

Dear Parents,

Summer is here and it is a great time to relax, do some summer reading and XtraMath! To help your child be ready for first grade, they need to read **three** books from the following collections:

Charlie the Ranch Dog by Ree Drummond

Robin Hill School Books by Margaret McNamara

Henry & Mudge by Cynthia Rylant

Dixie by Grace Gilman

Biscuit by Alyssa Satin Capucilli

Please fill in the reading and math log on this paper and turn it in at the beginning of the 2024-2025 school year.

In addition to reading, we encourage your child to practice their math skills using the website XtraMath daily. This is a great incentive for extra screen time this summer! 😊 Please have them complete a minimum of 35 days/sessions (one session per day) of XtraMath this summer. To log onto XtraMath, go to <https://home.xtramath.org> and click on "Sign In." Once there, click on the green student tab and enter in the following information:

For those that complete both reading AND math requirements this summer, a prize may be waiting for him/her when we all return to school in August! (hint, hint, wink, wink) 😊

Thank you and have a wonderful summer!
