YOUR EMPLOYEE HANDBOOK

This Employee Handbook has been prepared to outline the consistent personnel policies of EPIC. Maintaining this handbook is an on-going process that may require frequent updating. Employees will be notified whenever revisions are made to the handbook. Specifically, the purposes of the handbook follow:

- Provide employees with information concerning their benefits, rights, and responsibilities
- Establish guidelines/procedures for day-to-day administration of personnel matters
- Ensure fairness and consistency in personnel making
- Ensure that EPIC recruits, selects, and retains the best personnel, i.e., those with high capabilities and a commitment to the mission and goals of the Eastern Panhandle Instructional Cooperative
- Provide a climate and culture of high expectations which fosters optimal staff performance and high morale
- Meet both EPIC and employee needs in providing leadership and service for high quality educational programming in West Virginia

This Employee Handbook is not intended as a detailed statement of all applicable personnel statutes, regulations, and policies. Employees may request further information from their immediate supervisor, the EPIC Human Resources Director, or the EPIC Administrator when questions arise, and more specific information is desired. In the case of any inconsistency between the content of this handbook and applicable statutes, regulations, or policies, the latter shall prevail.

This handbook does not constitute a contract for employment. The employment relationship of each employee of the Eastern Panhandle Instructional Cooperative (EPIC) is “at-will.” “At-will” means that it is for no definite period and is terminable at any time at the will of the EPIC Administrator through his/her own act, or at the recommendation of the EPIC Regional Council or program grantor if applicable, with or without notice, cause, or compensation.

References throughout this handbook to the “EPIC Fiscal Agent” or “Fiscal Agent” should be interpreted at all times as the Berkeley County Board of Education; references to “Council” or “Regional Council” should be interpreted as the Eastern Panhandle Instructional Cooperative Regional Council; and any references to “EPIC” should be interpreted as the Eastern Panhandle Instructional Cooperative.

The Eastern Panhandle Instructional Cooperative strives to provide an inclusive workplace and does not discriminate on the basis of gender, gender identity, race, color, religion, national origin, ancestry, age, disability, or any other legally protected classification in its programs, activities, or employment practices.

Eastern Panhandle Instructional Cooperative (EPIC) Policies and Procedures

I. Employment

Employment Relationship

EPIC employees are non-contractual at-will employees. At-will employees are subject to termination at any time, with or without notice, cause, or compensation. The employment relationship between EPIC and the employee may be terminated by either party. Reasons for termination by EPIC include, but are not limited to, immorality, incompetency, cruelty, insubordination, intemperance, willful neglect of duty, unsatisfactory performance, the conviction of a felony or a guilty plea of nolo contendere (do not wish to contend) to a felony charge, misuse of funds or property, violations of law or EPIC policies, lack of need, or a loss of funding.

Employees are urged to bring any concerns about working conditions, staffing issues, or otherwise to their direct supervisors. EPIC employees may also bring concerns to the attention of the EPIC Human Resources Director or the EPIC Administrator.

Equal Employment Opportunity

EPIC is an Equal Opportunity Employer. EPIC does not discriminate on the basis of race, religion, color, sex, gender identity, sexual orientation, age, non-disqualifying physical or mental disability, national origin, veteran status, or any other basis covered by appropriate law. All employment is decided based on qualifications, merit, and business need.

Accommodating Employees with Disabilities

EPIC will make reasonable accommodation(s) to the known physical or mental impairment(s) of a qualified individual with a disability, when necessary, to enable the qualified individual with a disability to perform the essential functions of the job. An individual with a disability has the responsibility to request an accommodation. Information concerning reasonable accommodations for disabilities may be obtained at <http://www.ada.gov/>.

Harassment

Employees shall conduct themselves in a professional and collegial manner. EPIC strictly prohibits racial, sexual, and religious/ethnic harassment and violence. Any EPIC employee may report such behavior directly to the EPIC Human Resources Director, the EPIC Administrator, the EPIC Regional Council President, the West Virginia Human Rights Commission, or to a law enforcement agency.

EPIC will not tolerate any form of discrimination or harassment that creates an intimidating, hostile, or offensive work environment, nor any act done to cause fear of bodily harm in another. If you believe you have been subjected to discrimination or harassment on the job, you have the right to file a complaint with the EPIC Human Resources Department, the West Virginia Human Rights Commission, and/or the Equal Employment Opportunity Office.

Business Ethics and Conduct

EPIC will comply with all applicable laws and regulations and expects its directors, officers, and employees to conduct business in accordance with the letter, spirit, and intent of all relevant laws and to refrain from any illegal, dishonest, or unethical conduct. All EPIC employees are expected to adhere to the requirements of the West Virginia Governmental Ethics Act, which can be found at the following website: <http://www.ethics.wv.gov/ethicsact/Pages/Overview.aspx>.

Employees and elected officials are expected to take every reasonable step to differentiate between their activities as individuals and their official positions as employees or elected officials. No person shall, in any room or school building, solicit in any manner any contribution for any party or political purpose from any employee. No officer or employee of EPIC who has charge or control of any school building, office, or room shall allow any person to enter the same to solicit or receive any political assessments from or to any EPIC employee.

Employee Physical Examinations

To ensure that employees are qualified to perform the essential functions of the position offered, physical examinations may be required for certain positions in certain EPIC programs.

After an offer has been made to an applicant, a physical examination may be performed at EPIC or the program's expense by a health professional of EPIC's choice. If a physical exam is required, the offer of employment is contingent upon successful passage of the exam evidencing the candidate's ability to perform the essential functions of the job.

Non-Disclosure

The protection of confidential information is vital to the interests and the success of EPIC and those served by EPIC. Such confidential information includes, but is not limited to, the following examples:

- * proprietary information
- * school/school system information and data
- * student information and data
- * employee information and data
- * compensation data
- * computer processes
- * computer programs and codes
- * financial information
- * new materials research
- * pending projects and proposals
- * research and development strategies
- * technological data

EPIC requires employees to sign a non-disclosure agreement. [See Appendix 1.](#)

Employment Categories

EPIC categorizes employees in four categories. Job titles within these categories are subject to change at the discretion and approval of the EPIC Administrator or the EPIC Regional Council.

REGULAR FULL-TIME employees are those who are regularly scheduled to work EPIC's full-time schedule. Generally, they are eligible for EPIC's benefit package, subject to the terms, conditions, and limitations of each benefit program.

REGULAR PART-TIME employees are those who are regularly scheduled to work less than the full-time work schedule as described by specific job descriptions. Regular part-time employees are eligible for some benefits sponsored by EPIC, subject to the terms, conditions, and limitations of each benefit program.

PART-TIME HOURLY employees are those who are normally scheduled to work as needed as described by specific job descriptions. While they do receive all legally mandated benefits (such as Social Security and workers' compensation insurance), they are ineligible for all of EPIC's other benefit programs.

CONTRACTED SERVICE providers are those who are contracted to temporarily supplement the work force, or to assist in the completion of a specific project. Assignments in this category are of a limited duration and any alteration of the contract is contingent upon the mutual agreement of EPIC and the contractor. Contracted service providers are ineligible for any of EPIC's benefit programs.

Background Check

All newly hired EPIC employees are required to have a criminal background check. The fingerprinting for this background check will be completed through an entity selected by EPIC. The employee may be responsible for all costs associated with this requirement. [See Appendix 2.](#)

Tuberculin Test

Tuberculin skin tests may be required by some of the EPIC programs. If required, the test must be negative at the time of employment, as confirmed by the local health department or the employee's physician. Additional tests may be required by the Commissioner of the Bureau of Public Health if medically indicated. Positive reactors and people with a previous positive skin test must be referred to a physician for evaluation and treatment. Employees who evidence tuberculosis shall not be actively employed until the local health officer, in consultation with the Commissioner, approves a return to work.

Certification

Employees are responsible for maintaining appropriate certification to fulfill all position responsibilities. It is advisable to complete the required renewal credit at least one year prior to the year in which the certificate expires. Certification generally expires on June 30th of the designated year. [See Appendix 3](#) for educator responsibilities regarding maintaining certification. Additional questions regarding certification can be directed to the EPIC Human Resources Director or the West Virginia Department of Education's Office of Educator Effectiveness and Licensure. <http://wvde.state.wv.us/certification>

EPIC Education and Experience Verification

In order for an employee to be paid for his/her education, he/she must provide EPIC with verification including a copy of the high school diploma, GED or equivalent. Official college transcripts should be sent directly to the EPIC Human Resources Director via mail or e-transcript.

One year of experience for pay purposes may be credited for each year the employee has served with a local board of education, a state department of education, an institution of higher education, an education service agency and/or other experience related to the position deemed appropriate by the EPIC Administrator. In order for an employee to be paid for his/her prior years of related work experience, a Prior Experience Record must be completed, returned to EPIC, and processed by both Human Resources and Payroll. One year of service = at least 133 days of full-time work during a fiscal year. [See Appendix 4.](#)

II. Employment Process and Related Policies

Position Vacancy

Notices of all full-time and part-time job openings are posted/advertised in one or more of the following ways: at the EPIC job site and/or on the EPIC website; at local board of education offices and/or on their web sites; on social media; on Search Soft and/or in newspaper classified ads. Normally a posting will remain open for no less than five (5) working days. Employees and perspective employees should remember that a **Notice of Position Vacancy** does not necessarily address every task or duty that might be assigned, and that additional responsibilities may be assigned as necessary.

To apply for an open position, all applicants must follow the instructions on the **Notice of Position Vacancy**. [See Appendix 5](#) for EPIC hiring forms and [Appendix 6](#) for a copy of the EPIC employment application. Misrepresentation or falsification of any information required during the application and interview process may result in denial of employment. Employees who have a current written warning on file or a current written plan of improvement on file or are on probation/suspension are not eligible to apply for posted positions. An applicant's supervisor may be contacted to verify merits (including past performance), qualifications, abilities, and attendance. Any staffing limitations or other circumstance that might affect a prospective transfer may also be considered and discussed.

Upon the recommendation of the EPIC Administrator, the EPIC Regional Council will consider the approval of all regular full-time and regular part-time staff after verifying by a majority vote that such employment is necessary.

Outside Employment

Outside employment is not prohibited as long as it does not conflict with the employee's primary employment with EPIC. Any outside employment must not present a conflict of interest or prevent the employee from performing his or her assigned duties and must be during off duty hours. Employees may not hold any public office while employed by EPIC.

EPIC employees may not serve as a paid consultant/employee for county school districts outside their EPIC employment agreements. Employees who serve as consultants for other agencies or firms and receive compensation shall use Out of Calendar Leave (OCL) for the days involved. Employees shall also provide the EPIC Administrator advanced written notice of consultant agreements.

Employment of Family Members

Employment of immediate family members of EPIC personnel, particularly those at the supervisory level is discouraged. Employment may be permissible if the family members are assigned to separate divisions, or the member is not directly supervised by the other family member. This is at the discretion of the EPIC Administrator.

Personnel File

Necessary job-related and personal information about each employee is retained in the official personnel file maintained at EPIC. Contents may include basic employee identification, completed employment applications and other hiring related documents, position announcements, certification and training records, notices of salary adjustments, and performance evaluations.

[See Appendix 7](#) for a copy of the EPIC Personnel File Checklist. Personnel files of current and former employees are kept fifty (50) years.

It is essential that every employee assists in keeping his/her file current by providing certificates of completed education and training and other pertinent information when requested. Employees shall promptly notify their supervisors and the EPIC Administrator in writing of changes in address, telephone number, name, tax exemption, insurance beneficiary, number of dependents, certification status or other pertinent information. [See Appendix 8](#) for EPIC Change of Name, Phone Number or Address Forms.

EPIC Employee Personnel files may not be removed from EPIC outside the required release to Legal Counsel for discipline or litigation purposes.

No information in a personnel file will be disclosed to anyone outside the EPIC Regional Council or Legal Counsel without written consent from the employee or former employee specifically authorizing the release of the information unless required to do so by law. EPIC reserves the right, however, to verify basic information, such as employment status and job title, without notification to the individual involved, and to cooperate with law enforcement, public safety or medical officials who have a valid need to ascertain limited, specific information about an individual.

Performance Expectations & Employee Code of Conduct

EPIC requires that all employees shall:

- exhibit professional behavior by showing positive examples of preparedness, communication, fairness, punctuality, attendance, language, and appearance
- contribute, cooperate, and participate in creating an environment in which all are accepted
- contribute to a safe and healthy environment, free from harassment, intimidation, bullying, substance abuse, and/or violence and free from bias and discrimination
- contribute to a culture of caring through understanding and support
- demonstrate responsible citizenship by maintaining a high standard of conduct, self-control and moral/ethical behavior, and
- comply with all Federal and West Virginia laws, policies, regulations, and procedures

Performance Evaluations

Employees receive an annual written job performance evaluation by their supervisors. Evaluations are based upon annual goal(s) accomplishment(s) and assessment of performance. Supervisors shall review the completed evaluation form with the employee. The employee acknowledges the review by signing the evaluation form, even when in disagreement. An addendum may be attached to the evaluation. Signed evaluation forms must be submitted to the EPIC Human Resources Director by June 30 of each year.

If the employee's annual evaluation is unsatisfactory in any area, an improvement plan may be implemented; however, any time an employee's performance is unsatisfactory prior to the annual evaluation, an improvement plan may be implemented. The evaluation and improvement plan process shall not be construed as altering the at-will employment of EPIC employees.

[See Appendix 9](#) for a copy of the EPIC Evaluation Timeline/Guidelines and Form.

III. Work and Salary Schedules

Work Schedules/Workweek

EPIC employees will be advised of their work hours. Staffing needs and operational demands may necessitate variations in starting and ending times, variations in the total hours that may be scheduled each day and week, as well as which days it may be necessary to work during any specific week.

The EPIC workweek begins at 12:00 AM on Saturday and ends at midnight on the following Friday.

Salary Administration

Compensation for EPIC employees will be determined by the EPIC salary schedule including any appropriate supplements. EPIC periodically reviews its salary administration program and may restructure it as necessary. EPIC employees are urged to remember that wages, benefits, and other forms of compensation are determined by the EPIC Administrator and must be approved by the EPIC Regional Council. [See Appendix 10](#) for a copy of the current pay tables.

Timekeeping

Employees shall accurately monitor and report the time they work. All employees paid from more than one program budget must maintain records indicating the amount of time worked in each program.

Full-time employees paid on the EPIC Service scale are required to complete and submit a weekly record of hours worked for compliance with Fair Labor Standards Act and WV Minimum Wage Law. Employees are expected to work within the hours that are scheduled. Unless an employee is asked by the immediate supervisor to work additional hours above and beyond the regular schedule, it is not EPIC's policy to grant overtime. Employees who choose to work beyond the hours that are scheduled without prior authorization resulting in additional compensation will be reprimanded. First offense – verbal warning. Second offense – disciplinary letter in the employee personnel file. Third offense – could result in termination.

It is each employee's responsibility to certify the accuracy of all time recorded. The supervisor will review and then sign the time record before submitting it for payroll processing. In addition, if corrections or modifications are made to the time record, both the employee and the supervisor must verify the accuracy of the changes by initialing the time record. [See Appendix 10](#) for a copy of all time-keeping records used.

Paydays

All employees are paid, and checks are distributed in accordance with the procedures and schedules adopted by the EPIC Regional Council and/or in coordination with EPIC's fiscal agent. Each paycheck will include earnings for all work performed through the end of the previous payroll period. [See Appendix 11](#) for a copy of the current payday schedule.

Pay Deductions and Setoffs

The law requires that EPIC makes certain deductions from every employee's compensation. EPIC offers programs and benefits beyond those required by law, and eligible employees may voluntarily authorize deductions from their paychecks to cover the cost of participation in these programs. Pay setoffs are pay deductions taken by EPIC, usually to help pay off a debt or an obligation to EPIC or others.

Salary Increase Based on Additional Education

All requests for salary increases based upon additional education will require an official transcript from the accredited and approved college/university in which the additional education was earned. Course work must be related to the position that the employee holds with EPIC.

The process for applying for a salary increase for additional education varies based upon the employee's pay scale and position. Please [See Appendix 4](#) for guidelines and details. Contact the EPIC Human Resources Director with any questions.

IV. Employee Benefit Programs

Employee Benefits

Benefit eligibility is dependent upon a variety of factors, including employee classification, the specific program you work for and the benefit packages which may be available through the fiscal agent.

Some benefit programs require contributions from the employee. EPIC reserves the right to modify or eliminate any employee benefit(s) based upon the action of: 1) the West Virginia Legislature; 2) the EPIC Regional Council; and/or 3) EPIC's fiscal agent.

Holidays / Closings

Employees are granted paid time off in observance of approved holidays. A recognized holiday that falls on a Saturday will be observed on the preceding Friday. A recognized holiday that falls on a Sunday will be observed on the following Monday. If a recognized holiday falls during an eligible employee's paid absence (such as sick leave), holiday pay will be provided instead of the leave benefit that would otherwise have applied.

Additionally, the EPIC Regional Council may approve an EPIC calendar that includes days that the office is closed. If eligible employees are required to work or elect to work (with approval) on a recognized holiday or on a day that the EPIC office is closed, they may make arrangements with their immediate supervisor and/or the EPIC Administrator to "trade" the day. [See Appendix 12](#) for a copy of the approved EPIC holiday and closing schedule.

Early Release

Employees on approved leave that occurs on an unscheduled early release day are not entitled to the early release benefit.

Leave Expectations

It is the responsibility of each employee to monitor their accrued leave balances and report all absences to both the immediate supervisor and the EPIC Human Resources office. All absences should be reported using the appropriate leave form within 5 business days. It is the responsibility of the supervisor to monitor and verify forms submitted for employee absences. Abuse of leave benefits, including but not limited to failure to report all absences or exceeding accrued leave balances without preapproval, will lead to strict control, including but not limited to, being required to produce a physician's statement for all absences.

If an employee's attendance record suggests a problem, the immediate supervisor, EPIC Human Resources Director and/or the EPIC Administrator shall hold a conference with the employee to identify and resolve the problem. [See Appendix 13](#) for procedures for reporting leave, the EPIC Approved Leave Form, and the EPIC Fitness for Duty to Return to Work Certification form.

Sick Leave Benefits

An employee who is absent from assigned duties due to any cause authorized by EPIC shall be paid the full salary, based on the employee's regular daily rate of pay, but not to exceed the total amount of leave to which such employee is entitled. **EPIC allows full-time employees to use up to 5 sick days for personal reasons per fiscal year with approval.** Employees are not authorized to take unexcused dock days. An employee who is approved to take unpaid sick leave must provide a doctor's note for each absence.

In accordance with current West Virginia statute, unused sick leave benefits will be allowed to accumulate. Sick leave benefits are intended solely to provide income protection in the event of illness or injury and may not be transferred to another EPIC employee. Unused sick leave benefits will not be paid to employees while they are employed or upon termination of employment. If an employee resigns or leaves a position with EPIC for any reason, all accumulated leave shall be forfeited unless the employee transfers to another entity willing to accept the transfer of such leave. Likewise, EPIC may grant accumulated leave to new employees who have been actively employed by a county, regional, state, or other eligible agency before being employed by EPIC.

Requests for leave of more than 3 consecutive days for any reason must be approved by the program Coordinator or Director and reported to the EPIC Human Resources office as soon as possible. Additional paperwork may be needed to approve an extended absence.

An employee who uses all available and appropriate forms of leave and is not yet able to return to work must contact the EPIC Human Resources Director to determine if they may be placed on a leave of absence until able to return to work. Being placed on a leave of absence in no way guarantees the employee a position upon becoming able to return to work. When able to return to work, they may be placed in a job if one is available for which they are qualified. When an employee is placed on a leave of absence, his/her job becomes open to be filled permanently, and the employee no longer accrues benefits of any kind nor continues to draw pay.

Paid sick leave taken for three or more days without prior authorization will require a doctor's note upon return. [See Appendix 13](#) for EPIC leave procedures and the appropriate forms.

Out of Calendar Leave

Regular full-time EPIC employees who are hired to work a 220 or 240-day schedule are given Out of Calendar Leave (OCL) in lieu of Annual leave. OCL leave is provided to eligible employees at the start of the fiscal year and may be used for personal absences. The number of OCL days granted per eligible employee is based on the number of days worked and will be pro-rated for employees who are hired after the start of the fiscal year.

OCL leave is unpaid leave. If employment is terminated prior to the end of the fiscal year, the actual number of days worked will be used when calculating an employee's final check. If an employee's full OCL balance is not used by the end of the fiscal year, it cannot be carried over from one fiscal year to another and cannot be shared with other employees or converted to any other type of leave.

OCL leave must be reported and approved by the immediate supervisor like all other absences. Contact the EPIC Human Resources Office for Out of Calendar leave balances.

Bereavement Leave

Employees who wish to take time off due to the death of an immediate family member should notify their supervisor immediately. EPIC defines "immediate family" as the employee's spouse, parent, child, sibling; the employee's spouse's parent, child, or sibling; the employee's child's spouse; grandparents or grandchildren. Special consideration will also be given to any other person whose association with the employee was similar to any of the above relationships.

An employee may take up to 3 days of accrued paid leave for bereavement. An Approved Leave Form ([Appendix 13](#)) should be submitted.

Bereavement leave that exceeds three days must be approved by the program Coordinator or Director and the EPIC Administrator.

Jury Duty

A regular full-time employee shall be compensated for each day of jury service the difference between that allowed for such jury service, exclusive of travel allowance, and the employee's regular daily rate of pay. It shall be the responsibility of the employee to obtain a certificate from the clerk of the court where such jury service is rendered indicating the date(s) of service and the daily allowance. Jury duty pay will be calculated on the employee's regular daily rate of pay.

Employees must submit a copy of the jury duty summons to their supervisor immediately after it is received along with the appropriate leave form ([See Appendix 14](#)) so the necessary arrangements can be made to accommodate their absence. The supervisor will forward a copy of the paperwork to the EPIC Human Resources Office. The employee is expected to report for work whenever the court schedule permits.

Either EPIC or the employee may request an excuse from jury duty if, in EPIC's judgment, the employee's absence would create serious operational difficulties. EPIC will continue to provide all regular employee benefits for the full term of the jury duty absence.

Witness Duty

A regular full-time employee shall be excused from work on those days which he/she is absent in response to a subpoena which requires attendance as a witness in any court or administrative proceeding as a direct result of their employment at EPIC. The employee shall be compensated for each day of absence in connection with such a subpoena the difference between the witness fee allowed by the tribunal, exclusive of travel allowance, and the employee's regular daily rate of pay. It shall be the responsibility of the employee to obtain a certificate from the clerk of the court where such witness duty is rendered indicating the date(s) of the service and the daily allowance.

Employees who are absent because they are defendants in criminal proceedings or who are parties to proceedings unrelated to EPIC business shall not be compensated for the days they are absent unless they are eligible to take available personal leave.

Benefits Continuation (COBRA)

The federal Consolidated Omnibus Budget Reconciliation Act (COBRA) gives employees and their qualified beneficiaries the opportunity to continue health insurance coverage under EPIC's health plan when a "qualifying event" would normally result in the loss of eligibility. Some common qualifying events are resignation, termination of employment, or death of an employee; a reduction in an employee's hours or a leave of absence; an employee's divorce or legal separation; and a dependent child no longer meeting eligibility requirements.

Under COBRA, the employee or beneficiary pays the full cost of coverage at EPIC's group rates plus an administration fee.

Health Insurance

Through the West Virginia Public Employee Benefit Programs, EPIC provides health insurance benefits to regular full-time employees.

Eligible employees may participate in the health insurance plan subject to all terms and conditions of the agreement between EPIC and the insurance carrier. A change in employment classification that would result in loss of eligibility to participate in the health insurance plan may qualify an employee for benefits continuation under the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Life Insurance

Through the West Virginia Public Employee Benefit Programs, EPIC provides a basic life insurance plan for eligible regular full-time employees. Additional supplemental and/or dependent life insurance coverage may also be purchased.

Eligible employees may participate in the life insurance plan(s) subject to all terms and conditions of the agreement between EPIC and the insurance carrier. Contact the EPIC Human Resources office for more information about life insurance benefits.

Liability Insurance

The EPIC Regional Council and/or the EPIC Fiscal Agent may enter into a contract with a reputable private insurance firm or a state identified/appointed insurance firm or a state agency insurance provider for the purpose of purchasing liability insurance. The premium of the policy decided upon may be paid through EPIC funds.

Workers' Compensation Insurance / Work-related Injuries

EPIC provides a comprehensive workers' compensation insurance program at no cost to employees. This program covers any injury or illness sustained in the course of employment that requires medical, surgical, or hospital treatment.

Employees who sustain any work-related injuries or illnesses MUST inform their supervisor immediately. It is the responsibility of the supervisor to investigate a work-related injury and issue a report of the findings on the appropriate EPIC Employee Accident Report **within 24 hours** ([See Appendix 15.](#))

Neither EPIC nor the insurance carrier will be liable for the payment of workers' compensation benefits for injuries that occur during an employee's voluntary participation in any off-duty recreational, social, or athletic activity sponsored by EPIC.

All Accident / Incident Reports must be reported to the EPIC Human Resources Office **within 24 hours** of the time of the accident or incident, so the EPIC Human Resources Director may report it to the insurance company.

Employees who are off work for a work-related injury are required to submit an EPIC Fitness for Duty form ([See Appendix 13](#)) or the equivalent to the EPIC Human Resources Office before obtaining clearance to return to work.

All questions regarding work-related injuries and illnesses should be directed to the EPIC HR Director.

V. Administrative Procedures

Health and Safety

Employees are expected to follow safety instructions and to comply with procedures established to prevent accidents. An employee is responsible for immediately reporting health and safety concerns to his or her immediate supervisor. Supervisors are required to submit all employee, visitor, student, or property accident/incident reports to the EPIC Human Resources Director **within 24 hours**.

Inclement Weather

Employees in the EPIC Administrative Office will be notified if the EPIC office is closed due to inclement weather. See [Appendix 16](#) for guidelines for closings and delays.

Appearance

EPIC employees serve as role models for the education profession throughout the State of West Virginia. In addition, employees are responsible for representing EPIC in a professional manner regarding dress, grooming and conduct.

Employees are expected to use good judgment in determining appropriate attire. Clothing should be professional and reflect a high standard of personal hygiene. Clothing that alludes to obscenity, violence, sex or advertises alcohol, tobacco or an illegal substance is prohibited.

The immediate supervisor and job function will determine what is deemed to be appropriate attire, taking into consideration contact and interaction with EPIC employees, the public, educational community, and state agencies. Deviation from professional dress should be considered the exception rather than the norm and requires prior approval of the EPIC Administrator or immediate supervisor. Specific questions regarding personal attire should be directed to the immediate supervisor, EPIC Human Resources Director or EPIC Administrator.

Attendance and Punctuality

EPIC expects regular attendance from all employees. Supervisors shall ensure that the work of the office and organization is able to continue when considering all leave requests. Employees are required to be on time and ready to work at the beginning of their scheduled work periods.

Employees must notify their immediate supervisor as well as the EPIC Office when any absence occurs. Foreseeable absences for more than 3 days must be pre-approved by the program director or EPIC Human Resources Director and reported to the EPIC Administrator. Unexpected absences for 3 or more days for illness will require a doctor's note upon return.

All supervisors are responsible for verifying the attendance records of all employees under their supervision at the end of each month. If an employee's attendance record suggests a problem, the EPIC Administrator, the EPIC Human Resources Director, and the immediate supervisor shall hold a conference with the employee to identify and resolve the problem.

Employees with attendance problems are subject to unsatisfactory personnel evaluations and/or disciplinary action including possible termination.

Job Abandonment

Excepting extenuating circumstances approved by the EPIC Administrator, employees absent from work without notifying the immediate supervisor are subject to termination for job abandonment. In addition, excepting extenuating circumstances approved for medical/personal leave, employees who have had their paychecks reduced by six or more days (dock days) in a fiscal year may be terminated for job abandonment.

Drug-Free Workplace/Tobacco Control

EPIC requires that its workplaces are free of alcohol, illegal drugs, and controlled substances by prohibiting the use, possession, purchase, distribution, sale, or presence in the body system, without medical authorization. This is applicable while employees are engaged in any work-related activity which includes performance of EPIC business during regularly scheduled workdays and meal breaks having a connection with the job or agency. The unlawful possession, use, manufacture, distribution or dispensation of alcohol, illegal drugs, or a controlled substance; the reporting to work under the influence of illegal drugs, alcohol, or a controlled substance without medical authorization; the presence of a non-medically prescribed controlled substance, illegal drugs, or alcohol in the body system; or possession of drug paraphernalia are all prohibited in the workplace. EPIC employees are required to abide by the Drug Free Workplace policy.

Employees will not be disciplined for voluntarily seeking assistance for a substance abuse problem. However, any employee charged with use, possession and/or distribution of alcohol, illegal drugs or a controlled substance at the work site and/or on state property will be subject to legal and/or administrative disciplinary procedures. EPIC employees must report any criminal drug or alcohol violation occurring in the workplace or any conviction outside of the workplace no later than 5 days after such violation or conviction occurs.

EPIC restricts the use of any tobacco product at any time by any person in any building or other property owned or operated by the West Virginia Department of Education or by a county board of education or EPIC. This policy includes private buildings, automobiles or other vehicles used for school activities and Department of Education or EPIC functions when students and staff are present. Employees are prohibited from smoking within fifteen feet adjacent of any entrance, exit, operable window, or ventilation intake of a State-owned or leased office building. ([See Appendix 17](#)) for the full EPIC Drug Free Workplace policy.

Telephone Calls/Technology Use

All EPIC telephones are for conducting the business of the organization. EPIC recognizes that employees may have an occasional need to make or receive a personal call on a work phone. These calls shall be held to a minimum. If an employee must make a personal long-distance call while at work, a personal cell phone should be used. Personal cell phone use in the workplace should be minimal. Personal business should be conducted during breaks or lunch. Ringers should be set on vibrate or silence during the workday as a professional courtesy.

All EPIC owned technology including @k12.wv.us and @wvesc.org email addresses are for the exclusive use of employees in conducting business. These accounts should not be construed as private. Employees should not use personal email accounts to conduct work business. ([See Appendix 18](#)) for a copy of the EPIC Acceptable Use Policy agreement.

EPIC Social Networking Guidance

EPIC has a professional image to uphold, and how we conduct ourselves online impacts this image. For the protection of your reputation, EPIC has developed recommended practices for employee use of social media for educational use and networking. ([See Appendix 19](#)) for a copy. Some EPIC programs hold employees to an even higher standard. See your specific program's handbook for details.

EPIC Travel

EPIC will reimburse employees for reasonable business travel expenses incurred while on assignments away from the normal work location. Payment will be made through payroll. All necessary out-of-region business related travel must be approved in advance by the EPIC Administrator or designee. All necessary out-of-state business-related travel must be submitted to the immediate supervisor for approval and approved by the EPIC Administrator or designee. All requests for travel related reimbursement must be submitted on the appropriate forms with any necessary documentation attached. [See Appendix 20](#) for the EPIC travel guidelines, reimbursement form, P-card guidelines and [Appendix 21](#) for EPIC vehicle use and accident report.

Relationships with Media

News releases regarding EPIC related activities shall be developed by the responsible office and approved by the EPIC Administrator. EPIC employees should not contact the media directly about newsworthy matters without first discussing them with the EPIC Administrator. Staff members receiving calls from the media should refer the caller to the EPIC Administrator. Staff members contacted while they are conducting meetings or workshops in the counties are expected to respond to those inquiries within their scope of work. Such information should be factual and consistent with the policies of EPIC. Staff members who wish to submit information to be shared on social media should follow the EPIC guidelines in [Appendix 22](#).

Reporting Abuse or Neglect of Children

EPIC employees have an obligation to report suspected abuse or neglect of children they encounter in their work, and EPIC is required to have a signed acknowledgement form on file showing each employee understands their reporting requirement. Pursuant to W. Va. Code § 49-2-803(a), any medical, dental, or mental health professional, Christian Science practitioner, religious healer, school teacher or other school personnel, social service worker, child care or foster care worker, emergency medical services personnel, peace officer or law-enforcement official, humane officer, member of the clergy, circuit court judge, family court judge, employee of the Division of Juvenile Services, magistrate, youth camp administrator or counselor, employee, coach, or volunteer of an entity that provides organized activities for children, or commercial film or photographic print processor who has reasonable cause to suspect that a child is neglected or abused, including sexual abuse or sexual assault, or observes the child being subjected to conditions that are likely to result in abuse or neglect shall immediately, and not more than 24 hours after suspecting this abuse or neglect, report the circumstances to the Department of Health and Human Resources Centralized Intake at 1-800-352-6513.

In any case where the reporter believes that the child suffered serious physical abuse or sexual abuse or sexual assault, the reporter shall also immediately report to the State Police and any law-enforcement agency having jurisdiction to investigate the complaint. Any person required to report under this article who is a member of the staff or volunteer of a public or private institution, school, or entity that provides organized activities for children, facility, or agency shall also immediately notify the person in charge of the institution, school, entity that provides organized activities for children, facility, or agency, or a designated agent thereof, who may supplement the report or cause an additional report to be made. Notifying a person in charge, supervisor, or superior does not exempt a person from his or her mandate to report suspected abuse or neglect. [See Appendix 25](#) for a copy of acknowledgement form.

VI. Leaves of Absence

A leave of absence of any kind must be approved by the EPIC Administrator. If an employee believes he/she needs to take leave of more than three days from work **for any reason**, paid or unpaid, he/she must contact their immediate supervisor and program director as soon as possible. Additional paperwork may be needed from the EPIC HR Director to approve your request depending on individual circumstances. Failure to notify the appropriate parties may result in disciplinary action.

Unpaid Medical Leave

EPIC provides unpaid medical leaves of absence to eligible full-time employees who are temporarily unable to work due to a serious health condition or disability. If the employee has paid leave accrued, they will be required to use it concurrently with any medical leave of absence.

For purposes of this policy, serious health conditions or disabilities include inpatient care in a hospital, hospice, or residential medical care facility; continuing treatment by a health care provider; and temporary disabilities associated with pregnancy, childbirth, and related medical conditions.

Eligible employees may request medical leave only after having completed 365 calendar days of service. Exceptions to the service requirement will be considered to accommodate disabilities. Eligible employees should make requests for unpaid medical leave **at least 30 days in advance of foreseeable events and as soon as possible for unforeseeable events.** Use [Appendix 23](#) for the initial request.

Requests for FMLA leave and other leaves of absence will be reviewed based on individual circumstances. Additional paperwork will be provided including a health care provider's statement which must be submitted verifying the need for medical leave and its beginning and expected ending dates. Any changes in this submitted information should be promptly reported. Employees returning from medical leave must submit a Fitness for Duty form with the health care provider's verification of their ability to return to work. Reasonable accommodations may be made on a case-by-case basis to allow an employee to return with limited restriction when safety is not compromised and the restricted return does not provide hardship for the program. See [Appendix 13](#).

Eligible employees are normally granted leave for the period of the disability, up to a maximum of 12 weeks within a 12-month period. Any combination of unpaid medical leave and unpaid family leave and other accrued paid and unpaid leave may not exceed this maximum limit. Employees will be required to first use all other accrued paid and unpaid leave time before taking unpaid medical leave.

Employees who sustain work-related injuries are eligible for an unpaid medical leave of absence for the period of disability in accordance with all applicable laws covering occupational disabilities. Subject to the terms, conditions, and limitations of the applicable plans, EPIC will continue to provide health insurance benefits for the full period of the approved medical leave.

Benefit accruals, such as sick leave and holiday benefits, will continue during the approved unpaid medical leave period. So that an employee's return to work can be properly scheduled, an employee on unpaid medical leave is requested to provide EPIC with at least two weeks advance notice of the date the employee intends to return to work. When an unpaid medical leave ends, the employee will be reinstated to the same position, if it is available, or to an equivalent position for which the employee is qualified if one is available. If an employee fails to return to work on the agreed upon return date, EPIC will assume that the employee has resigned.

Unpaid Family Leave

EPIC provides unpaid family leaves of absence to eligible full-time employees who wish to take time off from work duties to fulfill family obligations relating directly to childbirth, adoption, or placement of a foster child; or to care for a child, spouse, or parent with a serious health condition. If the employee has paid leave accrued, they will be required to use it concurrently with any family leave of absence. A serious health condition means an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical care facility; or continuing treatment by a health care provider.

Eligible employees may request unpaid family leave only after having completed 365 calendar days of service. Eligible employees should make requests for unpaid family leave **at least 30 days in advance of foreseeable events and as soon as possible for unforeseeable events**. Use [Appendix 23](#) for the request.

Employees requesting unpaid family leave related to the serious health condition of a child, spouse, or parent must submit a health care provider's statement verifying the need for unpaid family leave to provide care, its beginning and expected ending dates, and the estimated time required. Eligible employees may request up to a maximum of 12 weeks of unpaid family leave within a 12-month period. Any combination of unpaid family leave and unpaid medical leave and all other accrued paid and unpaid leave may not exceed this maximum limit. Employees will be required to first use all other accrued paid and unpaid leave time before taking unpaid family leave. Married employee couples may be restricted to a combined total of 12 weeks leave within any 12-month period for childbirth, adoption, or placement of a foster child; or to care for a parent with a serious health condition.

Subject to the terms, conditions, and limitations of the applicable plans, EPIC will continue to provide health insurance benefits for the full period of the approved family leave. Benefit accruals, such as sick leave and holiday benefits will continue during the approved unpaid family leave period.

So that an employee's return to work can be properly scheduled, an employee on unpaid family leave is requested to provide EPIC with at least two weeks advance notice of the date the employee intends to return to work. When unpaid family leave ends, the employee will be reinstated to the same position, if it is available, or to an equivalent position for which the employee is qualified if one is available. If an employee fails to return to work on the agreed upon return date, EPIC will assume that the employee has resigned.

Military Leave

Military Leave may be taken under the terms and conditions of applicable state and federal law.

Pregnancy-Related Absences

EPIC will not discriminate against any employee who requests an excused absence due to medical restrictions associated with pregnancy. Such leave requests will be evaluated according to the medical leave policy provisions outlined in this handbook and all applicable federal and state laws. Requests for time off associated with pregnancy and/or childbirth, such as bonding and childcare, not related to medical disabilities for those conditions will be considered in the same manner as other requests for unpaid family or personal leave.

VII. Separation

A separation from employment occurs when an employee (1) resigns, (2) retires, (3) is laid off because of lack of work or shortage of funds, (4) is terminated from a limited term appointment, (5) transfers from one state agency to another or (6) is dismissed.

All employees who leave the employment of EPIC must complete an exit interview with the EPIC Human Resources Director or designee. (See Appendix 24) During the exit interview, the employee is required to return all assigned EPIC property, including but not limited to employee picture ID card, building access card, parking placard, building and office key(s), telephone and credit card(s) and all EPIC equipment. The employee will also be asked to forward mail to the immediate supervisor or designee and reset passwords on any electronic equipment. Failure to participate in an Exit Interview with the Human Resources office or designee and/or failure to receive clearance of EPIC property may result in a delay in processing the employee's final paycheck.

Employees may contact the EPIC Payroll/Benefits Coordinator, Public Employees Insurance Agency and the Retirement System for more complete information concerning benefits on separation.

Resignation

Employees who plan to resign are asked to give two weeks written notice prior to their last day of work. The notice should state the reason for the resignation. This written notice of the resignation should be submitted to the EPIC Human Resources Director with a copy provided to the immediate supervisor.

Retirement

Employees who retire may elect medical insurance coverage for themselves and their eligible dependents and optional life insurance for themselves; however, participation is NOT automatically continued at the time of retirement. The retiree must complete new enrollment cards to continue coverage. Employees considering retirement should contact the EPIC Human Resources Director.

Dismissal

Employees who are dismissed will have all accumulated sick leave cancelled as of the effective date of the dismissal or last day worked during the separation from employment notice period.

Death

Upon the death of an employee, annuity benefits may be available through the Retirement System to the beneficiary. (Contact the Retirement System.) Under the provisions of the Consolidated Omnibus Budget Reconciliation Act (COBRA), the surviving legal spouse and eligible dependents of a deceased employee who was a PEIA participant may elect to continue medical coverage at their own expense.

VIII. Acknowledgement

All EPIC employees are required to familiarize themselves with any updates and changes made to the EPIC Employee Handbook. Annually, employees must sign the Employee Acknowledgement Form showing they have received access to a copy of the updated EPIC Employee handbook for the new fiscal year. This acknowledgement states they have read and understand the policies and procedures explained in it and agree to follow them.

Additionally, all EPIC employees must acknowledge understanding of their responsibility as a mandated reporter by signing the Mandated Reporting of Child Abuse and Neglect Acknowledgement form after reviewing the information provided in this handbook.

All signed Acknowledgement Forms should be submitted to the EPIC Human Resources Director annually to be kept as part of the employee personnel file. [See Appendix 25](#) for both Acknowledgement forms.

EPIC New Employee Fingerprinting Procedures

Every employee must be fingerprinted before he/she can be hired.

PLEASE NOTE: The fee for fingerprinting changes frequently.

The cost of fingerprinting for educators is approximately \$45 - \$55.

The cost of fingerprinting for non-educators is approximately \$30 - \$40.

This fee is paid by the employee at the time of fingerprinting.

To set up your fingerprinting appointment, follow the directions below based on the position you have accepted. There are TWO sets of instructions – one for those who are NOT being hired as educators/instructors or bus drivers and those who are.

ONLY USE THESE INSTRUCTIONS IF YOU ARE

NOT BEING HIRED as a School Bus Drivers or Educator/Instructor:

Updated 022019

APPENDIX 3

Dear EPIC Educator,

This letter is a reminder that one or more of your areas of WV certification will expire on **6/30/2024**. You may visit <https://wveis.k12.wv.us/certcheck/> to see a copy of your license. The WVDE will begin accepting renewal applications **after January 1, 2024**. Below is information that will help you prepare to submit for your renewal when you are ready.

As an educator providing services through EPIC, you are required to hold the same licensure as those educators employed directly through the county school systems. It is each educator's responsibility to meet any requirements needed to obtain or renew certification for the areas in which they are employed. That information (along with the necessary forms and fee schedule) can be found on the West Virginia Department of Education Certification website, which has recently been updated. The new link is <https://wvde.us/certification/certification-info/application-forms/>

PLEASE NOTE: ALL current EPIC employees must choose EPIC as your "county of employment" on all certification applications. (DO NOT list the county where your classroom is located, or it will not be routed correctly, and you will have to redo it!) Pick EPIC to be EPIC! 😊

For some areas of licensure renewal, employees will submit paper applications through me. If this is the case, please print all forms landscape mode on separate sheets of paper; and complete them in BLUE ink. Professional teachers, professional administrators, and substitute teachers will be required to submit your application and supporting documentation through an online portal. User Guides for online application can be found on the certification website linked above. Just click on "User Guide" to view.

If a copy of your transcript is needed for your renewal or conversion, you will need to have an official transcript sent to me at EPIC, so I have it for our records. This transcript may be mailed directly to EPIC (to my attention) by your college or university, submitted via e-Transcript to sdjohnson@wvesc.org or dropped off by you - as long as it is official and in a sealed envelope provided by your college/university. If you are completing an online application, the WVDE will allow me to scan in your transcript on your behalf when I go in to approve your application, so you will still send an official copy to me.

All fees associated with certification must be paid in full online at <https://wveis.k12.wv.us/certpayment/> after a license renewal or conversion application has been submitted to the WVDE. They will email you with instructions for submitting your payment once they are ready to approve you.

Since no educator will be allowed to work in an EPIC sponsored classroom without proper licensure, it is imperative that you know what is needed to renew your license. I've attached a "cheat sheet" to help you; but ultimately, it is your responsibility to know what to do and to get it done. If you have questions or believe the information provided is not clear or accurate, as things may change, please reach out to me while there is adequate time to complete what you need. You must meet all requirements and submit the appropriate forms, documentation, and fees **prior to the expiration date**, so please complete your online application or submit your completed paperwork to me **no later than June 26, 2024**.

If you have any questions or need assistance, please don't hesitate to contact me. I can be reached at 304-596-2663 or sdjohnson@wvesc.org.

Best wishes,
Shannon Johnson
EPIC Human Resources Director

Your 6 hours of related coursework should be shown on an official transcript from an accredited college or university submitted to me OR you may submit certificates of completion from 6 hours of related coursework obtained through the WVDE e-Learning portal or a combination of the two.

To Renew an ECCAT Authorization: You will need to provide evidence that you have either made progress toward renewal (completed at least one eLearning or ACDS class) if this is your first year or you have completed all requirements for a permanent authorization (if this is your second or third year.) You will submit a PAPER application to me using Form 41. Copies of all completed e-Learning course certificates or ACDS certificates or an official transcript should be included with your renewal application.

To Renew a Career/Technical Certificate: You will submit a PAPER application to me using Form V7R. **You will need to provide evidence that you have completed 6 hours of related coursework credit with a 3.0 GPA since your last license was issued or meet one of the exemptions** (over age 60 or hold a MA+30 or higher salary class.) Your 6 hours should be shown on an official transcript from an accredited college or university OR you may submit certificates of completion from 6 hours of related coursework obtained through the WVDE eLearning portal or a combination of the two.

You will not need to complete fingerprinting again for a renewal, but you will need to provide proof of completing an approved substitute renewal class or 6 hours of related coursework as shown on a transcript* when you submit your permit application. (*NOTE: Restricted substitutes must take a renewal class.) EPIC offers fully self-paced, online substitute teacher training classes for new and renewal candidates. (Our renewal class has open enrollment at any time and can be completed in about 2 days for the average participant.) You can visit our website www.epicresa8.org/subteachertraining for more information and to register.

WVDE e-Learning Course General Information

Current employees that hold a valid WV professional teaching license or an adult education license are eligible to take WVDE e-Learning courses. Those who hold long-term sub permits who are currently working as long-term or permanent subs are also eligible to take WVDE e-Learning courses.
- Pre-K Assistant Teachers (ECCATS) are eligible to take designated ECCAT classes through the WVDE e-Learning platform.
- e-Learning courses may be taken at no cost to eligible educators if only a certificate of completion is sought. (This certificate of completion would be submitted with your application for renewal in place of an official transcript.)
- Some e-Learning courses are offered with the option of paying to take them for non-degree credit that would show up on a transcript. The cost may vary by class. Details will be found in the portal.
- Certificates of completion for WVDE e-Learning courses related to your current position may only be used for certification renewal or for personal professional development. They cannot be used toward an increase in salary class unless they are taken for non-degree credit and that credit appears on an official transcript. EPIC Employee Evaluation Form

Program/Department:

Evaluation Date:

Supervisor:

The Eastern Panhandle Instructional Cooperative (EPIC) has developed this performance evaluation process as a way to encourage workers and their supervisors to talk about issues in the workplace. This process should be used to recognize achievements, enhance professional goal setting, and identify areas for improvement.

The immediate supervisor (or designee) will mark the evaluation form for each criterion, selecting whether the employee's performance for that indicator is: D, distinguished in the standard -exhibits performance that uses proficiencies in a unique or new way; P, proficient-demonstrates ability to complete standards, at more than a minimal level; or NI, needs improvement.

The supervisor must provide comments for any rating(s) of NI, needs improvement or D, distinguished.

The supervisor shall conduct a conference with the employee following the completion of each Employee Performance Evaluation. The supervisor and employee shall review areas of commendation and areas of concern, and write comments and recommendations for improvement to be worked on during the next evaluative period. Resources for improvement will be discussed, as appropriate.

The supervisor and employee will review the goals established from the previous evaluative period. It is important for employees to take ownership of their learning, identifying personal goals for their work responsibilities.

The employee may make a copy of the completed document. Employee and Supervisor sign the document indicating the form has been reviewed with the employee. (A signature does not indicate that the employee is in agreement with the report.) A copy of the completed evaluation is placed in the employee's EPIC personnel file.

APPENDIX 13

Employee Leave Guidelines for 240 Day Employees for FY'24

General Information

- Our Fiscal Year (FY) runs from 7/1/2023-6/30/2024.
- **All** leave that is used must be reported to Tammy Albright using the appropriate leave form **within 5 business days**, and it must have a supervisor's approval with signature.

Out of Calendar Leave (OCL)

- Employees who work 240 days are given 21 OCL days.
- OCL balances will be pro-rated for employees who are hired after 7/1/2023.
- Out of Calendar Leave Days (OCL) are given to you up front on 7/1/2023 or on your first day of work. They cannot be shared with another employee or converted to any type of paid leave. They WILL NOT roll over into FY'25. (Use or Lose by 6/30/2024.)

Sick / Personal Leave

- 13 sick and 5 personal days are provided to 240-day employees up front on 7/1/2023.
- Since employee paid leave is provided up front and is calculated based on working a set number of days for the year, employees who work fewer days may have their leave balances adjusted and/or reduced.
- Sick leave taken for 3 or more consecutive days requires a doctor's note. Please provide a copy to your supervisor and a copy to Tammy Albright upon return.
- Unused sick and personal leave balances will be rolled over into the next fiscal year.

Holiday Schedule

- The EPIC office will be open between the Christmas and New Year's holidays to accommodate program and county needs.
- Office staff members are welcome to schedule OCL or other leave during this time to have additional time off over the holidays.

If Employment is Terminated before the End of the Fiscal Year

- If you separate from employment prior to the end of the fiscal year, and you have used more leave than you would have earned to date, you will be required to pay it back.
- Your actual number of days worked will be used when calculating your final check.

Inclement Weather Guidelines for EPIC Administrative Office Employees

NOTIFICATION

1. The decision to close the EPIC office or to operate on a delay due to inclement weather will be made solely by the EPIC Administrator regardless of any county school system's delay or closing status.
2. If our EPIC office is closed or we will be operating on a delay due to inclement weather, a "Notify Me" message will be sent to all staff members who have signed up to receive them.
3. [You may use this link to sign up for the "Notify Me" closing/delay messages.](#)
4. The delay or closure message will be sent the night before or as early as a decision is made by the EPIC Administrator.

DELAYED OPENINGS & EARLY DISMISSALS

1. If our office is on a delayed start, coming in at the delayed start time does not affect your ability to take your full lunch or leave at your regular scheduled time.
2. Decisions to close the EPIC office are at the discretion of the EPIC Administrator and not contingent on any school system's decision to dismiss early.
3. If our office is planning to close early, an email or "Notify Me" message will be sent to the office staff.
4. If your home county closes early due to inclement weather and we remain open, and you need to leave early to pick up your children and/or you want to leave early for safety reasons, you should notify your immediate supervisor and use OCL or personal leave.
5. If our office is open, but it is decided that we will close early, those employees already on leave are not entitled to any kind of early release benefit.

ADDITIONAL NOTES

1. If your position requires you to follow a county school calendar, to work a different program schedule, or to follow different closing/delay/early dismissal guidelines, please see your supervisor for guidance regarding the inclement weather policies for your program.
2. If our office is closed due to snow accumulation, please do not report to the office and park in the EPIC lot so that the snow may be fully removed before we reopen.

Eastern Panhandle Instructional Cooperative (EPIC) Social Networking Guidance

Social networks are a popular way for people to connect with others around the globe. For individuals, social networking sites provide opportunities for staying in touch with family and friends and for connecting with people and places around the world. Professional networking sites have also become a valuable resource for many employees who use them to engage in professional development and to share best practices and resources to improve job performance.

EPIC has a professional image to uphold and how we conduct ourselves online impacts this image. As reported by the media, there have been instances of employees demonstrating misconduct while engaging in inappropriate dialogue about their workplace or posting pictures and videos of themselves engaged in inappropriate activity online. Mistakenly, some feel that being online shields them from having their personal lives examined. However, online identities are very public and can cause serious repercussions if behavior is careless.

For the protection of your reputation, EPIC recommends the following practices for employees when engaging in social media:

GENERAL NETWORKING

- Remember that those who are classified as “friends” on your social networking site may have the ability to download and share your information with others.
- It is strongly recommended that you not “friend” your students or accept their request to “friend” you on social networking sites, especially if they are minors.
- Visit your privacy settings and at a minimum, select “only friends” to limit who can see your posts.

POSTING

- Post only what you want the world to see. Once you post something, even if you remove it later, it may still be available online.
- Do not say or do anything you would not say or do in an educational setting in front of your supervisor. (Remember that all online communications are stored and can be monitored.)
- Weigh whether a particular posting puts your effectiveness as an employee at risk.
- Do not discuss co-workers or students.
- Do not post images that include students or meeting participants without release forms on file. Minors require a parent consent.

RISKS

- Due to security risks, be cautious when installing external applications that work with the social networking site. They may install software on your computer that you don't want.
- Run updated malware protection to avoid infections of spyware and adware.
- Be careful not to fall for phishing scams that arrive in your email or on your social network requiring you to click on a link to go to a fake login page.
- If a staff member learns of information on a social networking site that falls under the mandatory reporting guidelines, they must report it as required by law.

APPENDIX 20

Eastern Panhandle Instructional Cooperative (EPIC)

Travel and Travel Reimbursement Policy

Effective July 1, 2018

Revised June 6, 2023

1. PURPOSE:

The purpose of this policy is to establish procedures for travel and travel reimbursements for all employees of the Eastern Panhandle Instructional Cooperative (EPIC).

2. APPLICABILITY:

Procedures apply to all employees of EPIC.

3. DEFINITIONS:

“Travel” means an event or occurrence approved by an employee’s immediate supervisor or designee that is necessary for an employee to work in another location other than the primary work location.

4. PROCEDURES:

- a. Travel may be authorized only for official business and only if EPIC has the financial resources to reimburse the traveler for travel expenses. Any travel that has not been previously approved by a supervisor or designee will not be eligible for reimbursement.
- b. Prior to traveling for EPIC related business, each employee must submit a travel request form to the EPIC Administrator. This form is located on the EPIC website at www.epicresa8.org. Attach an agenda, if one has been provided, to the request form.
- c. Requests for travel reimbursements must be signed by the employee and immediate supervisor prior to submittal for payment.
- d. Approval to travel shall be secured in advance by the employee. Under no circumstances should an employee travel without proper approval.
- e. Employees are responsible for submitting a travel expense account settlement form, with all required attachments, to their supervisor for signature no later than the end of the month they traveled.
- f. It will not be the policy of EPIC to pay travel that is held for more than 1 month at a time. Travel must be submitted at the end of each month unless you have prior approval from the EPIC Administrator.

- g. Reimbursement of travel expenses paid from federal, state, and private grants shall be governed by the terms and conditions of the grant if they differ from those contained in this policy; otherwise, this policy shall govern such reimbursement.
- h. Consultants, Contractors and non-employees are not required to use these rules and regulations, at EPIC's discretion. All consultant and contractor travel should be included as part of the consulting/contractor fee agreement.

5. MODES OF TRANSPORTATION:

a. Air Transportation

- i. Allowable reimbursement for commercial airline travel shall include the actual expense or cost for the least expensive logical fare via the most direct route, or a reasonable alternative route if it results in lower fare. Travelers may not specify a particular airline to accumulate mileage or promotional plans, such as frequent flyer programs, if it results in a higher airfare.
- ii. In order to receive reimbursement, the traveler must submit the original invoice along with itinerary or other proof of travel with expense form.
- iii. If a change in the cost of airfare is incurred, the charge is reimbursable if the traveler is directed by EPIC to change his or her travel plans, or if other extenuating circumstances arise. Increased or extra charges incurred due to the traveler's negligence will be considered a personal expense of the traveler and shall not be reimbursed.
- iv. Deliberately causing increased costs or delays to obtain personal gratuities, such as denied boarding compensation, frequent flier points or mileage, or similar benefits, is prohibited. In addition, conversion of airline tickets for personal benefit, such as downgrading tickets, return unused tickets for cash, credit, or personal airline tickets, or similar actions, is prohibited. Any credits, rebates or refunds resulting from these actions must be returned to EPIC.

b. Ground Transportation

- i. The traveler may use an EPIC-owned vehicle, rental vehicle or a privately-owned vehicle for ground transportation. When using a privately-owned vehicle for travel it must be pre-approved by the EPIC Administrator by submitting the appropriate travel request form. There must also be funds to support the travel in the designated budget.
- ii. The operator (traveler) of a vehicle must possess a valid operator's license. The operator is personally responsible for any fines and/or penalties resulting from citations, charges, or warrants attributable to operator negligence. Such fines and/or penalties shall not be a reimbursable expense.
- iii. In cases where a traveler chooses to drive rather than fly while on business, reimbursement will be based on actual in transit expenses (mileage, hotels, parking, meals, etc.), not to exceed the lowest available

commercial airfare plus local transportation, and parking (where required) to and from the airport.

c. EPIC-owned Vehicles

- i. Use of an EPIC-owned vehicle must be requested through the appropriate channels. They are for “official business use” only and must be operated by an employee of EPIC.

d. Privately-Owned Vehicles

- i. The reimbursement rate for the use of a privately-owned vehicle shall be the federally approved reimbursement rate and can be found at <https://www.gsa.gov/travel-resources> and then selecting “POV Mileage.”
- ii. Privately-owned vehicles may be used when traveling on EPIC business and pre-approved by the EPIC Administrator. Reimbursement will be made at the current standard rate per mile, excluding normal daily commuting mileage, for actual miles traveled using the shortest practicable route to the point of arrival at the traveler’s destination. This rate is intended to cover all operating costs of the vehicle (including fuel, maintenance, depreciation, insurance, etc.), and no additional reimbursement will be made.
- iii. Receipts are not required for reimbursement of mileage for using privately-owned vehicles. However, a completed travel reimbursement request must be completed and signed by the individual claiming reimbursement and their immediate supervisor.
- iv. When a privately-owned vehicle is used for travel purposes, the traveler cannot turn in receipts for fuel purchased during the trip. The mileage reimbursement that is paid to the traveler includes the cost of any fuel purchased.

6. LODGING:

a. Reimbursement

- i. Reimbursement for a single occupancy shall be at the least expensive single room rate available.
- ii. Charges incurred due to the failure of the traveler to timely cancel the facility will be considered the personal expense of the traveler and not eligible for reimbursement.
- iii. Lodging may be paid for using a p-card, EPIC check (if a purchase order is done in advance and check printed), personal credit card (then reimbursed).
- iv. Overnight lodging costs will be limited to time required for meetings. Any extended stay, either prior to or after a meeting, will be the sole responsibility of the traveler.

b. Receipts

- i. Receipts and meeting agendas are required for lodging reimbursement and shall be attached to the request for reimbursement. The hotel/motel invoice or folio shall be the official document utilized for reimbursement to the traveler.

7. MEALS/TRAVEL and EXPENSE ACCOUNT - DOCUMENTATION: When an expense account is submitted for payment after a trip, the following documentation is necessary:

- a. Receipts for hotel bills.
- b. Receipts for public conveyance.
- c. Mileage from office to point of destination at the rate paid per mile by the State of WV.
- d. Mileage from point of destination on return trip at the rate paid per mile by the State of WV.
- e. Cab fare, if cab is used.
- f. Toll receipts, if traveling toll road or bridge.
- g. Cost of necessary business phone calls (this is generally on your hotel bill.)
- h. Registration fee receipts, if there is a fee.
- i. Parking receipts.
- j. When using a rental car, receipts for the vehicle and gasoline receipts must be turned in.
- k. Meals and incidentals (receipts are NOT required) will be reimbursed based upon the Federal Per diem rates. The General Services Administration (GSA) establishes per diem rates for destinations within the lower 48 Continental United States (CONUS). There are 319 Non-Standard Areas (NSAs) that have per diem rates higher than the standard CONUS rate. Here is the website to see what your rate would be for your destination: www.gsa.gov/travel/plan-book/per-diem-rates When you are on the site, you put in the current fiscal year, the state/city or zip. You will scroll down to Meals & Incidentals rates and breakdown. For your first and last day of travel you will put the amount listed for that day. The days in-between you will use the M&IE total for each day.

8. REGISTRATION FEES:

- a. Fees or charges for attendance at conferences, meetings, seminars, and/or workshops, as well as event-related materials, are reimbursable expenses to the traveler. Reimbursement for registration fees at meetings or conferences are allowable and must be supported by a receipt. Employees should verify acceptable payment methods before the conference. If approved, the registration can be direct billed. A purchase order shall be issued.
- b. Receipts are required for reimbursement. The receipt documentation provided by the event sponsor shall be sufficient for reimbursement.

9. OTHER EXPENSES

- a. Travelers may incur miscellaneous business-related expenses for which reimbursement may be made, if appropriate. Receipts are required. Such expenses and reimbursement may include, but are not limited to: baggage handling, tolls, and parking fees.

10. EXCEPTIONS

- a. Any exceptions to this policy must be requested by the traveler and approved by the EPIC Administrator.

APPENDIX 21

Eastern Panhandle Instructional Cooperative (EPIC) Vehicle Use Guidelines

To reserve an EPIC vehicle:

1. Go to googlecalendars.com to check the schedule and see what vehicles are available.
2. Enter the User Name: `resaoffice`, and the Password: `resa3595`
3. Go to the monthly view and look at the dates to see which vehicles are available.
4. Put your name and the vehicle on the calendar for all the dates you plan to use it.
5. Be sure to check the calendar to see when the next person may have reserved the same vehicle so you are sure to have it back when the next person needs it.

When you are ready to use the vehicle:

1. There are binders for all vehicles located at the front desk at the EPIC office. Take the corresponding binder for that vehicle with you.
2. The keys are located inside the binder.
3. You will also find a spreadsheet that you will need to list vehicle usage information; e.g. your name, dates, mileage, your program, etc.
4. In the pocket of each binder are copies of the Vehicle Invoice. Each time you use a vehicle you must fill out one of these forms (or have your department secretary do it) and return it to Tammy Albright when you return the binder/keys to the shelf.
5. Go to the Berkeley County Special Education offices on Queen Street to get the vehicle. They are parked in that lot.

If you have an accident

1. Stop where you are and contact the police if there is another vehicle involved.
2. Get all of the information you can about the other driver, what happened, your location, etc. Complete the Accident Report form located in your binder if possible – it gives you all the questions you need to answer.
3. Contact the EPIC Administrator to report the accident and submit the Accident Report form to the EPIC Human Resources Director within 48 hours.

When you are ready to return the vehicle:

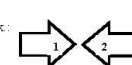

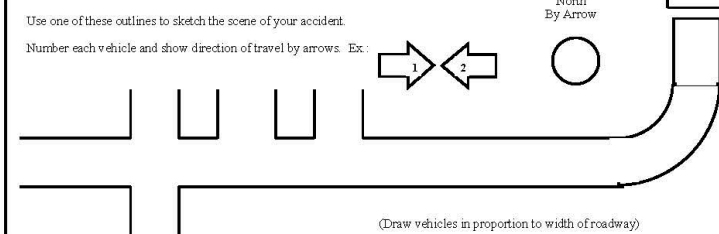

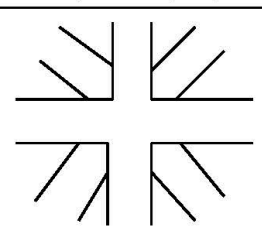

1. You need to fill the vehicle with gas after you use it, and record the fuel information either on the Fuel Record form or on the spreadsheet located in the vehicle binder.
2. Clean out any trash/paper/dirt/etc. so the car is clean for the next person.
3. While cleaning, do a mini inspection of the vehicle. If you notice any lights on the dash, or the vehicle isn't running properly, is due for inspection or an oil change, please report that information to Tammy Albright when you return the binder.

Your Employee Rights Under the Family and Medical Leave Act

What is FMLA leave?

The Family and Medical Leave Act (FMLA) is a federal law that provides eligible employees with **job-protected leave** for qualifying family and medical reasons. The U.S. Department of Labor's Wage and Hour Division (WHD) enforces the FMLA for most employees.

Eligible employees can take **up to 12 workweeks** of FMLA leave in a 12-month period for:

- The birth, adoption or foster placement of a child with you,
- Your serious mental or physical health condition that makes you unable to work,
- To care for your spouse, child or parent with a serious mental or physical health condition, and
- Certain qualifying reasons related to the foreign deployment of your spouse, child or parent who is a military servicemember.

An eligible employee who is the spouse, child, parent or next of kin of a covered servicemember with a serious injury or illness **may take up to 26 workweeks** of FMLA leave in a single 12-month period to care for the servicemember.

You have the right to use FMLA leave in **one block of time**. When it is medically necessary or otherwise permitted, you may take FMLA leave **intermittently in separate blocks of time, or on a reduced schedule** by working less hours each day or week. Read Fact Sheet #28M(c) for more information.

FMLA leave is **not paid leave**, but you may choose, or be required by your employer, to use any employer-provided paid leave if your employer's paid leave policy covers the reason for which you need FMLA leave.

Am I eligible to take FMLA leave?

You are an **eligible employee** if **all** of the following apply:

- You work for a covered employer,
- You have worked for your employer at least 12 months,
- You have at least 1,250 hours of service for your employer during the 12 months before your leave, and
- Your employer has at least 50 employees within 75 miles of your work location.

Airline flight crew employees have different "hours of service" requirements.

You work for a **covered employer** if **one** of the following applies:

- You work for a private employer that had at least 50 employees during at least 20 workweeks in the current or previous calendar year,
- You work for an elementary or public or private secondary school, or
- You work for a public agency, such as a local, state or federal government agency. Most federal employees are covered by Title II of the FMLA, administered by the Office of Personnel Management.

How do I request FMLA leave?

Generally, to request FMLA leave you **must**:

- Follow your employer's normal policies for requesting leave,
- Give notice at least 30 days before your need for FMLA leave, or
- If advance notice is not possible, give notice as soon as possible.

You **do not have to share a medical diagnosis** but must provide enough information to your employer so they can determine whether the leave qualifies for FMLA protection. You **must also inform your employer if FMLA leave was previously taken** or approved for the same reason when requesting additional leave.

Your **employer may request certification** from a health care provider to verify medical leave and may request certification of a qualifying exigency.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

State employees may be subject to certain limitations in pursuit of direct lawsuits regarding leave for their own serious health conditions. Most federal and certain congressional employees are also covered by the law but are subject to the jurisdiction of the U.S. Office of Personnel Management or Congress.

What does my employer need to do?

If you are eligible for FMLA leave, your **employer must**:

- Allow you to take job-protected time off work for a qualifying reason,
- Continue your group health plan coverage while you are on leave on the same basis as if you had not taken leave, and
- Allow you to return to the same job, or a virtually identical job with the same pay, benefits and other working conditions, including shift and location, at the end of your leave.

Your **employer cannot interfere with your FMLA rights** or threaten or punish you for exercising your rights under the law. For example, your employer cannot retaliate against you for requesting FMLA leave or cooperating with a WHD investigation.

After becoming aware that your need for leave is for a reason that may qualify under the FMLA, your **employer must confirm whether you are eligible** or not eligible for FMLA leave. If your employer determines that you are eligible, your **employer must notify you in writing**:

- About your FMLA rights and responsibilities, and
- How much of your requested leave, if any, will be FMLA-protected leave.

Where can I find more information?

Call **1-866-487-9243** or visit dol.gov/fmla to learn more.

If you believe your rights under the FMLA have been violated, you may file a complaint with WHD or file a private lawsuit against your employer in court. **Scan the QR code to learn about our WHD complaint process.**

(a) Any medical, dental, or mental health professional, Christian Science practitioner, religious healer, **school teacher or other school personnel, social service worker,** child care or foster care worker, emergency medical services personnel, peace officer or law-enforcement official, humane officer, member of the clergy, circuit court judge, family court judge, employee of the Division of Juvenile Services, magistrate, youth camp administrator or counselor, **employee, coach or volunteer of an entity that provides organized activities for children,** or commercial film or photographic print processor who has reasonable cause to suspect that a child is neglected or abused, including sexual abuse or sexual assault, or observes the child being subjected to conditions that are likely to result in abuse or neglect shall immediately, and **not more than 24 hours** after suspecting this abuse or neglect, report the circumstances to the Department of Health and Human Resources.

(b) County boards of education and private school administrators shall provide all employees with a written statement setting forth the requirements contained in this section and shall obtain and preserve a signed acknowledgment from school employees that they have received and understand the reporting requirement.

W. Va. Code §49-2-803

(c) Nothing in this article is intended to prevent individuals from reporting suspected abuse or neglect on their own behalf. In addition to those persons and officials specifically required to report situations involving suspected abuse or neglect of children, any other person may make a report if that person has reasonable cause to suspect that a child has been abused or neglected in a home or institution or observes the child being subjected to conditions or circumstances that would reasonably result in abuse or neglect.

W. Va. Code §49-2-803

(d) The provisions of this section are not applicable to persons under the age of 18.

Changes to Note

- The code reduces from 48 hours to 24 hours the period in which a mandated reporter is required to report suspected abuse or neglect.
- A mandated reporter must now directly report known or suspected abuse and neglect to DHHR and the State Policy and law enforcement agency.
 - This duty can not be discharged by merely “causing a report to be made.”
 - More than one report must be made if multiple people expect the abuse.
 - Must notify your school administrator. The school administrator may sit with/assist [support] you while you make the call to DHHR.

Contacting DHHR
