

# 4 SHAC Committee Meeting Minutes  
5-19-26  
4pm @ Alvord High School Library

Members present: Andrea Brown,

Members absent: [Isela Palmer](#), Alisha Bell, Heather Redder, Sandra Thompson

Visitors present: None

Agenda:

- Update: Parents are continuing to submit updated immunization records earlier than in previous years. Hopefully, this will help reduce long lines and congestion during “Meet the Teacher” nights. I have encouraged parents to turn in records as soon as they receive them to help avoid delays, as doctor’s offices become harder to schedule with closer to the end of summer and often run low on required immunizations.
- Next Meeting will tentatively be planned for September 18, 2026 on a Professional Development Day.
