FOREWORD

Cumberland County Schools believes that **athletes** should be competitive, sportsmanlike, and excel academically. We believe **students and adults** in the stands should have fun, but not take the focus away from the game. We believe **coaches** should act as teachers, helping student-athletes develop while still keeping interscholastic sports in perspective. We believe that **parents/ guardians** should always be positive role models and be supportive of their child's decisions. We believe **officials** commit their own time to interscholastic sports, and respect should always be shown and given to them.

These procedures provide a reference for regulations, existing rules, and information in effect concerning the Cumberland County School's Athletic Programs. It is intended that this guide will contribute to a better understanding of athletic procedures and help to provide guidelines toward a consistent, harmonious, and efficient athletic program.

This guide will be used to assist the members of the athletic staff and the administrative team from each CCS school in developing a mutual framework of operation. Adhering to these policies and procedures will provide continuity and consistency for all programs.

Cumberland County Athletics will be governed by and follow the TSSAA Bylaws for all athletic endeavors. In addition to the TSSAA Bylaws, CSS Elementary Athletics will adhere to the guidance provided by the CSS Athletic Procedure Manual. A link to the full handbook and bylaws can be found using the following link: [TSSAA Handbook and Bylaws](#)

These administrative procedures shall be required reading of all Elementary School coaches employed by Cumberland County Schools.
