Expectations: Edward W. Bok Academy is a school of high academic rigor. Students are expected to work for the entire class period every day. When students enter the classroom, they are expected to enter quietly, get folder from your class period's designated shelf, and begin the bell work immediately. Pencils must be sharpened before class begins. Any borrowing of pencils, from either the teacher or other students, must be completed before the bell rings, as students will begin working immediately upon entering the classroom. Because there is no restroom in our classroom please make every effort to use the restroom in another class period. Students will not leave class for water; bring your own water bottle, or wait until class is over.

Attendance: **Regular attendance is vital.** If a student is absent, it is the student's responsibility to make up their work. Check the make up work drawer located in the back of the classroom. Students will have 2 days per day missed to turn in make up work. If you miss class, get with Mrs. Gramlich before or after class and discuss what you missed.

Grades: Grades will be posted in Schoology at the end of each week for students to check their grades. Families may contact the front office to obtain Schoology access. This allows the students and families to keep up with grades online and view the most recent grades within Schoology.

There will be a school wide policy pertaining to the “cut off” date to submit late and/or missing work. Late work will no longer be accepted after the school wide “cut off” date.
