

**2025-26 Florida School District Revenue Sharing Survey  
Due March 31, 2026**

Section 1002.33(17)(i), Florida Statutes, states that each school district shall provide to the Florida Department of Education a summary report of local revenue share charter schools. The following template is provided to assist in the collection of this data.

Please do not alter this template in any way. Enter data only where allowed and do not delete or add rows/columns. Failure to submit an unaltered template will result need for resubmission.

**1. Complete the following table:**

|                                                                                                                                     |                  |
|-------------------------------------------------------------------------------------------------------------------------------------|------------------|
| District Name (choose from drop-down menu)                                                                                          | <b>Gadsden</b>   |
| Contact Name:                                                                                                                       | Marleni Bruner   |
| Contact Phone:                                                                                                                      | 850-627-1543     |
| Contact Email:                                                                                                                      | brunemar@gcpsmai |
| District's total 2025-26 Discretionary Half-Cent Sales Surtax (s. 212.055(2), F.S.) amount as of February 28, 2026.                 | 0                |
| Per FTE allocation to charter schools                                                                                               | 0                |
| Date funds were distributed to charter schools                                                                                      | NA               |
| District's total 2025-26 Voted District School Operating Millage (s. 1011.71(9), F.S.) amount as of February 28, 2026.              | 0                |
| Per FTE allocation to charter schools                                                                                               | 0                |
| Date funds were distributed to charter schools                                                                                      | NA               |
| District's total 2025-26 Nonvoted District School Capital Improvement Millage (s. 1013.62(3), F.S.) amount as of February 28, 2026. | 3,377,803.13     |
| Per FTE allocation to charter schools                                                                                               | 1,045.61         |
| Date funds were distributed to charter schools                                                                                      | 4/2/2026         |

2. Once a district has been selected from the drop-down menu above, select the button below to generate your district's school list. If you encounter a second warning regarding macros, save the file to your computer, close and reopen it and select "Enable Macros" in yellow ribbon. Select the button below. If issue persists, contact OFFRSurveys@fldoe.org.

3. Navigate to the "Survey" tab and enter amounts on each charter school received in the listed categories. This tab will not appear until a district has been and the school list has been generated. The sections available to be completed, which are indicated in rows 1 and 2 of the "Survey" tab, are as follows:  
 ↳Section A - Discretionary Half-Cent Sales Surtax  
 ↳Section B - Voted District School Operating Millage  
 ↳Section C - Nonvoted District School Capital Improvement Millage  
 The values for section C are prefilled. If the district recalculated that amount, it may be overwritten.

If no revenue was shared for a specific item, enter 0 for that cell. If this tab has been completed correctly, the cells below should be flagged as green and d

|                                                   |                 |
|---------------------------------------------------|-----------------|
| Number of charter schools                         | 1               |
| Number of schools with data entered and finalized | 1               |
|                                                   | -----> <b>D</b> |

**4. Ensure that the box below says "Ready to Submit," then email this file to OFFRSurveys@fldoe.org.**
