

### **Biggest Takeaway for Teachers:**

1. We fully understand that staff feels that we start processes and do not finish them.
2. Our staff feels our students need to be taught how to be respectful to each other and staff.
  - 76% feel out students would benefit from social skills instruction
  - This instruction would would help with self regulation/self control as well as teaching general respectful behaviors
3. 83% of staff support using external rewards to increase motivation to engage in expected behaviors.
4. 96% of staff are open to using new strategies to prevent misbehavior in their classroom.

### **Solutions:**

1. Social Skills Program
2. Team building activities  
Example: Escape Rooms?
3. Blue procedure form - Log entries

## Biggest Takeaway for High School

1. Students feel unsafe in bus, bus loading zone, parking lots
2. Not picking favorites
3. Students want to see more respect given to staff and peers

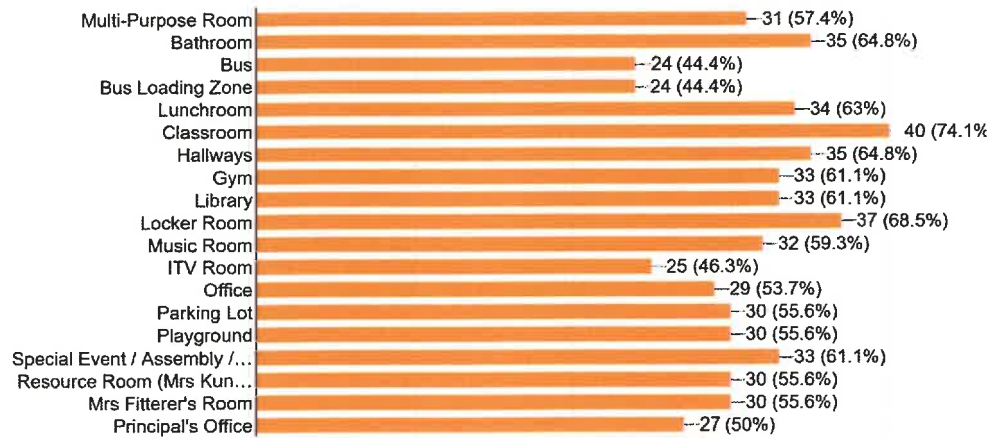

## Solutions:

- High school kids available during recess to build relationships and do a "big brother" type thing
- Praise and rewards for positive behavior
- More frequent positive Communications
- Training of bus rules-students and drivers, Cameras on Buses
- Following blue procedure form
- Counselor presenting about bullying
- SRO assembly on bullying
