FOR IMMEDIATE RELEASE

BCUA Environmental Awareness Challenge Grant to LLE School

October 26, 2017

BCUA Environmental Awareness Challenge Grant

On October 20, 2017 at Bergen Community College, Luther Lee Emerson School (LLE) was awarded the Bergen County Utilities Authority (BCUA) Environmental Awareness Challenge Grant for the second year. The school plans to create a more defined recycling and composting program for LLE with the grant. The fourth grade students intend to form a “green team” to help make the school more environmentally friendly. Last year, the school purchased a portable STEM Hydroponic cart. The children are looking forward to expanding their environmental program.

Photo is from the BCUA 2017 Environmental Awareness Challenge Grant Check Ceremony at Bergen Community College on October 20, 2017. In the photo are (l. to r.) Kelly Stevens, Demarest Public School Supervisor of Curriculum, Instruction and Assessment, Michael Fox, Demarest Public School Superintendent, Kathleen Forma, Luther Lee Emerson 4th grade teacher, BCUA Commissioner Thomas S. Kelley, BCUA Chairman Ronald Phillips, Bergen County Freeholder, Germaine M. Ortiz.
