to become an ambassador for wildlife conservation. Applications for the 2023 summer 5-day residential field school will be available on January 1, 2023. Students will gain extensive knowledge about wildlife/fisheries and conservation, leadership experience, and communication skills. As a Conservation Ambassador, students receive a letter of recommendation for college applications and certification of community service work. Students are also eligible to apply for three college credits through Cedar Crest College. Please stop in the Counseling Department for more information.

Scholarship Information

As students prepare college applications and financial aid forms, don't forget to check out the many scholarship opportunities available. Several scholarships have deadlines pending in January and February. For more information, please see the Scholarship Newsletter available on the NBHS webpage, NBASD Facebook page, or in the Counseling Department.
