What is Competency Based Education?

[Nampa School District ~ Standards Based Grading](#)

This brief 6:41 minute video uses simple, real-life examples to help explain and understand exactly what competency-based education is and why it makes sense.

[Competency-Based Education: A Vision of Learning for All in SAU 7](#)

This presentation, given by Brian Stack to all SAU 7 teachers at the start of our transition to Competency-Based Education, gets to the heart of *why* this change works and why it's so beneficial to our students.
