

Materials/Programs Used

IXL- IXL has thousands of video tutorials, step-by-step lessons, and corrective feedback, students have the guidance and support they need to learn independently. Integrating our curriculum into instruction is easy, with skill plans that match all 50 state standards, popular textbooks, and standardized tests. Ixl is a computer based program.

Epic- Epic is a digital library of books, audiobooks, videos, and quizzes for children that aims to inspire a love of reading and learning.

I-Ready- i-Ready is an online program for reading and/or mathematics that will help your student's teacher(s) determine your student's needs, personalize their learning, and monitor progress throughout the school year. i-Ready allows your teacher(s) to meet your student exactly where they are and provides data to increase your student's learning gains. i-Ready consists of two parts: Diagnostic and Personalized Instruction. I-Ready is a computer based program.

VMATH- Vmath provides foundational lessons to scaffold the instruction and supports the progression of skills outlined in state and national standards. It also focuses on grade-level content and reinforces skills taught in the core curriculum. Vmath is used as a paper based curriculum in my classroom.

Readworks- ReadWorks is a free website that provides resources to help students and teachers improve reading comprehension and literacy skills.

Quiz- Quizizz is an interactive learning platform that teachers can use to create quizzes, lessons, and other assessments to evaluate student learning.

Blooket- Blooket is a web-based learning tool that teachers use to create interactive games for students to review and test their knowledge.

Schoology- Schoology is a web-based learning management system (LMS) that helps teachers and students manage and share academic content.

Classroom Library-All of my personal library books are listed on BookBuddy and readily available.
