Tips for Registration

Most sections are easily navigated, but we are here to help if you get stuck. Registration can be paused and returned to at a later time.

Updated health information can help us serve your student best during the school year.

Be sure to check the “STUDENT BUS TRANSPORTATION NEEDED” box on the transportation page if your student require regular bus transportation.

USE A DESKTOP/LAPTOP, the site is much easier to navigate on a desktop computer rather than a phone.

The HLE and KHS offices will have laptops available for registration during regular office hours. If you require an after hours option, please contact the office for assistance.
