Thursday, April 6, 2023 4:00 – 6:00 pm <i>Snacks at 3:45</i>	Build It – Draw It – Write It: <u>Fractions</u> Understand and use Delta Math lessons for Grades 3-6 content for fractions. Can be used with students at any grade. Each public school that sends paraprofessionals will receive Delta math materials for 10 students.

**Stipend of \$25 per session for paraprofessionals and teachers*
from public schools in Huron ISD service area**

*Paraprofessionals are encouraged to invite teachers of the students they support

Q: Delta Math intervention lessons can be printed for free. Why should I attend the training?

A: To understand the visual models used in the lessons and to get the grade-level kits with pre-printed, perforated cards and drawing tools. This saves a lot of time on prep work so you can spend more time with students!
