

EXCEL PRESCHOOL ANNOUNCEMENT FOR HILL AND PLAIN SCHOOL:

WE ARE STILL ACCEPTING 3-YEAR OLD PRESCHOOL APPLICATIONS FOR THE 2022-2023 SCHOOL YEAR

New Milford Public Schools is currently accepting applications for the **EXCEL (Experiential Center for Early Learning) Preschool 3-Year Old Program at Hill and Plain Elementary School**. This program provides services for children with special needs and their typical peers together within one setting. While your child would be receiving the benefit of a high-quality preschool program he/she is also serving as a role model community friend for the special needs children. Therefore, it is important that the children who participate in the program demonstrate age appropriate skills. In particular, your child should possess strong language skills and social skills to encourage interaction among all the children. Applications are available online under District Information Excel Preschool Program at www.newmilfordps.org.

Please send in your application, or any questions, to Linda Morse at morsel@newmilfordps.org or call (860) 354-2654 x4.
