TROY UNIVERSITY™

The Southeast Alabama Regional Inservice Center is pleased to announce its Professional Development schedule for the summer of 2025.

***YOU MUST REGISTER VIA PowerSchool. Registrations cannot be taken over the phone.** When you register via PowerSchool, make sure that your email address AND phone number are current and that you check your email often over the summer. **Your email address and summer telephone number are essential so that we can notify you in the event of a cancellation.** All confirmations and workshop cancellations will be sent to the email address listed on PowerSchool. (<https://alsde.truenorthlogic.com/ia/empari/login/index>) Please register ASAP. Most workshops are limited. Therefore, we register participants on a “first-come, first-served” basis.

As a part of the registration process, for all virtual workshops, once you have registered in PowerSchool you must also register to gain admittance to the online classroom for your course. To register, click the link that follows the message “register in advance for this meeting.” After registering, you will receive a confirmation email containing information about joining the meeting.

***The seating capacity of presentation rooms and handouts will be based on the number of participants who register. Should there not be a sufficient number of registrations 72 hours prior to a workshop, it will be canceled and registrants will be notified. Only pre-registered participants will be notified of workshop changes or cancellations!** If you do not pre-register for a workshop and decide to attend anyway, please call our office the day before the workshop to find out if the workshop is still open and has not been canceled.

The Southeast Alabama Regional Inservice Center Governing Board's continuous commitment to support our schools' requests for an individual teacher, school, and district initiatives helps build a community where educators can continually grow by striving to improve student achievement and behavior.

The Southeast Alabama Regional Inservice Center serves the following 21 districts:		
Andalusia City	Brewton City	Butler County
Coffee County	Conecuh County	Covington County
Crenshaw County	Dale County	Daleville City
Dothan City	Elba City	Enterprise City
Escambia County	Geneva City	Geneva County
Henry County	Houston County	Opp City
Ozark City	Pike County	Troy City

Governing Board Members

Julie Albritton	Dr. Christie Armstrong	Shelia Armstrong	Kimberly Braisted	
Jessica Byrd	Dr. Donnella Carter	Michael Crews	Dr. Katie Wyatt Fuller	
Amy Hatcher	William “Shane” Haws	Lisa Hendrix	Christie Hughes	
Dr. Eva Marie Kane	Kelly Langham	Amie Miller	Sacha O’Neal	
Dr. James Ortego	Rachel Powlacs	Dr. Zel Thomas	Tania Thompson	Brittany Wheelus

Title: TU-RIC Help! I'm an Elementary Principal/Assistant Principal. What do I need to know about the Alabama Literacy Act? (Face-to-Face)

Date: July 24, 2025

Time: 9:00 AM—10:30 AM

PowerSchool PD- Course: 320312

Section: 527773

Grade Levels: K-4

Audience: Elementary Principals & Assistant Principals

Location: Butler County Board of Education, 211 School Highlands Road, Greenville, AL

Description: There are facets of the Alabama Literacy Act that must be put into place to support students in achieving reading proficiency. This includes students who have been retained in third grade and those who have been promoted to fourth grade utilizing a good cause exemption. This session will highlight the steps necessary to build structures at the local level. These structures support full implementation of instruction, based in the science of reading and lead to increased efficacy among teachers. Participants will engage with peers regarding structures that are working to improve literacy outcomes for Alabama students.

Consultants: Cody Carnley, Regional Literacy Leadership Specialist, & Tammie Sullivan, Regional Literacy Specialist, Alabama Reading Initiative, Alabama State Department of Education

Title: TU-RIC Walking the High Road: Steps to Inspired and Desired Leadership (Face-to-Face)

Date: July 24, 2025

Time: 11:00 AM—12:00 PM

PowerSchool PD- Course: 329398

Section: 527883

Grade Levels: K—4

Audience: Elementary Principals and Assistant Principals

Location: Butler County Board of Education, 211 School Highlands Road, Greenville, AL

Description: Are you ready to take your school leadership journey to the next level? Join us as we explore John Maxwell's transformative principles of High Road Leadership. Together, we'll uncover a roadmap that emphasizes leading with integrity, intention, and influence. You'll discover how to embrace the high road in leadership, creating a positive impact on others, while achieving remarkable results. If you're eager to lead in a way that is both inspiring and fulfilling, this session will provide you with actionable steps to elevate your leadership journey. Don't miss this opportunity to embark on the path to high road leadership!

Consultant: Cody Carnley, Regional Literacy Leadership Specialist, Alabama Reading Initiative, Alabama State Department of Education

Title: TU-RIC Dyslexia Awareness Training- Dyslexia: An Overview

Date: July 24, 2025

Time: 9:00 AM—12:00 PM

PowerSchool PD- Course: 320626

Section: 528205

Grade Levels: K-12

Audience: K-12 Principals and Assistant Principals

Location: Coffee County BOE Auditorium, 400 Reddoch Hill Road, Elba, AL 36323

Description: This session is designed to increase awareness of the difficulties and frustrations that people with dyslexia, as well as those with the characteristics of dyslexia, encounter daily. We hope this experience will provide insight into working more effectively with these students and lead to greater empathy and understanding.

Consultants: Kristi Lewis, Regional Literacy Specialist, & Dr. Laura Leigh Rambach, Regional Literacy Leadership Specialist, Alabama Reading Initiative, Alabama State Department of Education

Title: An Overview of the ELA COS Standards 2021 (Virtual)

Date: July 30, 2025

Time: 8:00 AM—3:30 PM

PowerSchool PD- Course: 329402

Section: 528211

Grade Levels: K-5

Audience: K-5 Principals and Assistant Principals

Location: Virtual -Participants will receive Zoom link upon registration in PowerSchool.

Description: This professional learning will provide K-5 educators the opportunity to delve into the 2021 Alabama Course of Study: English Language Arts (ELA COS). Participants will have an opportunity to explore the content and grade-level standards. Participants will be able to interact with, not only teachers who teach the same grade, but also other grade-levels to explore the similarities and differences as students move through the progression of English Language Arts standards across grade levels.

Consultants: Ginger Henderson, Regional Literacy Specialist, Alabama Reading Initiative, Alabama State Department of Education

Alabama Learning Exchange (ALEX)

Housed in Education Technology

Title: TU-RIC Revolutionize Your Teaching with ALEX: Tools, Tips & Tricks for K-12 Educators!

Date: June 10, 2025

Time: 9:00 AM—12:00 PM

PowerSchool PD- Course: 330179

Section: 528397

Grade Levels: K—12

Date: July 22, 2025

Time: 9:00 AM—12:00 PM

PowerSchool PD- Course: 330179

Section: 528401

Grade Levels: K—12

Audience: K–12 Teachers and Administrators

Location: Virtual -Participants will receive Zoom link upon registration in PowerSchool.

Description: Tired of searching for quality lesson plans and engaging student activities? Wish you had a one-stop shop for standards-aligned resources? ALEX (Alabama Learning Exchange) has you covered! In this interactive virtual session, we'll dive into:

Lesson Plan Component (LPC): A game-changer for designing effective, ready-to-use lessons

Spark!: A gamified learning system that helps students engage with and process material while giving teachers easy tools to create and share activities.

Time Saving Strategies: How to find, customize, and implement ALEX resources seamlessly into your teaching.

Whether you're a veteran teacher or just starting out, this session will give you practical tools to enhance your instruction, save time, and keep students engaged, Don't miss out – join us and spark new ideas for your classroom!

Consultants: Hailey Ridgeway, ALEX Project Director & Hannah Bradley, ALEX Project Instructor

AUTISM

Title: TU-RIC Examining the Use of Functional Behavior Assessments for All Students (Virtual)

Date: July 22, 2025

Time: 3:00 PM—4:30 PM

PowerSchool PD- Course: 330214

Section: 528460

Grade Levels: K—12

Audience: K–12 Educators and Administrators

Location: Virtual -Participants will receive Zoom link upon registration in PowerSchool.

Description: Recent information from the US Department of Education recommends the expansion of functional behavior assessment (FBA) methodology and theory to support all students. This session will explore the recommendations including the focus on positive behavioral interventions, evidence-based practices, and function of behavior to reduce the use of exclusionary discipline. Participants will explore the components of a FBA, how the FBA informs a behavior intervention plan (BIP), and how the results of a FBA can inform proactive instructional strategies. The information in this session will apply to all ages.

Consultant: Heather Jones

Title: TU-RIC Scoring GOALS with Autistic Children: Decision-making and Successful Implementation

Date: July 24, 2025

Time: 3:00 PM—4:30 PM

PowerSchool PD- Course: 330220

Section: 528463

Grade Levels: K—12

Audience: K–12 Educators and Administrators

Location: Virtual -Participants will receive Zoom link upon registration in PowerSchool.

Description: Workshop content emphasizes the development and implementation of speech, language and communication goal setting in educational and clinical contexts serving children on the autism spectrum. Effective goal setting decisions are based on (1) understanding speech, language and communication needs of autistic individuals, (2) evaluating academic and social contexts, and (3) applying the evidence base. Strategies and discussion on integrating neurodiversity-affirming constructs is included to promote goal relevance and functional outcomes. Although applicable for all ages, the spoken and written language skills of pre-school and school-age children on the autism spectrum are the primary focus.

Consultants: Brenda Beverly & Victoria Henbest, USA Allied Health

BEGINNING TEACHER SYMPOSIUM

Title: TU-RIC Safe & Civil Schools

Date: July 22, 2025

Time: 9:00 AM - 12:00 PM

PowerSchool PD- Course: 329935

Section: 527808

Grade Levels: K-12

Audience: K-12 Educators

Location: Troy University Extended Learning Center, Room 117, 1101 S. Brundidge St., Troy, AL

Description: Topics include: **The New School Security Act**, understanding the updated regulations and Guidelines to improve security on school grounds and **School Safety Law**, learn about the legal framework designed to ensure safer learning environments and how it impacts your school.

Consultant: Dr. Johnny Whaley, Educator Administrator, Office of School Facilities and Safety, Alabama State Department of Education

Title: TU-RIC First Days of School

Date: July 22, 2025

Time: 1:00 PM - 4:00 PM

PowerSchool PD- Course: 329935

Section: 528525

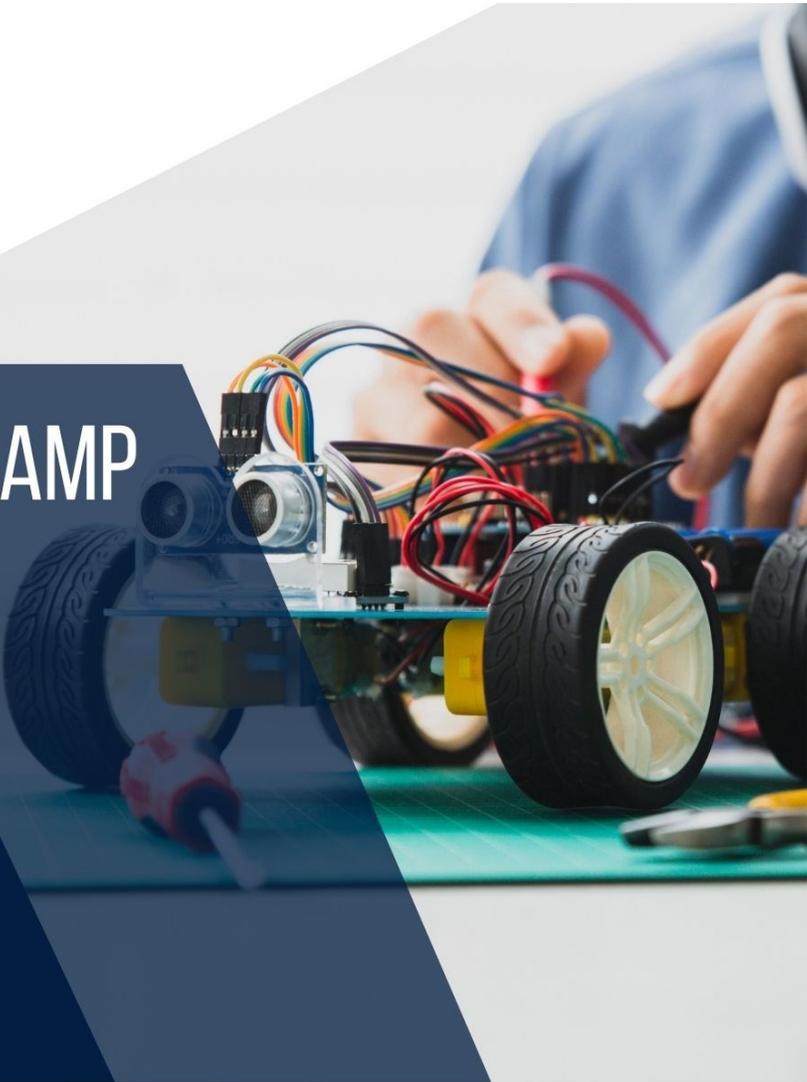

Grade Levels: K-12

Audience: K-12 Educators

Location: Troy University Extended Learning Center, Room 127, 1101 S. Brundidge St., Troy, AL

Description: Feel the excitement of the first day of school! Be prepared and ready to conquer the school year. Do I have my classroom ready? Do I have all necessary materials and forms? Do I have a classroom management plan? All of these questions will be covered to help you become the best teacher on the hall.

Consultant: Margaret Folmar, Wiregrass Writing Project Teacher Consultant, Troy University, Troy, AL

3-DAY ROBOTICS CAMP

Join us for an immersive and enriching professional development camp for teachers and students passionate about robotics and STEM education. Hosted from June 16 – 18th. This camp will equip participants with the knowledge, skills, and resources necessary to excel in the exciting world of BEST Robotics.

During this 3-day camp, educators and students will engage in hands-on workshops, interactive sessions, and collaborative projects led by experienced mentors and industry professionals. Participants can explore various aspects of robotics, programming, mechanical design, electrical engineering, and project management.

Prepare for the BEST Robotics Competition 2025, “Factoids”.

Gain insight into competition structure, build strategies, and bring back project-ready content to your classroom!

Grade Levels: 4 - 12

Dates: June 16 -18, 2025

Time: 9:00 AM - 2:00 PM

Location: TROY University Extended Learning Center, Room 117, 1101. South Brundidge Street, Troy, AL

PowerSchool Course Number: 329909

Section Number: 527748

BEST Robotics

Title: TU-RIC Co-Teaching

Date: June 17, 2025

Time: 9:00 AM—12:00 PM

PowerSchool PD- Course: 330279

Section: 528580

Grade Levels: K— 12

Audience: Grade K– 12 Teachers and Administrators

Location: Enterprise City Schools Service Center, 1648 E. Park Avenue, Enterprise, AL.

Description: This professional development training is designed to equip educators with the knowledge, skills, and strategies necessary to implement effective co-teaching practices. Participants will explore various co-teaching models, learn to develop strong collaborative relationships, and discover practical methods for planning and delivering instruction that support diverse learners.

Consultant: Dr. Lisa Ethridge, Associate Professor, College of Education, Troy, University

Title: TU-RIC Data-Informed Decisions

Date: June 23, 2025

Time: 9:00 AM—12:00 PM

PowerSchool PD- Course: 329912

Section: 527761

Grade Levels: PK-12

Audience: PK-12 Teachers & Administrators

Location: Troy University Extended Learning Center, Room 117, 1101 S. Brundidge St., Troy, AL

Description: This session will include conversations about utilizing data resources to determine appropriate instruction and intervention. Participants will consider a variety of data points to inform planning and implementing tiered instruction.

Consultant: Dr. Andrea Beall, Education Specialist, Instructional Services, Alabama State Department of Education

Gulf Coast Conference on the Teaching of Writing

June 30 – July 3, 2025

Perdido Beach Resort
Orange Beach, Alabama

Tuesday, July 1, 2025

Dr. Dee Bennett, Monica Anderson Young & SHORT the Squirrel

Dr. Dee Bennett and Monica Anderson Young are described as creative and passionate individuals with a knack for storytelling and innovation, as well as dynamic thinkers and problem-solvers. The duo are the creators of the Alabama-based nonprofit reading initiative SHORT the Squirrel. SHORT the Squirrel is now Alabama's official literacy mascot.

Wednesday, July 2, 2025

Barry Lane

For the last 25 years, Barry Lane has worked in schools with teachers on professional development in writing and reading in all 50 states and many countries around the world, including Canada, Romania, France, England, Germany, Holland, and India.

Some of his most popular books include *After THE END: Teaching and Learning Creative Revisions*, *Revisers Toolbox*, and *But How Do We Teach Writing*.

His workshops teach teachers how to create classes of lifelong writers and readers.

Thursday, July 3, 2024

Andy Schoenborn

Andy Schoenborn is an award-winning author and high school English teacher in Michigan at Mt. Pleasant Public Schools. His main objective is teaching and facilitating literacy using progressive methods that focus on student-critical thinking, digital collaboration, and multimedia means. As the Vice President for the Michigan Council of Teachers of English, he regularly meets with leaders across the state to promote literacy in Michigan.

Reviewers of his latest book, *Creating Confident Writers*, co-authored with Dr. Troy Hicks, say, "The authors provide a broad perspective on what it means to be a young writer and how to teach them."

MATHEMATICS

Title: TU-RIC TEAMS PD: Empowering STEM Exploration Through Math and Science in Learning Blade

Date: July 9, 2025

Time: 8:30 AM—3:30 PM

PowerSchool PD- Course: 329727

Section: 527244

Grade Levels: 6-12

Audience: 6-12 Science, Math, and Computer Science Teachers

Location: Troy University Dothan Campus, Malone Hall, Room 106, 500 University Drive, Dothan, AL

Description: Learning Blade provides middle and high schools with online interactive lessons and activities designed to boost interest in high-demand careers such as computer science, STEM, and CTE. It is a free STEM/Computer Science/CTE career awareness toolbox that allows students to learn about 100 careers and technologies through lessons that are aligned to Alabama state standards. This PD will help teachers learn how to get their classes enrolled, assignments made, and best practices of how to implement learning into their classes. Teachers will have the opportunity to engage with hands-on activities, along with diving into some AI resources.

Consultant: Dr. Charisse Snell, Alabama Technology in Motion Specialist, Troy University, Troy, AL

Title: TU-RIC Fraction Action: From Screener to Strategy

Date: July 8 & 9, 2025

Time: 9:00 AM—3:30 PM

PowerSchool PD- Course: 330368

Section: 5294097

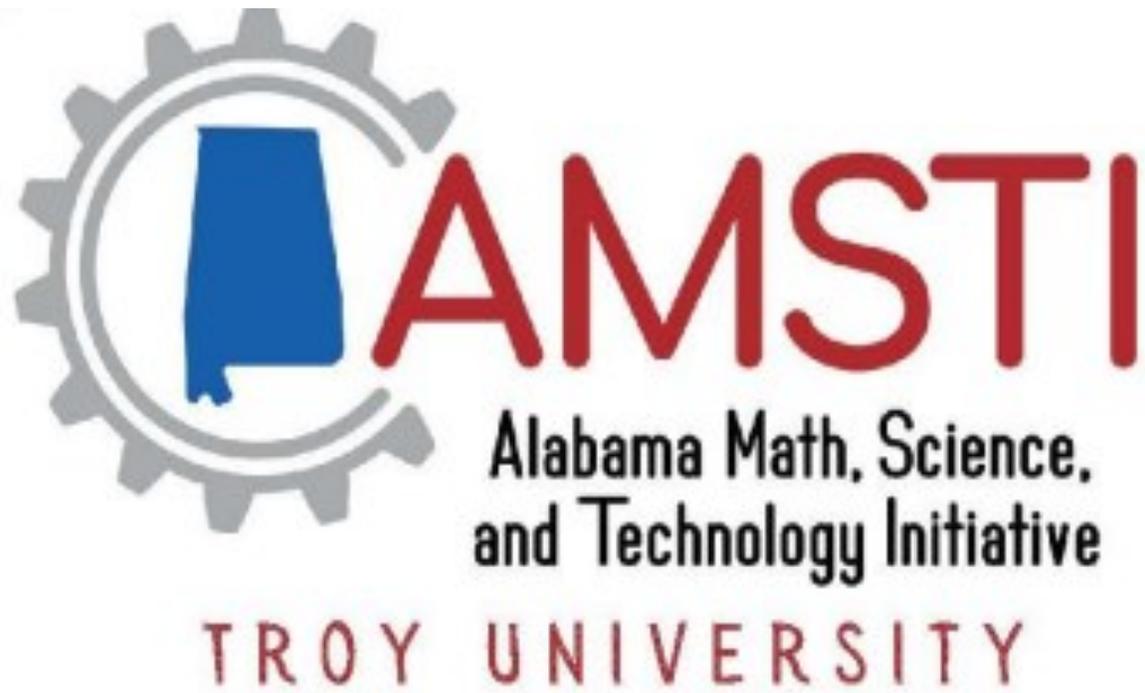

Grade Levels: 3-5

Audience: Teachers Grades 3—5

Location: TROY University Extended Learning Center, Room 127, 1101 S. Brundidge St., Troy, AL

Description: Designed for 3rd-5th grade teachers and administrators, this two-day professional development course provides the conceptual understanding and practical skills needed to effectively administer and interpret the **Forefront Fractional Reasoning Screener**. Participants will deepen their knowledge of key fraction concepts assessed in the screener, including fraction equivalence, comparison, and operations. Additionally, they will learn research-based strategies for analyzing student responses and identifying common misconceptions. Through hands-on practice and analysis, participants will learn to administer the screener, interpret the results, and design targeted instruction based on student learning needs

**Title: TU-RIC PLUACLD1185 Beyond Human, Minds and Machines:
Exploring Artificial Intelligence (APLDS Approved)**

Date: June 4, 5, & 6, 2025

Time: 9:00 AM-1:00 PM

PowerSchool PD- Course: 310965

Section: 527226

Grade Levels: K-12

Audience: Administrators K—12

Location: Troy University Extended Learning Center, Room 149, 1101 S. Brundidge St., Troy, AL

Description: Artificial Intelligence (AI) is transforming the world as we know it, leading to countless innovations and advancements across various fields. This technology has immense potential, and when used effectively, it can change the way we work, learn, and live. Artificial Intelligence is a branch of computer science that involves the development of intelligent machines that can work and learn like human beings. AI utilizes advanced algorithms and technologies such as machine learning, natural language processing, and computer vision to simulate human-like behavior. In this PLU we will explore and discover the positive and negative impacts of AI and how we can use it to transform education.

Consultant: Dr. Charisse Snell, Alabama Technology in Motion Specialist, Troy University, Troy, AL

Title: TU-RIC PowerSchool Special Programs for Novice Coordinators

Date: July 8, 2025

Time: 9:00 AM-11:00 AM

PowerSchool PD- Course: 330496

Section: 529186

Grade Levels: K-12

Audience: PowerSchool Coordinators

Location: Virtual -Participants will receive Zoom link upon registration in PowerSchool.

Description: This session is designed for novice coordinators looking to build a solid foundation in PowerSchool Special Programs. Learn best practices for managing student profiles, handling documents, generating reports, and security settings. An ALSDE PowerSchool Special Programs Coach will guide you through essential features, providing practical tips to streamline your workflow and enhance your program management. Gain confidence in navigating PowerSchool Special Programs and improve your ability to support student success and compliance within your school or district.

Consultant: PowerSchool/Schoology Coach, Alabama State Department of Education

Title: TU-RIC PSSP 101: Navigating the Basics with Confidence

Date: July 8, 2025

Time: 12:30 PM-2:30 PM

PowerSchool PD- Course: 330496

Section: 529188

Grade Levels: K-12

Audience: Teachers K—12

Location: Virtual -Participants will receive Zoom link upon registration in PowerSchool.

Description: This comprehensive training session is designed to introduce new teachers to the features and functionalities of PowerSchool Special Programs. Participants will gain valuable knowledge on navigating the platform and creating documents such as IEPs, the Notice and Eligibility Decision Regarding Special Education Services and the Student Transfer Review, and others.

By the end of the session, new teachers will feel confident in using PowerSchool to support their students' unique needs, streamline documentation, and manage compliance. Whether participants are new to PowerSchool or just looking to deepen their understanding of its special education features, this training will provide the tools needed for success.

Consultant: PowerSchool/Schoology Coach, Alabama State Department of Education

READING

Title: TU-RIC Help! I'm an Elementary Principal/Assistant Principal. What do I need to know about the Alabama Literacy Act? (Face-to-Face)

Date: July 24, 2025

Time: 9:00 AM—10:30 AM

PowerSchool PD- Course: 329147

Section: 527609

Grade Levels: K-4

Audience: Elementary Principals & Assistant Principals

Location: Butler County Board of Education, 211 School Highlands Road, Greenville, AL

Description: There are facets of the Alabama Literacy Act that must be put into place to support students in achieving reading proficiency. This includes students who have been retained in third grade and those who have been promoted to fourth grade utilizing a good cause exemption. This session will highlight the steps necessary to build structures at the local level. These structures support full implementation of instruction, based in the science of reading and lead to increased efficacy among teachers. Participants will engage with peers regarding structures that are working to improve literacy outcomes for Alabama students.

Consultants: Cody Carnley, Regional Literacy Leadership Specialist, & Tammie Sullivan, Regional Literacy Specialist, Alabama Reading Initiative, Alabama State Department of Education

READING

Title: TU-RIC Walking the High Road: Steps to Inspired and Desired Leadership (Face-to-Face)

Date: July 24, 2025

Time: 11:00 AM—12:00 PM

PowerSchool PD- Course: 329045

Section: 527

Grade Levels: K—4

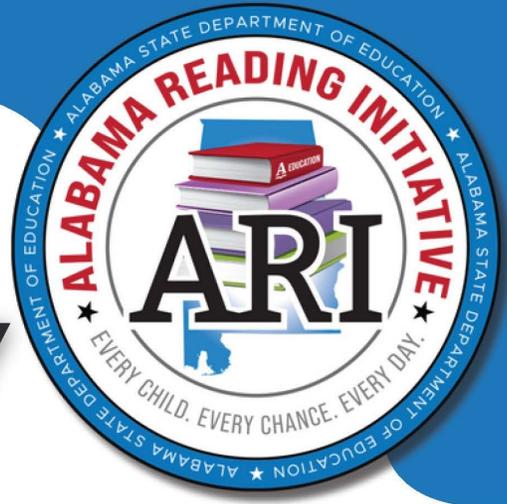

Audience: Central Office Leaders, Elementary Principals and Assistant Principals

Location: Butler County Board of Education, 211 School Highlands Road, Greenville, AL

Description: Are you ready to take your school leadership journey to the next level? Join us as we explore John Maxwell's transformative principles of High Road Leadership. Together, we'll uncover a roadmap that emphasizes leading with integrity, intention, and influence. You'll discover how to embrace the high road in leadership, creating a positive impact on others, while achieving remarkable results. If you're eager to lead in a way that is both inspiring and fulfilling, this session will provide you with actionable steps to elevate your leadership journey. Don't miss this opportunity to embark on the path to high road leadership!

Family & COMMUNITY YouTube Series

Phonemic Awareness Family Video

This video shares fun, easy ways to help your student identify and manipulate sounds, building a foundation for strong reading and spelling skills.

Phonics Family Video

In this video, learn about multisensory strategies to help students build letter-sound knowledge and strengthen phonics skills.

Fluency Family Video

This video models simple, fun strategies for fluency practice at home, helping learners improve fluency skills need for comprehension.

Vocabulary Family Video

In this video, learn vocabulary-building tips using conversation, read-alouds, movement, and morphemes to strengthen students' expressive and receptive language.

Comprehension Family Video

This video models tips to improve text comprehension, including conversations, monitoring, questioning, and using background knowledge for understanding.

Title: TU-RIC Dyslexia Awareness Training- Dyslexia: An Overview

Date: July 24, 2025

Time: 9:00 AM—12:00 PM

PowerSchool PD- Course: 278484

Section: 527720

Grade Levels: K-12

Audience: K-12 General Education Teachers, SPED Teachers, EL Teachers, Administrators, Local Reading Specialists, Interventionists

Location: Coffee County BOE Auditorium, 400 Reddoch Hill Road, Elba, AL 36323

Description: This session is designed to increase awareness of the difficulties and frustrations that people with dyslexia, as well as those with the characteristics of dyslexia, encounter daily. We hope this experience will provide insight into working more effectively with these students and lead to greater empathy and understanding.

Consultants: Kristi Lewis, Regional Literacy Specialist, & Dr. Laura Leigh Rambach, Regional Literacy Leadership Specialist, Alabama Reading Initiative, Alabama State Department of Education

Title: TU-RIC Amazing Alphabet Arcs (Face-to-Face)

Date: July 24, 2025

Time: 1:00 PM—2:30 PM

PowerSchool PD- Course: 329048

Section: 527733

Grade Levels: K-5

Audience: K-5 General Education Teachers, SPED Teachers, EL Teachers, Interventionists

Location: Coffee County BOE Auditorium, 400 Reddoch Hill Road, Elba, AL 36323

Description: Participants will gain a deeper understanding of alphabet tasks that can be achieved through the use of alphabet arcs. We will explore a continuum of concepts ranging from letter recognition to alphabetizing. Participants will exercise multisensory arc routines that support the AL 2021 ELA COS and the Alabama Dyslexia Resource Guide. Participants will be able to describe the role the alphabet arc routines play in the connection of letter knowledge to reading and spelling.

Consultants: Andrea Forehand & Yolanda Coleman Regional Literacy Specialist, Alabama Reading Initiative, Alabama State Department of Education

READING

Title: TU– RIC Grammar Skills, Literacy Thrills: Embedding Grammar Strategies to Build Confident Readers and Writers (Face-to-Face)

Date: July 21, 2025

Time: 9:00 AM—10:30 AM

PowerSchool PD- Course: 329046

Section: 527739

Grade Levels: K-5

Audience: K-5 General Education Teachers, SPED Teachers, EL Teachers, Interventionists

Location: Conecuh County Board of Education, 1455 Ted Bates Road, Evergreen, AL

Description: How were you taught grammar? As a teacher, how do you teach grammar to your students? Our students need to understand and apply grammar concepts that last forever. Research says that when we embed grammar instruction into reading and writing, the connection is stronger. In this session we will introduce evidence-based strategies to teach grammar in context, fostering stronger connections between reading, writing, and grammar.

Consultants: Ginger Henderson & Tammie Sullivan Regional Literacy Specialist, Alabama Reading Initiative, Alabama State Department of Education

Title: TU-RIC Reading and Rereading: A Recipe for Building Fluency (Face-to-Face)

Date: July 21, 2025

Time: 10:45 AM—12:15 PM

PowerSchool PD- Course: 329047

Section: 527741

Grade Levels: K-5

Audience: K-5 General Education Teachers, SPED Teachers, EL Teachers, Interventionists

Location: Conecuh County Board of Education, 1455 Ted Bates Road, Evergreen, AL

Description: Looking for just the right ingredients to add flavor and spice to your fluency instruction? Well, you too can be a master chef! Join us for an engaging session that will stimulate your literacy taste buds. We will explore the ingredients that make up effective reading instruction and how the process of reading and rereading can serve as a powerful tool to build fluency in young readers. Just like a recipe, mastering reading fluency requires the right components and techniques to yield the best results. Don't miss your chance to partake in the perfect literacy recipe for mastering reading fluency.

Safe & Civil Schools

Title: TU-RIC Safe & Civil Schools

Date: July 22, 2025

Time: 9:00 AM - 12:00 PM

PowerSchool PD- Course: 329944

Section: 527815

Grade Levels: K-12

Audience: K-12 Educators

Location: Troy University Extended Learning Center, Room 117, 1101 S. Brundidge St., Troy, AL

Description: Topics include: **The New School Security Act**, understanding the updated regulations and Guidelines to improve security on school grounds and **School Safety Law**, learn about the legal framework designed to ensure safer learning environments and how it impacts your school.

Consultant: Dr. Johnny Whaley, Educator Administrator, Office of School Facilities and Safety
Alabama State Department of Education

Title: TU-RIC TEAMS PD: Empowering STEM Exploration Through Math and Science in Learning Blade

Date: July 9, 2025

Time: 8:30 AM—3:30 PM

PowerSchool PD- Course: 329727

Section: 527244

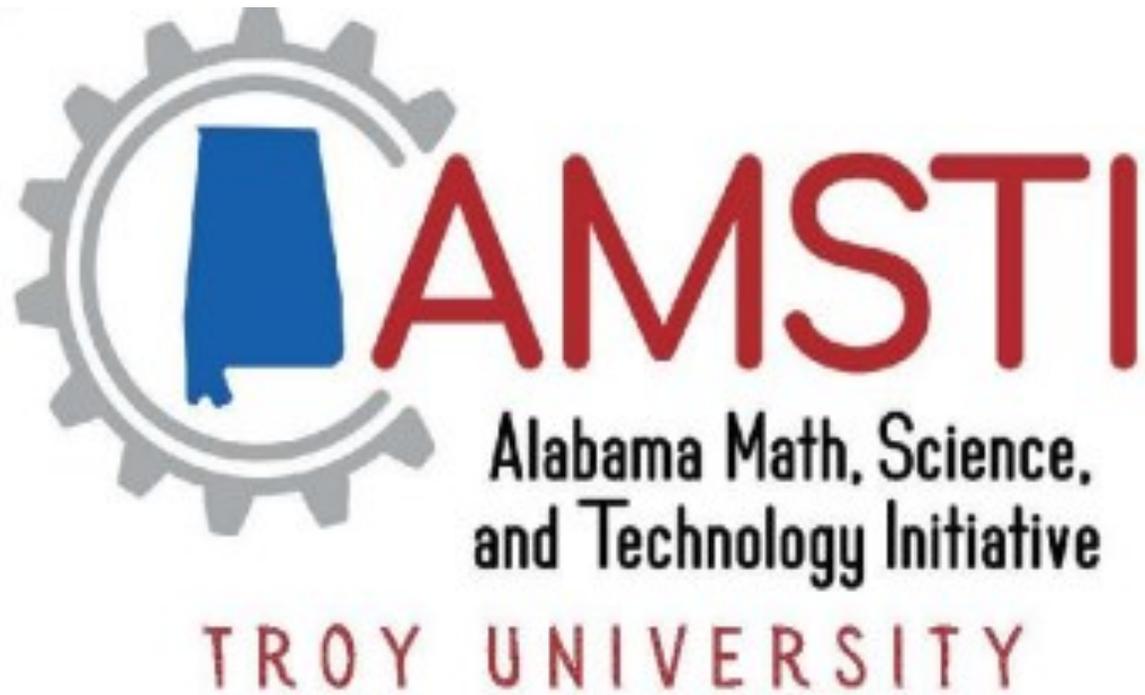

Grade Levels: 6-12

Audience: 6-12 Science, Math, and Computer Science Teachers

Location: Troy University Dothan Campus, Malone Hall, Room 106, 500 University Drive, Dothan, AL

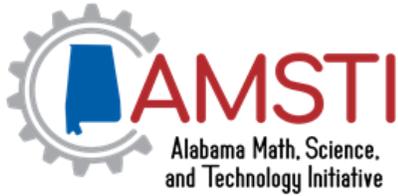

Description: Learning Blade provides middle and high schools with online interactive lessons and activities designed to boost interest in high-demand careers such as computer science, STEM, and CTE. It is a free STEM/Computer Science/CTE career awareness toolbox that allows students to learn about 100 careers and technologies through lessons that are aligned to Alabama state standards. This PD will help teachers learn how to get their classes enrolled, assignments made, and best practices of how to implement learning into their classes. Teachers will have the opportunity to engage with hands-on activities, along with diving into some AI resources.

Consultant: Dr. Charisse Snell, Alabama Technology in Motion Specialist, Troy University, Troy, AL

Title: TU-RIC Exploring the New Social Studies Course of Study (K-6)

Date: June 30, 2025

Time: 8:30 AM-11:30 AM

PowerSchool PD- Course: 329849

Section: 527628

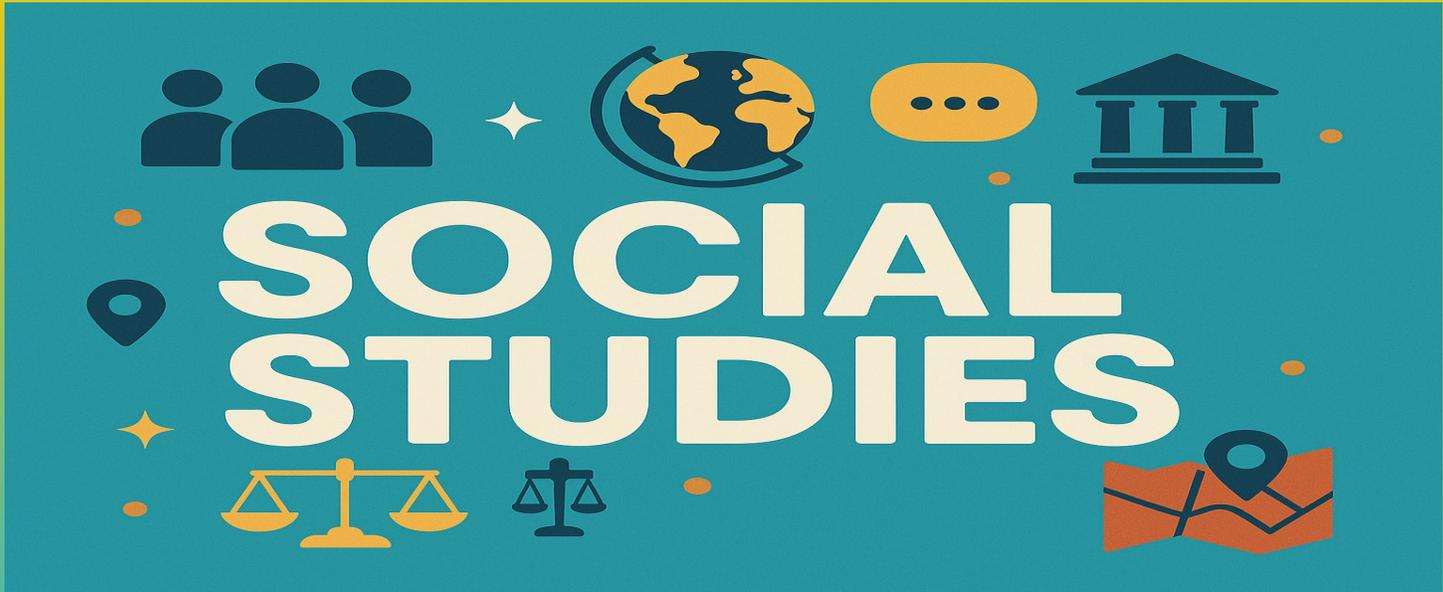

Grade Levels: K-6

Audience: General Ed. Teachers, SPED Teachers, EL Teachers, Administrators, Interventionists

Location: TROY University Extended Learning Center, Room 117, 1101 S. Brundidge St., Troy, AL

Description: Discover the new social studies standards and vision for Kindergarten through Grade 6 as put forth in the 2024 Alabama Course of Study: Social Studies. Participants will explore key updates, pedagogical shifts, and interdisciplinary strategies that align with the revised standards. The course will highlight practical applications, including curriculum planning, assessment design, and resource utilization tailored to the new standards.

Consultant: Dr. Blake Busbin, Social Studies Education Specialist, Course of Study Administrator, Instructional Services, Alabama State Department of Education

Title: TU-RIC Exploring the New Social Studies Course of Study (7-12)

Date: June 30, 2025

Time: 12:30 PM-3:30 PM

PowerSchool PD- Course: 329849

Section: 527633

Grade Levels: 7-12

Audience: General Ed. Teachers, SPED Teachers, EL Teachers, Administrators, Interventionists

Location: TROY University Extended Learning Center, Room 117, 1101 S. Brundidge St., Troy, AL

Description: Discover the new social studies standards and vision for Grade 7 through Grade 12 as put forth in the 2024 Alabama Course of Study: Social Studies. Participants will explore key updates, pedagogical shifts, and interdisciplinary strategies that align with the revised standards. The course will highlight practical applications, including curriculum planning, assessment design, and resource utilization tailored to the new standards.

Consultant: Dr. Blake Busbin, Social Studies Education Specialist, Course of Study Administrator, Instructional Services, Alabama State Department of Education

TECHNOLOGY

Title: TU-RIC Enhancing Education with MagicSchool AI

Date: June 10, 2025

Time: 9:00 AM—12:00 PM

PowerSchool PD- Course: 329796

Section: 527517

Grade Levels: 6- 12

Audience: General Ed. Teachers, SPED Teachers, EL Teachers

Location: Troy University Dothan Campus, Malone Hall, Room 106, 500 Univ. Drive, Dothan, AL

Description: Discover the transformative power of artificial intelligence in education with MagicSchool AI. This session will explore innovative ways to integrate AI tools into the classroom, enhancing both teaching and learning experiences. Participants will gain insights into how MagicSchool AI can personalize learning, automate administrative tasks, and provide real-time feedback, making education more efficient and engaging. Join me to learn how to harness the potential of AI to create a dynamic and interactive educational environment.

Consultants: Dr. Charisse Snell, Alabama Technology in Motion Specialist, Troy University, Troy, AL

Title: TU-RIC Empowering Elementary Teachers: Integrating AI Tools for Teaching All Subjects

Date: July 8, 2025

Time: 8:30 AM—2:30 PM

PowerSchool PD- Course: 329810

Section: 527532

Grade Levels: K-6

Audience: General Ed. Teachers, SPED Teachers, EL Teachers

Location: Troy University Dothan Campus, Malone Hall, Room 106, 500 Univ. Drive, Dothan, AL

Description: This session is designed to provide elementary educators with practical strategies for incorporating artificial intelligence (AI) into their teaching practices. Participants will explore how AI can enhance learning experiences across Math, Science, Social Studies, and English Language Arts. Through hands-on activities and collaborative discussions, educators will gain valuable insights into leveraging AI to personalize instruction and foster critical thinking skills in their students.

Consultants: Dr. Charisse Snell, Alabama Technology in Motion Specialist, Troy University, Troy, AL

TECHNOLOGY

Title: TU-RIC Ethical Considerations of AI: A Guide for Elementary Teachers

Date: July 10, 2025

Time: 9:00 AM—1:00 PM

PowerSchool PD- Course: 329795

Section: 527516

Grade Levels: K– 6

Audience: General Ed. Teachers, SPED Teachers, EL Teachers

Location: Troy University Dothan Campus, Malone Hall, Room 106, 500 Univ. Drive, Dothan, AL

Description: As artificial intelligence becomes increasingly integrated into education, it's essential for educators to understand the ethical implications. This session will provide elementary teachers with a comprehensive guide to navigating the ethical landscape of AI in the classroom. Participants will explore topics such as data privacy, bias in AI algorithms, and the responsible use of AI tools. Through discussions and practical examples, teachers will learn how to foster a safe and ethical learning environment for their students. Join me to ensure that AI is used responsibly and ethically in your teaching practices.

Consultants: Dr. Charisse Snell, Alabama Technology in Motion Specialist, Troy University, Troy, AL

Title: TU-RIC Integrating Coding into Elementary Math: A Hands-On Approach

Date: June 12, 2025

Time: 8:30 AM—2:30 PM

PowerSchool PD- Course: 329813

Section: 527535

Grade Levels: K-6

Audience: General Ed. Teachers, SPED Teachers, EL Teachers

Location: Troy University Dothan Campus, Malone Hall, Room 106, 500 Univ. Drive, Dothan, AL

Description: Unlock the potential of coding to enhance elementary math education with this interactive session. Designed for educators, this workshop will demonstrate practical strategies for incorporating coding activities into math lessons. Participants will engage in hands-on exercises that illustrate how coding can reinforce mathematical concepts, foster problem-solving skills, and make learning math more engaging and fun for young students. Join me to discover innovative ways to blend coding and math, and leave with ready-to-use activities that you can implement in your classroom.

Consultants: Dr. Charisse Snell, Alabama Technology in Motion Specialist, Troy University, Troy, AL

TECHNOLOGY

Title: TU-RIC Building Computational Thinking Skills in K-3 Science: A Hands-On Approach

Date: July 15, 2025

Time: 9:00 AM—1:00 PM

PowerSchool PD- Course: 329825

Section: 527536

Grade Levels: K– 3

Audience: General Ed. Teachers, SPED Teachers, EL Teachers

Location: Troy University Dothan Campus, Malone Hall, Room 106, 500 Univ. Drive, Dothan, AL

Description: Empower young learners with essential computational thinking skills through engaging science activities. This hands-on session is designed for K-3 educators looking to integrate computational thinking into their science curriculum. Participants will explore practical methods to teach problem-solving, pattern recognition, and logical reasoning using age-appropriate science experiments and projects. By the end of the workshop, teachers will have a toolkit of activities that make learning science interactive and fun, while laying the foundation for computational thinking. Join me to inspire curiosity and critical thinking in your students through innovative science education.

Consultants: Dr. Charisse Snell, Alabama Technology in Motion Specialist, Troy University, Troy, AL

Title: TU-RIC Computational Thinking in the Pre-K Classroom

Date: July 17, 2025

Time: 9:00 AM—1:00 PM

PowerSchool PD- Course: 329816

Section: 527539

Grade Levels: Pre-K

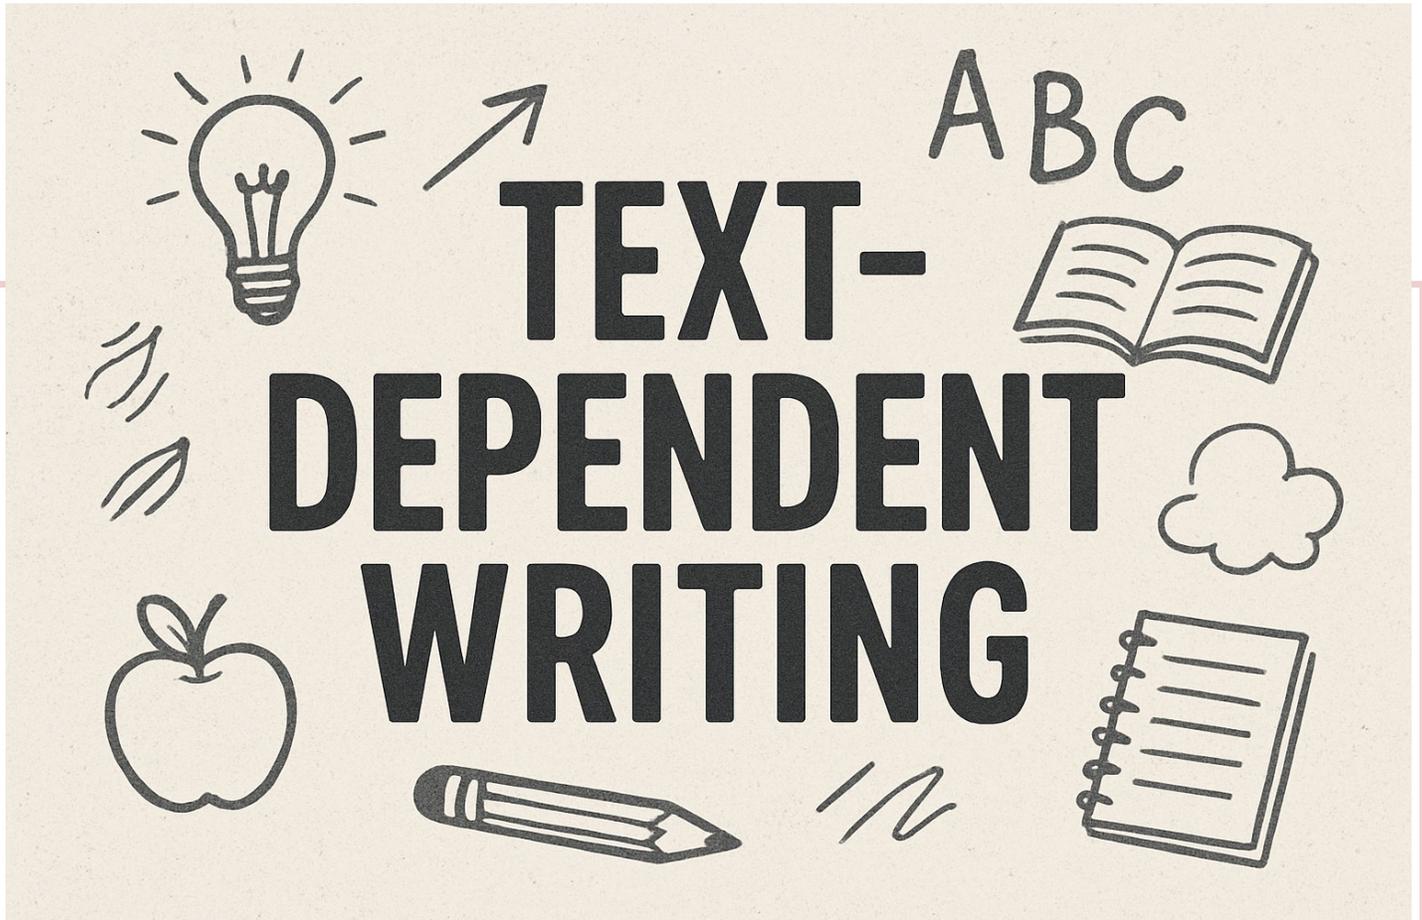

Audience: General Ed. Teachers, SPED Teachers, EL Teachers

Location: Troy University Dothan Campus, Malone Hall, Room 106, 500 Univ. Drive, Dothan, AL

Description: Join me for an engaging and interactive session designed to empower Pre-K teachers with the tools and knowledge to integrate computational thinking skills into their classrooms.

“Computational Thinking in the Pre-K Classroom” will introduce you to the fundamental concepts of computational thinking and provide practical strategies for teaching these skills to young learners.

Consultants: Dr. Charisse Snell, Alabama Technology in Motion Specialist, Troy University, Troy, AL

Title: TU RIC Text -Dependent Writing Strategies

Date: July 18, 2025

Time: 9:00 AM - 12:30 PM

PowerSchool PD Course: 330233

Section: 528496

Grade Levels: K-12

Audience: K-12 Teachers & Instructional Leaders

Location: TROY University Extended Learning Center, Room 117, 11010 S. Brundidge Street, Troy, AL

Description: Learn to implement text-dependent writing into your lessons by using different strategies that engage and meet the needs of all students.

Consultant: Margaret Folmar, Wiregrass Writing Project Teacher Consultant, Troy University, Troy, AL

TIER 2 INSTRUCTION

Title: TU RIC Tier 2 Instruction in the Secondary Classroom

Date: July 30, 2025

Time: 9:00 AM - 2:00 PM

PowerSchool PD Course: 330683

Section: 529640

Grade Levels: 6-12

Audience: 6-12 Teachers & Instructional Leaders

Location: TROY University Dothan Campus, Malone Hall, Harrison Room, 500 Univ Dr., Dothan, AL

Description: Tier 2 Instruction is a targeted support model designed to meet the needs of students who require additional academic intervention beyond core instruction. This interactive professional development workshop is designed to deepen educators' understanding of Tier 2 instruction within a secondary classroom setting. Participants will explore practical strategies for identifying students in need of targeted intervention, designing responsive small-group instruction, and integrating Tier 2 supports.

Consultant: Dr. Robin Bynum, Executive Director of Educational Outreach, College of Education, Troy University, Troy, AL

Title: TU-RIC Youth Mental Health First Aid

Date: July 31, 2025

Time: 8:30 AM—4:00 PM

PowerSchool PD- Course: 330324

Section: 528654

Grade Levels: 6-12

Audience: 6-12 Teachers, 6-12 Instructional Leaders

Location: Troy University Dothan Campus 500 University Drive, Dothan, AL Malone Hall, Harrison Room

Description: Youth Mental Health First Aid is a skills-based training that teaches parents, family members, caregivers, teachers, school staff, peers, neighbors and health and human services workers and any other citizen how to identify, understand and respond to an adolescent (ages 12-18) who may be experiencing a mental health or substance use challenge.

Consultants: Tracey Goreed, Education Specialist, Instructional Services, Alabama State Department of Education

Invitational Summer Institute

Who should attend:

- educators across all disciplines K-16
- instructional coaches
- administrators.

Registration QR Code

The Wiregrass Writing Project (WWP) provides professional development, develops resources, generates research, and acts on knowledge to improve the teaching of writing and learning in schools and communities. We believe that teachers are key to helping other teachers; therefore, we believe strongly in the concept of teachers teaching teachers. During our Invitational Summer Institute, participants focus on the following activities:

- writing and responding to a variety of genres
- developing and presenting successful writing lessons to use in their classrooms
- studying the best practices and theories in the teaching of writing
- reading and responding to research on the teaching of writing
- developing professional development activities to present in area schools
- and collecting resources to share with local schools/districts.

2025 Institute Schedule:

- May 9-10, 2025 – Face-to-Face, 9:00 AM - 3:00 PM, Troy University, Dothan Campus, Dothan, AL
- June 3-5, 2025 – Virtual, 2:00 PM – 5:00 PM
- June 10-12, 2025 – Virtual, 2:00 PM – 5:00 PM
- June 24-26, 2025 – Virtual, 2:00 PM – 5:00 PM

June 6, 13, and 27, 2025, will be face-to-face and held on the Troy University Troy Campus, Troy, AL, from 8:30 AM to 3:30 PM.

All educators across the disciplines, K-16, are eligible to attend the 20-day Summer Institute and may register and pay college credit (EDU 6672) or receive professional development contact hours.

Each individual will receive a \$400 stipend for his/her participation in the 20-day Summer Institute. Enrollment is limited to 10 participants.

To receive additional information or to apply to participate in this professional development opportunity, complete the online interest form at <http://c1.livetext.com/misk5/formz/public/106089/nrKhmpZVNj>

POWERSCHOOL REGISTRATION PROCEDURES

You must register through PowerSchool for the summer workshops.

1. Go to: <https://alsde.truenorthlogic.com/ia/empari/login/index>
2. Log in by entering your Username and Password.
3. Click on **Course** tab located at top of page.
4. Enter the Course Title or Course number in the “Course Search” box.
5. Scroll down to find the desired course and click **Register**.

As part of the registration process for virtual workshops, once you have registered in PowerSchool you must also register to gain admittance to the online classroom for your course. To register, click the link that follows the message “register in advance for this meeting.” After registering, you will receive a confirmation email containing information about joining the meeting.

For assistance, please call us at 334-670-3495.
