

REID STATE TECHNICAL COLLEGE

"The College That Works"

Greetings **Reid State Lions**,

Students were mailed distribution checks August 3, 2021 from the Student Portion of the HEERF III funding established by the American Rescue Plan (ARP) Act of 2021.

- Name: Some reference this funding as "CARES Act" but this is different and is officially Student Portion of the HEERF III funding established by the ARP Act of 2021.
- Eligibility: Each institution establishes eligibility individually. Reid State chose to distribute to all credit students, which includes Dual Enrollment.
- Amount: It is required by law, that the amount be different for those who have a greater need. Reid State determined need based on EFC. Students with an EFC \leq 5711 received \$50.00 more than those with an EFC \Rightarrow 5711.
- FAQ's: How many did not receive a distribution...192 of our 199 Summer 2021 credit students received a distribution. None of our Summer 2021 non-credit students received a distribution.
- **All students registered for Fall 2021 semester, that meet the eligibility requirements, will receive a portion for the HEERF III- ARP Student Portion distribution.**
