## Notes From the Superintendent

Happy New Year! School will resume Monday, January 6, 2025 and we are looking forward to a great spring semester! At Chadwick-Milledgeville CUSD #399 we encourage parents to contact their child's teacher when they have a concern or a question. Our professional staff is here to serve the students' best interest, and we urge parents to actively collaborate with teachers to facilitate a successful academic term. Parents, please note the following are the proper actions to take when you have a concern relating to school:

**Step 1:** Take time to get a full understanding of the issue or concern. Taking time to gather facts and consider both sides of the issue is important. Sometimes the story presented by your child is not a full accounting of the facts. Taking time also helps lower your emotional level and facilitate productive communications and problem solving.

**Step 2:** Contact the relevant teacher in person, via phone, or e-mail. Approach the staff member with the intention of working together to solve the problem.

**Step 3:** If you are unable to resolve the concern working with the teacher, contact the principal.

\*Teachers and administrators want your child to be happy and successful at school. We became educators because we care about students and want to help them to become positive contributors to society.

As Superintendent, it is my firm belief that we are here to serve the students, parents, and our community. When problems arise, we want parents to contact us immediately, so we can work together to solve the problem.

As of this writing we have incurred no snow/emergency days. If weather necessitates closing school, parents will be notified via the Teacherease automated phone calling, text, & email system. In addition, the district will announce closings on area television and radio stations i.e., KWQC, WQAD, WCCI etc... Regardless of the official action to close or not to close, students and parents are urged to always use their own discretion in deciding whether or not to travel to school. We also need to remind parents that the school buildings are not open before 7:50 A.M. Especially in the cold weather, please be sure that your students do not arrive at school before 7:50 A.M.

Sincerely,  
Tim J. Schurman,  
Superintendent

## Counselor's Corner

HAPPY NEW YEAR! I hope everyone had a safe and happy holiday.

Registration will begin shortly after we get back from break. We will be having the students choose their courses through teacherease as in the past couple years. I will need to turn in the numbers for WACC, so please talk to your students about their possible choices. Please call me if you have any questions.

Seniors need to make sure the FAFSA has been filled out and also be checking their email for scholarship deadlines. I am emailing new scholarships daily as they come in. Another great resource for college information is [www.isac.org](http://www.isac.org). This website offers information for parents and students for filling out FAFSA and other scholarship opportunities.

ALL juniors will be taking the ACT in April. We will begin ACT prep 2nd semester for the students that are signed up. The entire junior class will be taking a practice ACT on Thursday, February 13.
