

Pe Ell School Families,

We wanted to inform you that Friday, April 15, was Mr. Pontius's last day at school for the remainder of the year. His wife is in need of surgery and will be unable to care for Connor, their disabled son. This surgery needs to be taken care of as soon as possible. It will be an 8 to 10-week recovery for this procedure, which will take the recovery into the end of the school year.

In his absence, Mr. Shepherd will be filling in as Principal. He has his administrative credentials through Grand Canyon University, and we are confident this will be a smooth transition for the remainder of the year. Mr. Tyler Frazier will be taking over Mr. Shepherd's history classes during this time. He has his Bachelor's degree in history from Washington State University.

COVID PROTOCOLS IN PLACE

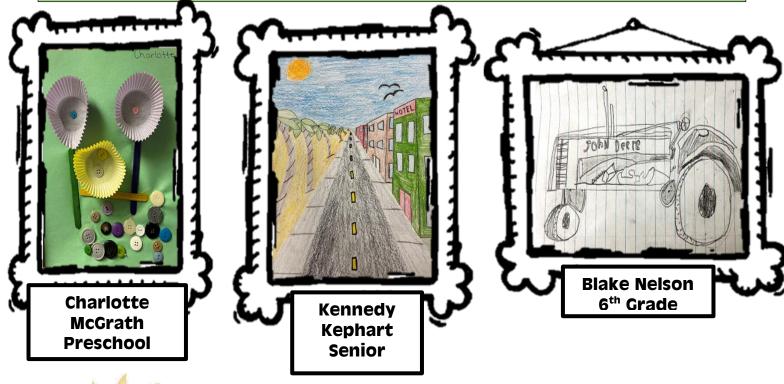

Parents, it has been good to see students' faces again now that the mask mandate has been lifted. However, COVID protocols are still in place for schools at this time but they have changed slightly. If your child has been sick for 24 hrs or more, they must have a COVID test to return to school. This can be a home test with results provided to the school. If a student is positive for COVID, they have to stay home for 5 days and consider wearing a mask for days 6-10. If they are a close contact, regardless of vaccination status, they can participate in the Test-To-Stay program where they would get tested 3 times over 5 school days. If negative, they can stay in school; if they are positive, they would go home. Students should consider wearing a mask for 10 days if they are a close contact.

CISPUS LEARNING ADVENTURE

After having to cancel the last two years due to Covid-19 mandates, Pe Ell students were finally able to return to Cispus Learning Center this year for their annual outdoor camp. The three-night, four-day trip is normally taken during fifth grade, but this year both fifth and sixth-grade students attended together, due to sixth grade missing out last year.

For many years, Pe Ell students have attended Cispus combined with sixth-grade students from Boistfort and Evaline. According to fifth grade teacher, Mrs. Tammy Markee, "This year between the three schools, we took a total of 56 students, 11 high-school counselors, and 4 adults. It was a much larger group than normal, but it was nice being back! Most students seemed to have had a great time, and we lucked out with the weather too!"

Markee added, "I'm also happy to say that the seventh-grade class, who also missed out on their fifth-grade experience in 2020, will be able to finally attend Cispus camp as well! In May, they will be attending a shortened version of our regular camp with some activities a little different from the younger kids. This will be a great opportunity for them to participate in some team building activities and learn leadership skills."

"I had a lot of fun at Cispus. I made new friends and liked hiking to Angel Falls. Everything was so pretty", Fatima Mendez

"My favorite part had to have been fire building and making forts", Hunter Phelps
