You brighten our class!</p>	<p>Math:</p> <p>This week we will finish review/reteach a couple of items that seemed to be difficult for some of our kiddos from Topic 5 and Test. For our next Topic, we will skip ahead to Topic 7. Topic 7 talks about multiples, factors, prime numbers, and composite numbers. If there is ever a time you do not get the weird way we are doing something, please reach out! I am more than happy to meet and discuss it with you!</p> <p>Science:</p> <p>This week we will begin Chapter 2: Force and Motion. This chapter we will discuss motion, speed and the way it impacts the world around us as well as how different things affect motion.</p> <p>This Week's Shoutout: <i>Gavin!!</i> Thank you for listening, working hard, and being helpful!</p>
