

Hello Broad Street School Parents and Guardians,

Broad Street Elementary School will be having Field Day on Monday, June 5th (Rain date Tuesday, June 6th). To allow your child to have the best Field Day possible, I ask that they come to school with the following items.

1. Water Bottle and Towel (with their name on it)
2. Hat/Sunglasses and Sunscreen
3. Sneakers (shoes suitable for running) CROCS and WATER SHOES are not suitable for running
4. Bathing Suit or Clothes that you do not mind getting wet

Some of the stations during Field Day involve water, and there is a chance your student may get wet. With that said I ask that you sign and return the water permission slip below, to allow your student to get wet on Field Day. Our amazing PTO has generously provided the opportunity for our students to have their face painted on Field Day! For this to occur, please check that box below. THANK YOU SO MUCH TO OUR WONDERFUL PTO FOR THEIR GENEROSITY!

Sincerely,

Dr. Wehrle

Broad Street School Health and Physical Education Teacher
