KINGSTREE HIGH SCHOOL CELEBRATES STUDENTS' FUTURES ON COLLEGE DECISION DAY

Kingstree High School proudly hosted its annual College Decision Day celebration, honoring the hard work, dedication, and bright futures of its graduating seniors. The event, held on May 1, 2025, brought together students, families, teachers, and community leaders to recognize the important next steps in the lives of the Class of 2025.

Seniors proudly announced their post-graduation plans, which included commitments to colleges, universities, technical schools, military service, and career pathways. Decked out in shirts, hats, and other gear representing their chosen institutions, students shared their excitement for the future and reflected on the journeys that brought them to this moment.

The program included guest speakers, a signing ceremony, and an opportunity for students and their families to take photographs. Highlights of the day featured special recognitions for scholarship recipients, military enlistees, and students entering workforce training programs.

Kingstree High School remains committed to preparing every student for success after graduation and continues to build a culture of achievement and ambition within the community.
