

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596, 360-785-3460 [kmacdonald@evalinesd.k12.wa.us](mailto:kmacdonald@evalinesd.k12.wa.us)

**Sun. Nov. 3rd:  
 Daylight Saving Time  
 ends, set clocks back  
 one hour**

## Inclement Weather Conditions

In the event of snow, ice or other inclement weather conditions it may be necessary to adjust school starting time or cancel classes. In these kinds of situations please listen to your local radio stations and News Channels. We try very hard to make decisions by

6:30a.m. Once the decision is made it is posted to the Flash Alert website and they send it out to all local TV and Radio Stations. You can also go onto flashalert.net and check for delays and closures there. If the alert states that we will be on snow routes, this means that there are roads the bus will not go down **(Please see attached flier for our snow routes and info)**. If you DO NOT hear any information regarding Evaline School you must assume school will be in session as usual. In the case of unplanned early dismissals due to emergencies students will either be transported home on the bus or will need to be picked up by their parent/guardian right away. This would include instances of sudden loss of power, water, or accumulation of snow. ***In the event of a late start, these days will always be two hours late. Therefore school will start at 10:30am and the bus will be picking up students two hours later than the normally scheduled pick up time. There will be no breakfast served on late start days.***

### Next Week Lunch Changes

Due to the early dismissals next week, our "sack" lunches will be a little different since they will need to travel home. The changes will be: Nov. 5th will be Cracker Stackers and Nov. 7th will be a Turkey Wrap.

### Bell Studio Student pictures

If you ordered pictures on picture day they are going home with students today. If you have any questions about your photos please contact BELL Studio directly.

## Important Dates!!

### Nov.

- Fri. 1st: Lion Paw Day, 11:30 dismissal
- Sun. 5th: Daylight Saving Time ends, set clocks back one hour

\*NO Good News Club on early release days\*

### Veterans Day Ceremony Friday, November 8th

Students will be traveling over to Boistfort School for their Veterans Day Ceremony on 11/8/24. The bus will depart at 8:45am for the 9:30 ceremony and will return in time for our early release dismissal. Please have your student(s) dress in their nice clothes if possible.

### Conferences - 11/4 to 11/8

We will dismiss at 11:30 every day during conference week. Conferences will be held **November 4th - November 8th**. Your student's teacher should be contacting you to schedule your conference(s). **Students will be dismissed at 11:30 every day of conference week.** A "sack" lunch will be sent home with your student(s) on these days if they order one.

### Wreath Orders ASB Wreath Fundraiser

Evaline Associated Student Body is selling Holiday wreaths and centerpieces crafted by Country Garland. All earnings are used for a variety of student activities. Each family's fundraiser packet was sent home in last week's newsletter envelope. Please read the letter in the fundraiser packet for full details. **\*All orders MUST be turned in with money by November 15th.** There will be a prize of hot cocoa with marshmallows, whip cream and sprinkles for any student who sells at least one item. The hot cocoa prize will be served on Nov. 27th.

**There will also be prizes for our top 3 sellers!**

## TK and Kindergarten

Mrs. Tinnin

This week kindergarten learned the letters n, h, and s. Your child should also know the sounds for a, c, d, g, i, m, o, and t. We are working on sounding out words with the letters we have learned.

TK continued their unit on Families. They are learning about different family members and how they contribute to the family unit.

Kindergarten is learning about the number 10. They are learning ways to make ten and comparing numbers to ten. TK students are working with the numbers 1-5.

I sent home a purple conference slip with your conference time for next week in your child's planner or folder. If you did not get a slip please reach out to me and I will send another. I am looking forward to meeting with families next week. Seeing all the growth in the first couple of months is exciting!

## First and Second Grade Explorers

Mrs. Mittge

Families, you should have received a conference time via ClassDojo as well as a paper copy inside of students' Boomerang Folders. I am looking forward to meeting with all of you to discuss ways we can partner together to support your children's learning and success. It is such a gift to work with you and your children this school year!

Students continue to fly through their ELA and math units. Second graders are finishing Chapter 4's study on addition strategies. First graders are deep into Chapter 5's subtraction concepts.

Please continue to read aloud with your child for 30 minutes every night. Students who are reading picture books should be taking an AR test every day. Students reading chapter books should be taking tests at least once a week. It would also be helpful if students could write their lower case letters a-z and numbers 1-50 each night.

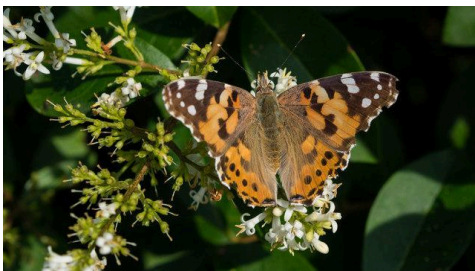

## Third and Fourth Grade Classroom

Mrs. Mars

This week both 3rd and 4th graders finished their math units on multiplication. Students had the opportunity to play some fun games using multiplication to finish out their units. We will move onto division starting next week.

All 12 of our butterflies have emerged out of their chrysalis and are doing great! This has been a fun opportunity for students to experience the life cycle first hand.

## Fifth and Sixth Grade Classroom

Mr. Burlingame

Thank you to the booster club for another fun-filled fall festival! Students had a great time playing games, doing crafts, watching a movie, and eating yummy treats.

Our 5th and 6th graders have been working on their first of many country slide projects where they research a country and then present on it. This time, they focused on the countries and territories located within Oceania. They did a great job!

Soon we will be getting ready for our play! Roles have been announced to the students and they will start working on memorizing their lines very soon. Once practices start, it is very important that students are here at school all day because their peers will be relying on them for play practice. Stay tuned for more information as it becomes available and I'll see you all next week for conferences!
