## April

## NEWSLETTER

**Principal's Corner:** As we begin spring, we are entering the final grading period of the school year. This is an important time for students to stay focused and finish strong.

Students will continue to be challenged academically, and we encourage them to give their best effort through the last day of school.

We appreciate your support at home. Please help your child stay consistent with homework and daily reading. These activities help you stay informed, support your child's learning, and build lifelong habits.

Our goal is for every student to be prepared for their next step, and we can't do that without your partnership. Staying in communication with your child's teacher makes a big difference in their success.

For safety, please remember to use designated crosswalks when traveling to and from school.

Thank you for your continued support of our school and students.

JDPS Principal  
Mr. Lin Gifford

**MUSIC:** As we head into April, I want to take a moment to thank all of our wonderful families for your continued encouragement and support. Our recent "Great Outdoors" concert was such a fun and memorable experience, and I am incredibly proud of our young musicians for their hard work, creativity, and enthusiasm. It has been so exciting to watch their skills and confidence grow as they explore music together. Teaching your children is truly a joy, and I look forward to all the music-making and learning still to come this spring!  
~Mrs. Carly Angle
