# FROM THE PRINCIPAL

Dear SMA Family and Friends,

As our 130th school year comes to a close, we reflect on all of this year's celebrations both in and outside of the classrooms. Our motto "God is our light" inspires all of us to be seekers of good, agents of unifying love, and intelligent and thoughtful stewards of the world.

I find such great joy working with our students, who at this particular time of their lives, are searching for answers, trying to understand who they are, what they believe, and who they want to become. St. Mary's Academy offers a tremendous amount of college preparation, career, and life opportunities for our students. I have been a witness to our students taking advantage of these opportunities, realizing their capabilities, and creating positive impacts on their school, and community, as well as in themselves.

Earlier this year, our freshmen English teacher tasked the 9th grade Gold Ties to identify an injustice in the world, further research it, and take social action to alleviate and/or bring awareness to the issue. One of our freshmen has a tremendous passion for art and believes in its ability to bring communities together. She was so disheartened to learn many art programs in low-income neighborhood schools were getting cut due to lack of resources. She wanted to bring light to this issue. She chose to enroll at St Mary's Academy because of the robust and challenging Arts Program. Together with her passion for art and from what she is learning in the Arts Program, her social action project is centered around bringing attention to the importance and value of art and its influence on communities. She is in the planning phase of designing a mural for the school showcasing all the reasons why students, families, and friends of St. Mary's love the school, and have community members help to paint it. St. Mary's Academy allowed this student to promote her passion while bringing more light to our school.

A graduating Red Tie senior recognized her love for architect prior to attending St. Mary's Academy and made a commitment to take every opportunity she could to immerse herself in this field of Art and Engineering. She became a member of the Engineering Program, and has excelled at every STEAM course, joined the robotics team - SMArtbots, became involved in the this Architect, Construction, & Engineering (ACE) program, and this past summer was involved in a high school student engineering program in Sacramento. Her tenancy and drive in this field resulted in a \$10,000 college scholarship from the ACE program. Her scholarship will be put towards her education at USC, where she plans to major in architectural engineering. As we do with all of our graduating students, we look forward to hearing about her accomplishments and the further sharing of God's light. I am in awe of what these incredible students mean for our world and am deeply grateful to our school's family and friends who help provide the opportunities for our young women to be everything they are capable of. It is directly through your support and commitment that we can witness young women, like the two mentioned above, shine and continue the light and legacy of St. Mary's Academy.

In gratitude,

*Mary Rose Batungbacal*

# SMA BELLES ARE WOMEN OF DISTINCTION

## JUNIOR RING CEREMONY

Our Blue Tie juniors took part in a long-standing tradition of receiving their class rings as a symbol of becoming upperclasswomen and leaders at SMA. During the liturgy, these rings were blessed by Fr. Gonzalez, and each Blue Tie was presented with their ring along with a blue rose. Congratulations to all our Blue Ties!

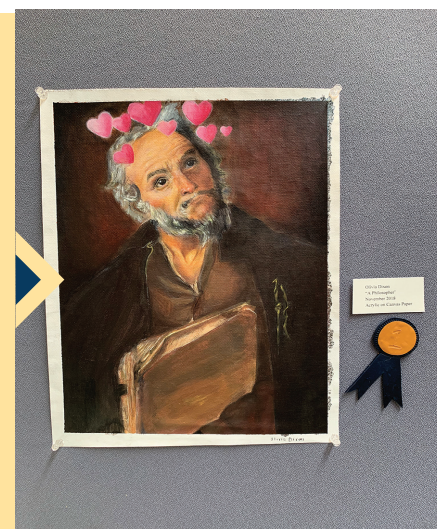

## SMArtBots

In its 9th year, the SMA robotics team continues to be a formidable competitor. This school year, the 10 women team, participated in 2 competitions. The SMArtbots finished in the top 12 at the most recent Aerospace Valley Regional robotics competition. Under the guidance of Mr. Joe Condrat, the students work long hours after school and on weekends, designing and constructing the robot for this year's game. Mr. Condrat believes this school year's robot is the best yet, winning the prestigious 2019 Judge's Award at the Aerospace Valley Regional for outstanding performance and innovative analog design. Alumnae who participated on the team, and are now studying engineering in college, return to provide assistance and mentorship.

## ARTS WEEK ART SHOW 2019

SMA celebrated Arts Week 2019 with an Art Show featuring the work of our students. Represented among the work were pieces in multiple mediums such as painting, photography, drawing, and ceramics. Awards were given to the top three students pieces with two honorable mentions, judged by faculty and staff. Congratulations to all of Belle artists.

## SOPHOMORE SHOWCASE

Keeping tradition alive, the Green Ties' Sophomore Showcase was exceptionally executed and provided the entire student body and other members of the SMA community great entertainment! The theme, Time Travel, allowed students an opportunity to learn more about fashion and music from the 1950's through today. On stage, the sophomores danced, sang, and performed their way through the last 70 years!

## BELLES BASKETBALL, UNDEFEATED!

This year's small (8 members), but versatile and talented Basketball team was the undefeated Camino Real League Champions! Making it to the Third Round CIF Regionals, the relatively young team, as described by Coach Tremon Steele, were "locked in and focused" throughout the season and into playoffs. Despite some significant injuries suffered by players, the team rallied and ended the season overall 24-4. As we say good-bye to the Red Tie senior team players, we look forward to a strong and more experienced team next year!

## BELLES SOCCER

Making it to quarter finals, the soccer team had an outstanding showing this year! Several players received special recognition from the Camino Real League, voted "First Team All League." In addition, two of the players were selected "First Team all Southern Section," and 11th grade Erika C. was voted Goalie of the League. With a young team of enthusiastic and skilled players, Coach Taylor believes next year will be another winning year!

# CELEBRATING OUR PARTNERSHIPS & PROGRAMS

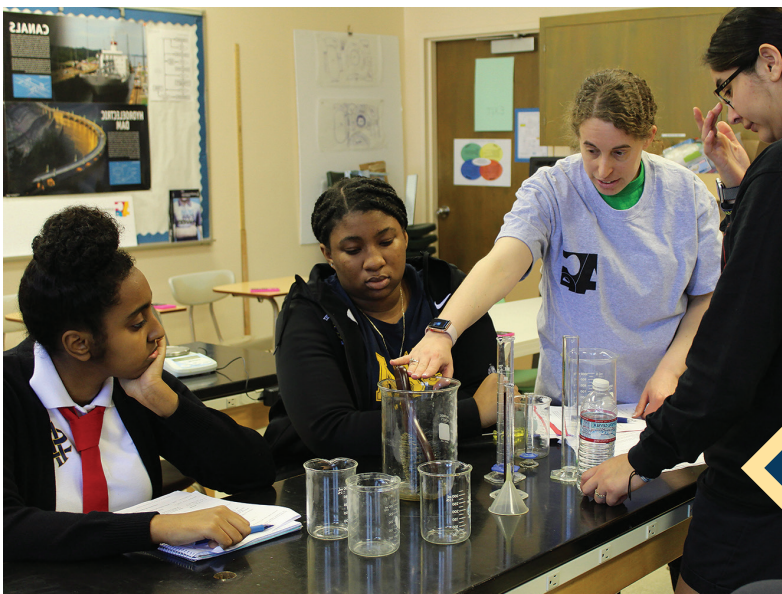

## HEALTH CAREERS PROGRAM

The Health Careers Program, in its 15th year, now includes Project Lead The Way curriculum. The Biomedical Science courses empower students to build knowledge and skills through challenging project-based learning and skills of problem solving, critical and creative thinking, communication and collaboration. Partnerships with area healthcare centers for real life experience remain a popular feature of the program. Recently, two Blue Tie class of '08 HCP Alumnae, Karra and Devon, who are currently in medical school, returned to SMA and shared with students their educational paths!

## ENGINEERING PROGRAM

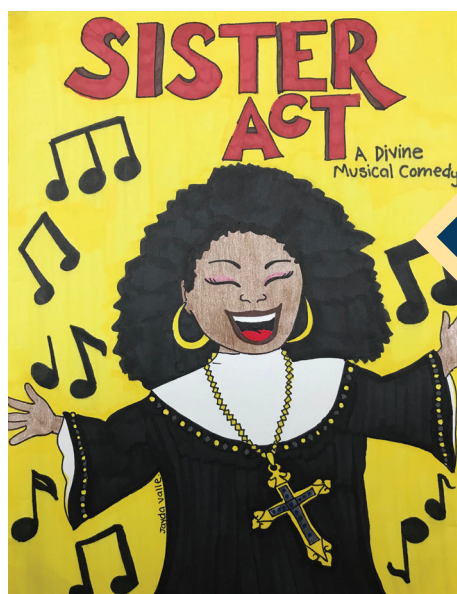

The Engineering Program, certified by Project Lead the Way, is quickly becoming a popular pathway. Introducing students to the STEM fields, design projects, and cross-disciplinary classroom experiences prepare students for studies in college. In conjunction with Robotics and mentorship from professionals involved in the A.C.E. program, students experience real world engineering challenges and team problem solving.

## CINEMAGIC FILM MAKING

This winter, the Cinemagic Project exposed students from SMA and Cathedral High School to the film industry, learning everything involved in creating and producing a short film. The students had the opportunity to work with industry professions from Los Angeles, under the direction of Cinemagic, a UK organization located in Belfast, Ireland. Filming occurred on our campus, where several SMA students got to be “extras!” A red carpet event in June at the Fairmont Hotel, Santa Monica, will set the stage for the premier of the student’s film, “Block H.” Costs for this experience were underwritten by outside individuals and organizations including The Friendly Sons of St. Patrick of Los Angeles.

## SPRING MUSICAL, SISTER ACT

Our talented Belles, in collaboration with CBG Arts and Inglewood Theater Group, took the stage in a production of the musical, “Sister Act.” The performances were so popular, a fifth show was added, and all five shows sold out! Congratulations, Belles! The beautiful poster was designed by Jayda V. Gold Tie ‘22.

## SUPPORTING ALEXANDRIA HOUSE

Onward Scholars and over 30 other members of the SMA community kicked off St. Joseph’s Week at the Shamrock Sunday Walk-a-Thon, supporting Alexandria House. We thank all of our Belles, family, friends, faculty, and staff who participated. Alexandria House, founded by Sr. Judy Vaughan CSJ, Red Tie ‘63, is a transitional residence and house of hospitality. It provides safe and supportive housing for women and children in the process of moving from emergency shelter to economic stability and permanent housing. More than 92% of women who have moved through the Alexandria House program have succeeded in securing financial stability and permanent housing. What a wonderful way to start the celebration of St. Joseph’s Week.

## BROWN BAG LUNCHES

The St. Mary's Academy Development Department and Chairperson of the Alumnae Board organized lunchtime presentations for students on campus to hear from SMA Alumna from various professions. These Brown Bag Lunches occur in odd years as Career Day is hosted in even years. Students have an opportunity to learn about the presenters' post high school education and current professions and ask questions of each presenter.

If you are interested in joining us for Career Day 2020 please contact: Tyesha Hemmans themmans@smabelles.org  
If you are interested in joining us for Brown Bag Lunches in 2021 please contact: Karen Vetter kvetter@smabelles.org

Brown Bag Lunch speakers for this school year have included alumane in creative services such as film and television production, an OBGYN Nurse, a current engineering student, a fashion designer, a makeup artist who also works at a university, and an alum who spent her career at a public utility. Students enjoyed getting to know these strong, engaging women and learning more about their experiences and journeys after SMA. Many thanks to our speakers: **Adrianne Chivers, Red Tie '03, Tamara Fils-Aime, Blue Tie '96, Victoria Bravo, Green Tie '17, Marsha Phillips, Red Tie '75, Alexandria Chivers, Green Tie '09, and Cheryl Des Vignes, Green Tie '13.**

## 130TH GALA ALUMNAE COMMITTEE AND 130TH BIRTHDAY ALUMNAE HAPPY HOUR

Months of planning and preparing by alumnae and the Development Department staff paid off, as the 130th Gala was a successful fun-raising and fund raising event. Weekly evening meetings for months leading up to the Gala and then onsite set up the day before and day of the event paid off, as the event netted the school's scholarship program \$130,000. A fitting number to celebrate the school's milestone!

Alums joined SMA students, faculty, and staff on campus in January to celebrate the school's 130th birthday with a program in the gym and cupcakes. After the school celebrations were over, alums gathered at Fiesta Martin for a Happy Birthday Happy Hour. A wonderful evening was had by all!

## RECENT REUNIONS AND EVENTS CON'T

In October, the Gold Ties of 1978 celebrated their 40th reunion. They enjoyed a catered luncheon and slide show including a sing-a-long of their class song. The event was held on campus in the Hannon Dining Room, and the class took tours of the school and spent time reminiscing about their days at SMA.

The Green Tie Class of 1973 had a casual pot-luck at Pollywog Park in Manhattan Beach in November to celebrate their 45th reunion. Sr. Margaret Jude, CSJ was there to celebrate with them!

On a beautiful fall day in October, St. Mary's Academy Alumnae Association hosted a gathering for alumnae in the South Bay. Alumnae from the area met at American Martyrs Church, Our Lady of the Miraculous Medal Room. It was great to catch up with alumnae from a wide range of graduation years and tie colors. The

exciting things happening at SMA today was shared. Alumna, Jackie LeBouff shared how excited she was to meet this year's Gold Ties at Belles and Books. She could not say enough about how impressed she was with their insight

and intelligence. Spoken like a true Gold Tie herself!

Thank you to all that attended this event, we appreciate your support of our Alumnae Association.

To find out more about Regional Alumnae gatherings, class reunions, planning a reunion on campus, hosting a gathering at your home, or sharing information about a class reunion, please contact Karen Vetter at [kvetter@smabelles.org](mailto:kvetter@smabelles.org).

## REST IN PEACE

### Sr. Marilyn Binder '60

Sister Marilyn, a CSJ, passed in Livermore on January 23, 2019. Sister was a Blue Tie, class of 1960 and served the dear neighbor in a variety of ministries throughout California and Arizona. Her ministries included teacher and principal in elementary education, vocation and formation ministry, assistant provincial and regional. She is survived by her brothers Carl and Richard Binder, and her sisters, Jeanette Binder Martin '58, and Jody Binder Matthews '66.

### Sr. Edward Mary Zerwekh '40

Sister Edward Mary, a CSJ, died peacefully in Los Angeles on January 19, 2019. She was a Blue Tie, class of 1940. Sister was an excellent educator, teaching a combination of Math, Latin, History, and Science. She also served as Business Manager at Mount St. Mary's College, now University. She was cheerful and optimistic and had a quiet, gentle personality. She was a loyal and faithful friend, a person of unity and reconciliation, with sleeves rolled up for any assignment; she was truly a Sister of St Joseph. She was preceded by her sisters, Sr. Mercia Louise, CSJ, Sr. Mary Mercia, OP, Mary Cecilia Zerwekh '43, and sister-in-law, Mary Zerwekh '40.

## Our Light, Our Legacy, Celebrating 130 Years of Educating Young Women

To celebrate the 130th Anniversary of St. Mary's Academy, a festive fundraising gala was hosted at The Historic Millennium Biltmore Hotel on Saturday, April 13, 2019. The sold out event honored school community members and alumnae, and highlighted the amazing talent of both current Belles and alumnae. During cocktail hour, as guests browsed the silent auction and wine pull bottles, cleverly disguised as nuns (the habits were created by alum Angelique Morales, Green Tie '97), a string quartet, including two alumnae, Dale Breidenthal, Green Tie '77 and Juliana Rodriguez, Blue Tie '16 performed in the Emerald Ballroom.

Student Ambassadors from all tie colors guided guests to their tables in the Gold Ballroom where dinner was served. Serving as emcee for the evening was Pamela Black, Red Tie '79, and the evening's prayer was lead by Bishop Joseph Sartoris. Guest opera singer, Lauren Michelle, wowed the audience with her beautiful rendition of "The Lord's Prayer," and during dinner, Rene Nourse, Blue Tie '72 shared her success story in the world of finance, and how her education at SMA made a lasting impact on the woman she is today. Students gave an encore performance from the recent Spring Production of "Sister Act," lifting everyone's spirits. In addition to our rousing live auction and fund a need, student speaker, Retha Little, Red Tie '19 gave a moving speech sharing what attending St. Mary's Academy has meant to her and her education. Retha spoke about the impact of an all girls' Catholic education, and the community of women who have supported her and allowed her to develop and meet her potential. This year's honorees were Bernita and Robert King, Sr. Kathleen Kelly, Blue Tie '52, Theresa Gartland, and Kim Thomas-Barrios, Red Tie '79. We are incredibly grateful for the positive impact each and every one have contributed, and the difference they continue to make in the lives of the young women of St. Mary's Academy. The evening ended, as it began, on a musical note, with the Pullum Center Youth Jazz Ensemble. All in attendance had a wonderful evening, and a significant amount was raised to support the school's Financial Aid Fund, so this legacy of educating young women for another 130 years!
