

Cumberland County Board of Education
Coordinated School Health

Student Health Screening Passive Permission

Dear Parent or Guardian,

Throughout the school year we will be providing **FREE** health screenings for the Cumberland County students in grades Pre-K, K, 2, 4, 6, 8, 9th through 12th, and Lifetime Wellness. We conduct these FREE screenings in order to identify students who may have a health risk in order to bring awareness to the student and parent/guardian. The data only (not the student name) is sent to the TN State Department of Education. The Lion's Club, community health care providers, and trained school personnel will be assisting with these screenings with strict adherence to the confidentiality of each child and adolescent screened. We may screen children for one or more of the following:

B.M.I. (Body Mass Index)	Hearing	Scoliosis
Vision	Blood Pressure	
Height/ Weight	Asthma	

If we screen your child and find any alterations from a normal screening, as defined by Center of Disease and Control (CDC), we will contact the parent/guardian concerning this matter. There are **NO CHARGES** for these services.

Please feel free to contact your school nurse or the CSH Coordinator should you have any questions. Thank you for allowing your child to participate as we promote a healthy lifestyle to our students in Cumberland County.

Respectfully,
Marsha Polson, RN Coordinated School Health Supervisor

931-250-8221

If you do NOT want your child to receive FREE health screenings, please write a note including your student's name, stating you do NOT want your child screened for that specific test, sign, date, and return to the school nurse.
