TK and Kindergarten

Mrs. Tinnin

Everyone had fun celebrating 100 days of school. They used doobers and stamps to finish different tasks involving 100. Kinders made necklaces with 100 beads and worked with a partner to count out 100 items.

First and Second Grade Explorers

Mrs. Mittge

Our salmon are developing much faster than last year's babies! We will need to release them within the next couple of weeks to their new home in Olequa Creek.

This week students have commemorated 100s Day, celebrated Valentine's Day, and learned about President's Day.

First graders have also begun mastering two-digit operations while second graders have become experts at triple-digit addition and subtraction with and without regrouping!

For writing the past couple of weeks students have been researching salmon facts. They are compiling these facts, developing quiz questions and answers and are constructing an informative flip chart.

It has been a full, fun week!

Third and Fourth Grade Classroom

Mrs. Mars

Students had a busy fun filled week! Wednesday May have been a short day but it was packed with fun. Students did a 100's day activity where they found 100 parts of speech. They also had the opportunity to do a fun Valentine's Day craft before heading into the lunchroom to open Valentines and enjoy a delicious treat provided by the Booster Club.

Water testing is tomorrow. Please remember to send your child in clothes to keep them warm while they are outside.

Fifth and Sixth Grade Classroom

Mr. Burlingame

Thank you to everyone who supports Evaline through helping organize our activities, donating money to the booster club or other activities, donating their time participating in contest judging or running parties, or any of the many other ways you show your support. You are very much appreciated by the students and staff at our little school. They say it takes a village to raise a child and our "village" is very much a part of the growth, learning, and fun our students get during their time at Evaline.

Cispus Parents Meeting!

The Cispus Parents information meeting was moved to February 28, 2024 at 3:45 in my room. Thank you for your understanding on the short notice in this week's cancellation and I look forward to answering your questions about Cispus!

Here are some fun pictures of a cute craft the 3rd/4th made, Stone Soup, 100's Day and our Valentine's Day party!!

Students in grades 3 and 4 made an Eclectic Collage and Mosaic with Local Artist Kitani Pogue

STONE SOUP YUMMY!!!
