CRIMINAL HISTORY RECORDS CHECKS

For purposes of this Section (and all subsections), the following definitions shall be applicable:

1. “*Continuing Duties*” shall mean work duties that are performed pursuant to a contract on a regular, repeated basis rather than infrequently or one-time only.
2. “*Covered Employees*” shall mean, all employees of Contractor, as well as employees of Contractor’s subcontractors, consultants or independent contractors (of every tier), who will have Continuing Duties related to the services contracted for herein and the opportunity for direct contact with students in connection with the subject employee’s Continuing Duties.

Unless otherwise exempt from providing such information by any provision in Texas Education Code, Section 22.0834 (the “Statute”), the Contractor agrees, that prior to commencement of work under the Agreement, using the form promulgated by the Owner or such other form approved by the Owner, Contractor will arrange with the Owner to obtain any national criminal history record information (“CHRI”) required pursuant to the Statute on all of Contractor’s employees, independent contractors, agents, or subcontractors, contractor’s subcontractors of every tier (“Subcontractors”), Subcontractors’ employees, independent contractors, agents, or sub-subcontractors, if any of these persons is a “Covered Employee” and shall reimburse the Owner for the costs and expenses associated with obtaining the required CHRI.

A person does not have the opportunity for direct contact with students if:

1. the public work does not involve the construction, alteration, or repair of an improvement to real property, or a necessary fixture of an improvement to real property that is used predominantly for teaching the curriculum required by the Texas Education Code (“Instructional Facility);
2. for a public work that involves construction of a new Instructional Facility, the person's duties related to the contracted services will be completed not later than the seventh (7th) day before the first date the facility will be used for instructional purposes; or
3. for a public work that involves an existing Instructional Facility:
 - a. the public work area contains sanitary facilities and is separated from all areas used by students by a secure barrier fence that is not less than six (6) feet in height; and
 - b. the Contractor adopts a policy prohibiting employees, including subcontractor entity employees, from interacting with students or entering areas used by students, informs employees of the policy, and enforces the policy at the public work area.

Any Covered Employee that has during the preceding thirty (30) years, been convicted of one of the following offenses, if at the time of the offense the victim was under eighteen (18) or enrolled in a public school: (a) a felony offense under Title 5, Texas Penal Code; (b) an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) an equivalent offense to (a) or (b) under federal law or the laws of another state (“Disqualifying Criminal History Offense”) shall be disqualified and prohibited from performing any contract duties or services and neither the Contractor nor its Subcontractor may permit such person to provide services at an instructional facility. If a Covered Employee is determined by the Owner’s review of the CHRI to have a Disqualifying Criminal History, Contractor will exclude that person from assignment to the Project. Contractor understands that it will not have access to the results of such criminal history records check, based on statewide regulations beyond the control of the Owner, and agrees to rely solely on the judgment of the Owner as to whether the Covered Employee must be excluded from the Project.

Prior to commencement of its work on the Project the Contractor will provide written certification to the Owner that either: (1) Contractor and its Subcontractors of every tier, do not have any Covered Employees, as defined; (2) are otherwise exempt from compliance with the Statute; or (3) has complied with the statutory and contractual requirements stated in the Agreement (including all subparts), as of that date, and that it:

1. has requested a Criminal History Records Check through the Owner on all Covered Employees, if any, of every tier, has provided the required information to the Owner to do so and reimbursed the Owner for same;
2. has obtained written certification from its independent contractors, and Subcontractors (of any tier) that they have provided the required information to the Contractor, necessary to secure the information from the Owner and reimbursed the Contractor for same; and
3. have excluded any Covered Employee reported by the Owner to have a Disqualifying Criminal History from assignment to the Project.

Further, Contractor agrees that if it receives information that a Covered Employee is arrested or convicted for any of the Disqualifying Criminal History offenses, during the performance of the Project, Contractor will immediately remove the Covered Employee from Owner's property or other location where students are regularly present and notify the Owner of said removal within three (3) days of doing so. Contractor understands that any failure to comply with the requirements of this section may be grounds for termination.

WARNING: Section 44.034 of the Texas Education Code requires that a person or business entity that enters into a contract with a school district must give advance notice to the Owner if the person or an owner or operator of the business entity has been convicted of a felony. The notice must include a general description of the conduct resulting in the conviction of a felony.

The Owner may terminate the Agreement if the Owner determines that the person or business entity failed to give notice as required by Section 44.034 (a) or misrepresented the conduct resulting in the conviction. The Owner will compensate the person or business entity for actual services performed before the termination of the contract.

CONFLICT OF INTEREST DISCLOSURE: pursuant to Chapter 176, Texas Local Government Code, vendors doing or seeking to do business with Natalia ISD must submit a Conflict of Interest disclosure form if they have a business relationship as defined by Section 176.001(1-a) with a local government entity and meet the disclosure requirements of Section 176.006(a). TERMINATION:

Termination Without Cause.

1. The Agreement may be terminated by Owner without cause, prior to Owner's representative giving Contractor written Notice to Proceed, should Owner's representative, in its sole discretion, determine that it is not in Owner's best interest to proceed with the Agreement . Such notice shall be provided in accordance with the notice provisions contained in the Agreement , and shall be effective immediately upon delivery to the Contractor.
2. The Agreement may be terminated by the Owner at any time after issuance of the Owner's representative's Notice to Proceed, either for the Owner's convenience or because of Contractor's failure to fulfill the Agreement obligations. Upon receipt of such notice, services shall be immediately discontinued (unless the notice directs otherwise) and all materials as may have been accumulated in performing the Contract, whether completed or in progress, delivered to the Owner.
3. If the termination is for the convenience of the Owner, following inspection and acceptance of Contractor's services properly performed prior to the effective date of termination an equitable

adjustment in the agreement price shall be made. Contractor shall not, however, be entitled to lost or anticipated profit on unperformed services, should Owner choose to exercise its option to terminate, nor shall Contractor be entitled to compensation for any unnecessary or unapproved work performed during time between the issuance of the Owner's notice of termination and the actual termination date.

4. If the termination is due to Contractor's failure to fulfill its obligations, the Owner may take over the work and prosecute the same to completion by Agreement or otherwise. In such case, the Contractor shall be liable to the Owner for any additional cost occasioned to the Owner thereby.
5. If, after notice of termination for failure to fulfill Agreement obligations, it is determined that the Contractor had not so failed, the termination shall be deemed to have been effected for the convenience of the Owner. In such event, an equitable adjustment in the agreement price shall be made as provided in the above paragraph 3 of this Section.
6. The rights and remedies of the Owner provided in this Section are in addition to any other rights and remedies provided by law or under the Agreement .
7. The Agreement may be terminated by the Contractor, at any time after issuance of the Owner's representative's Notice to Proceed, upon ninety (90) calendar days written notice provided in accordance with the Notice provisions contained in the Agreement .

Defaults With Opportunity for Cure.

Should Contractor fail, as determined by the Owner's representative, to satisfactorily perform the duties set out in the Scope of Work; or comply with any covenant herein required, such failure shall be considered an Event of Default. In such event, the Owner shall deliver written notice of said default, in accordance with the notice provisions contained in the Agreement, specifying the specific Events of Default and the action necessary to cure such defaults. Contractor shall have ten (10) calendar days after receipt of the written notice to cure such default. If Contractor fails to cure the default within such cure period, or take steps reasonably calculated to cure such default, Owner shall have the right, without further notice, to terminate the Agreement in whole or in part as Owner deems appropriate, and to contract with another Contractor to complete the work required by the Agreement. Owner shall also have the right to offset the cost of said new agreement with a new Contractor against Contractor's future or unpaid invoice(s), subject to any statutory or legal duty, if any, on the part of Owner to mitigate its losses.

Termination For Cause.

Upon the occurrence of one (1) or more of the following events, and following written notice to Contractor given in accordance with the notice provisions contained in the Agreement, Owner may immediately terminate the Contract, in whole or in part, "for cause":

1. Contractor makes, directly or indirectly through its employees or representatives, any material misrepresentation or provides any materially misleading information to Owner in connection with the Agreement or its performance hereunder; or
2. Contractor violates or materially fails to perform any covenant, provision, obligation, term or condition of a material nature contained in the Agreement, except those events of default for which an opportunity to cure is provided herein; or
3. Contractor fails to cure, or initiate steps reasonably calculated to cure, a default as required by the Agreement, within the time period required for cure; or
4. Contractor violates any rule, regulation or law to which Contractor is bound or shall be bound under the terms of the Agreement ; or
5. Contractor attempts the sale, transfer, pledge, conveyance or assignment of the Agreement contrary to the terms of the Agreement; or
6. Contractor ceases to do business as a going concern; makes an assignment for the benefit of creditors; admits in writing its inability to pay debts as they become due; files a petition in bankruptcy or has an involuntary bankruptcy petition filed against it (except in connection with a

reorganization under which the business of such party is continued and performance of all its obligations under the Agreement shall continue) and such petition is not dismissed within forty-five (45) calendar days of filing; or if a receiver, trustee or liquidator is appointed for it, or its joint venture entity, or any substantial part of Contractor's assets or properties.

Termination By Law.

If any state or federal law or regulation is enacted or promulgated which prohibits the performance of any of the duties herein, or, if any law is interpreted to prohibit such performance, the Agreement shall automatically terminate as of the effective date of such prohibition.

Orderly Transfer Following Termination.

Regardless of how the Agreement is terminated, Contractor shall effect an orderly transfer to Owner or to such person(s) or firm(s) as the Owner may designate, at no additional cost to Owner. Upon the effective date of expiration or termination of the Agreement, Contractor shall cease all operations of work being performed by Contractor, or any of its subcontractors, pursuant to the Agreement. All completed or partially completed documents, papers, records, charts, reports, and any other materials or information produced, or provided to Contractor, in connection with the services rendered by Contractor under the Agreement, regardless of storage medium, shall be transferred to Owner. Such record transfer shall be completed within thirty (30) calendar days of the termination date and shall be completed at Contractor's sole cost and expense. Payment of compensation due or to become due to Contractor is conditioned upon delivery of all such documents.

Claims for Outstanding Fees.

Within forty-five (45) calendar days of the effective date of completion, or termination or expiration of the Agreement, Contractor shall submit to Owner its claims, in detail, for the monies owed by Owner for services performed under the Agreement through the effective date of termination. **Failure by Contractor to submit its claims within said forty-five (45) calendar days shall negate any liability on the part of Owner and constitute a waiver by Contractor of any and all right or claims to collect moneys that Contractor may rightfully be otherwise entitled to for services performed pursuant to the Agreement.**

Termination Not Sole Remedy.

In no event shall Owner's action of terminating the Agreement, whether for cause or otherwise, be deemed an election of Owner's remedies, nor shall such termination limit, in any way, at law or at equity, Owner's right to seek damages from or otherwise pursue Contractor for any default hereunder or other action.
