Ronald McDonald
Care Mobile®
of North Dakota

Dear Parent/Guardian:

Does your child need dental care? The Ronald McDonald Care Mobile will be in your school or community soon providing dental preventive and treatment services.

Your child is eligible for these services if:

- **He/she is age 0 through 21.**
- **He/she does not have a regular dentist.**
- **He/she has not seen a dentist in the past two years for regular treatment, unless there are special circumstances. This does not include treatment received on the Ronald McDonald Care Mobile or at the Indian Health Service (IHS) clinic. We will see children previously seen on the Care Mobile as time permits.**
- **There is no cost to the family. Medicaid and insurance will be billed if your child is covered.**

If you have questions about your child's eligibility, please call the Ronald McDonald Care Mobile office at 701.258.8551.

If you would like your child to participate, please complete and sign Form A and Form B and return them to your child's teacher or the site coordinator.

Treatment Consent and Agreement Form

The treatment may consist of dental x-rays, diagnosis, topical fluoride application and other preventive measures as well as restorations (fillings), extractions and space maintainers as recommended by the Ronald McDonald Care Mobile staff. I understand that the Ronald McDonald Care Mobile dentists will use restorative treatment and behavior management that is reasonable and necessary.

I, _____, as a legally responsible guardian of _____
(Print parent/legal guardian name) (Print child's name)
give my consent for the dental services I have authorized below.

I have checked the box next to each type of service for which I am granting authorization. Each item needs to be answered in order to receive dental care.

Yes	No	
		Dental Exam, including dental x-rays.
		Preventive Services: teeth cleaning, oral hygiene instruction, sealants, fluoride treatment.
		Restorative Services: fillings, stainless steel crowns, pulpotomy. Anesthesia is used for these procedures.
		Extraction of Primary Teeth: Removal of primary (baby) teeth that cannot be restored through other treatments. Anesthesia may be used for this procedure.
		Extraction of Permanent Teeth: Removal of permanent teeth that cannot be restored through other treatments. Anesthesia is used for this procedure.

I understand that local anesthetics and nitrous oxide may be used as deemed appropriate by the Ronald McDonald Care Mobile dentists in performing the recommended treatment(s). I understand there may be risks involved with dental treatment.

I consent that _____, who is under the age of eighteen years, may participate in the
(Print child's name)
dental services provided by the Ronald McDonald Care Mobile, and consent that their dentists and other agents and employees may furnish to Care Mobile employees (and/or authorized organizations) all information concerning the child's case history, dental examinations, written reports (and any accompanying photographs) with respect to the dental examination and the exam results. An authorized organization is one approved by the Ronald McDonald Care Mobile and Bridging the Dental Gap.

I consent and authorize the Ronald McDonald Care Mobile to file and collect North Dakota Medicaid/SCHIP reimbursement for dental services provided. I also certify that I understand and agree to the conditions described above.

Are you currently the legal guardian for this child? YES NO
Can you sign for medical treatment? YES NO
