

# HOW WELL DO WE SUPPORT YOUR FAMILY'S READING NEEDS?

Your child's school is participating in Bridging the Gap in the 603: Pathways to Literacy Proficiency, which is an initiative by the New Hampshire Department of Education to help improve literacy skills for all students.

**To make sure we're doing everything we can to support your family with their literacy needs, we're conducting a quick survey and we'd love to hear from you.**

Your feedback is incredibly valuable and will help shape future literacy strategies, and don't worry, your responses will remain confidential. So please take a few minutes to share your thoughts with us and let's work together to advance literacy education for all students.

Thank you so much for your time and participation!
