## KINDERGARTEN

Informational Meeting for Parents Buly

Come meet the kindergarten team as we share important information about your child's upcoming school year. We will discuss "Kindergarten Camp", what a typical day in kindergarten looks like, as well as arrival and dismissal routines. We also look forward to sharing ways in which you can help prepare your child socially and academically over the summer. See you soon! May 24, 2024 3:00 PM West Hill Cafeteria
