## **From the Principal: (Steve Campbell)**

I just wanted to thank everyone for their prep work for the move that will begin later this week. As I stop in on teachers' classrooms it is easy to see the amount of work that has gone into packing, re-organizing, and loading boxes. If there is anything that you feel has been missed in preparation for this move, or if you feel we have left someone out of the in-lieu compensation, or anything else that needs to be addressed, please let us know. It has been our intent to make this as easy as possible. It has admittedly been a little overwhelming at times, so we realize the possibility of an oversight is likely.

Outside of the moving project, I'd only ask that we do all we can to get every senior we possibly can across that stage Thursday. Pomp and Circumstance is my favorite song, because it means summer, and a slower pace of life, is really close. Finish strong and have a great week!

Sincerely,
