

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities and provides equal access to Boy Scouts and other designated youth groups. Inquiries regarding compliance and/or grievance procedures may be directed to, the school district's Title IX/RW 28A.85 Officer and/or Section 504/ADA Coordinator, Kyle MacDonald at 111 Schoolhouse Rd Winlock, WA 98596, 360-785-3460 kmacdonald@evalinesd.k12.wa.us

HELLO! October

Early dismissal Today 10-2-26
We will dismiss at 11:30am

Meet Our Newest Evaline Lions!

We are excited to welcome **Mr. Jason Chilcoate** and **Ms. Aspen Norman** to the Evaline School family! We are so happy to have them join our team and become part of our small but wonderful school community.

Mr. Jason has joined our **5th and 6th grade classroom**, where he will be working alongside our students and teachers to provide encouragement, support, and a helping hand throughout the school day.

Ms. Norman has joined our **3rd and 4th grade classroom**, where she will be working alongside our students and teachers to encourage learning, build confidence, and help our students shine each day.

One of the best things about Evaline is the caring and supportive relationships we build with our students, and we are excited for Mr. Jason and Ms. Norman to be a part of that! We know they will bring their own unique talents, personalities, and positive energy to our classrooms.

Please help us give Mr. Jason and Ms. Norman a big Evaline welcome! We are thrilled to have them on our team and look forward to a wonderful year together.

Welcome
to our newest
Paraeducators!

Mr. Jason
5th & 6th
Grade

Ms. Norman
3rd & 4th
Grade

♥ We're so glad you're here! ♥

October is Fire Prevention Month!

October is a great time to talk with our students about **fire safety, being prepared, and knowing what to do in an emergency.** As part of our Fire Prevention Month activities, the **Winlock Fire Department** will be visiting Evaline on **Thursday, October 15th** with their **Smoke House!** Students will have the opportunity to learn important fire safety skills through a fun, hands-on experience. We are so thankful to our local firefighters for taking the time to teach our students how to **Stay Safe, Stay Alert, and Be Prepared!**

Evaline Blue Shirts

All students received an Evaline blue shirt this morning courtesy of the Evaline Booster Club. Students are encouraged to wear these **every Lion Paw Day** to show their school spirit! We also ask that students wear them on **every field trip!**

Pumpkin Patch Field Trip Friday-10/23/26

All of our students will be going to the Goodrich Pumpkin Patch this year. Parents/Guardians and younger siblings are invited to join! The Booster Club will pay for younger siblings and parents/guardians are free. Parents/Guardians should meet us at the Goodrich Pumpkin Patch at **1:00 p.m.** 513 Goodrich Rd, Centralia, WA 98531

The Evaline School District #36 complies with all federal rules and regulations and does not discriminate on the basis of race, creed, religion, age, veteran or military status, color, national origin, sex, sexual orientation including gender expression or identity, or use of a trained guide dog or service animal by a person with a disability. TTK and Kindergarten

Mrs. Tinnin

Kindergarten students have completed Chapter 3 in math, where they practiced comparing and writing numbers from 0 to 5. They will soon begin working with numbers 6 through 9, focusing on counting and number formation.

In reading, students are continuing to build foundational pre-reading skills. They are practicing identifying the beginning, middle, and ending sounds in words (e.g., *fish* – /f/, /i/, /sh/). You can support this at home by asking your child to identify the first and last sounds in familiar words. We have also wrapped up our Nursery Rhymes unit and are beginning a new unit on Fables.

TK students are learning how to sort and classify objects based on different attributes. They are working with numbers 1 through 5 and developing early math skills through hands-on exploration.

Our "All About Me" unit has concluded, and before starting our "Families" unit, students are listening to classic tales. The first story in this series is *The Lion and the Mouse*. In writing, TK students are practicing prewriting strokes by using a variety of materials to make horizontal and vertical lines.

Thank You! A big thank you to the Booster Club for our new blue shirts—we love them!

First and Second Grade Explorers

Mrs. Mittge

1st/2nd Grade Evaline Explorers were able to dissect owl pellets this week! It was fascinating to see the kinds of bones within the pellets and try to determine what types of animals the owls had been feasting on!

Next week we will take a quick trip to the salmon hatchery to see what the facility and its professionals do during the fall salmon run.

Students continue to learn about place value in math. First graders should understand the meaning of digits in the ones and tens place. Second graders should have an understanding of digits to 1,000.

THANK YOU
 BOOSTER CLUB FOR
 THE FABULOUS NEW
 EVALINE BLUE SHIRTS
 AND AN ACTIVE
 FUND-RUN!

Third and Fourth Grade Classroom

Mrs. Mars

Students in both grades are working on multiplication of varying levels. Practicing their facts for a few minutes at home each night with a parent will really help them to be successful. Please let me know if you would like some flash cards sent home.

Students have been reading hard at home each night and it is showing in their AR points. A big shout out to our students who have hit one or more leaps so far this school year.

Leap 1- Wesley, Ellis, Elaina, Pippa, Willow D

Leap 2- Willow C, Eli

Leap 3- Hemmy

Leap 8- Demy

A big thank you to all the families that participated in the Booster Club's Fund Run! The money raised goes towards some of the really fun things the Booster Club does for our students each and every year.

Fifth and Sixth Grade Classroom

Mr. Burlingame

5th grade has been working hard learning how to divide with long division and by using models. 6th graders recently finished their chapter in math and have started working on learning how to multiply fractions and cross simplifying before multiplying.

In ELA, they will be starting up a new unit on *Percy Jackson*. If they haven't seen it yet, please don't have students watch the miniseries. I want them to experience the book through their own imagination first. If they have, that's okay too.

We have been working on google slide projects on the countries in social studies and we start a new unit on ancient Greek culture next week. I look forward to seeing their slide projects next week.

A big thank you to all who helped out with the fund run today! That money goes to all the really amazing opportunities we have here at Evaline and we couldn't do any of it without you!
