

# Gila Valley Robotics Summer Camp

Want to learn more about robots?  
Want to start a robotics team at  
your school?  
Want to prepare yourself to get a  
job in a robotics field?

Join our Robotics Summer Camp!

Learn how to:

- Design
- Build
- Program

Lego EV3 Mindstorms robots

Students will use these skills to  
participate in a Sumo Lego (Sugo)  
Bots double elimination tournament  
on the 30th!

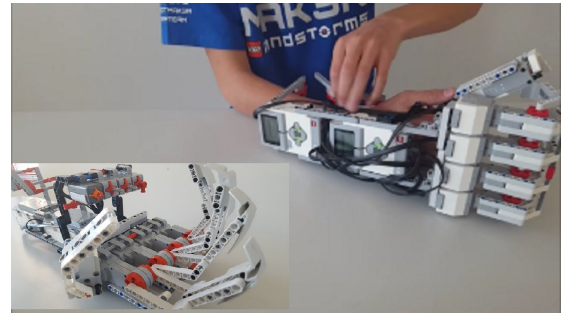

When: June 27-30 8am-10:30am

Where: Thatcher Middle School  
Cafeteria

Who: Any student in the Gila Valley  
that will be a 6th, 7th or 8th grade  
student in the Fall of 2022.

Cost: \$50 per student  
(Includes an awesome t-shirt)

Payment will be made at the door but  
pre-registration is necessary!

Pre-register here!
