Subject: AFJROTC Fees and Uniform Loan Notification/Agreement

6 Aug 26

Dear Parents / Guardians:

As a requirement of the AFJROTC program, each cadet will be issued an Air Force uniform on loan. A **\$75 program fee** is required to cover uniform alterations and maintenance, an OCP name tape, the unit T-shirt, and the Military Ball. Payment is due by **Friday, August 14, 2026**.

Returning cadets are required to wear the Air Force uniform every **Tuesday**, beginning **August 18, 2026**. New cadets will begin wearing the uniform as soon as it is issued. Proper wear of the uniform is a required part of the course and counts as **10% of the student's grade**. Cadets must maintain Air Force grooming and appearance standards, including appropriate hairstyles, and keep their uniforms clean, neat, and serviceable.

The uniform remains the property of the U.S. Air Force. Parents and cadets are responsible for its care, including professional dry cleaning of the shirt, trousers, service coat, and jacket before returning them at the end of the school year.

Cadets will be charged for any lost or damaged uniform items. Failure to return all issued items or pay replacement costs will result in the student's name being placed on the school's debt list, which may delay the release of transcripts or diplomas until the debt is cleared. **Replacement costs range from \$10.00 for a hat to \$550.00 or more for the entire uniform.**

Thank you in advance for your support!
