Subject: Wall of Honor letter

I am writing in support of Wendy Perry's nomination to the Frankston High School Wall of Honor. Mrs. Perry was my English teacher for grades 7, 9, 10, 11, and 12.

Mrs. Perry inspired her students to strive for excellence. I vividly remember my senior year when, having completed most required courses for graduation and feeling as if high school had already concluded, I remained determined to complete my research paper without any corrections. Remarkably, this determination was shared by most of my classmates in that class.

Mrs. Perry was not just there to deliver the curriculum; she genuinely cared about us as individuals. There were many times when I felt socially awkward or out of place in high school, and in hindsight, I realize that Mrs. Perry was sensitive to those feelings. She would often pull me aside, either in class or in the hall, for a personal conversation, which always concluded with words of encouragement or praise. This personal care continues to this day, via social media, where she remains interested and engaged in the lives of her former students.

Thank you for your consideration in honoring this exceptional educator and person.

Joel "Joby" McDonald
Frankston High School Class of 1986

Mrs. Wendy Perry is one of the absolute best teachers Frankston ISD has had the fortune to have in its employment! Her commitment and dedication to advancing the learning of her students is only outmatched by her pleasant and kind personality. She set an example to all her students by showing love and kindness to us when we needed it as we were maneuvering through the tumultuous teenage years. The knowledge I gained from learning to write a good and thorough paper helped me immensely throughout college and into my adult career. I STILL know better than to write a "run-on sentence", (her pet peeve LOL)

Mrs. Perry is so very deserving to be nominated and recognized for her dedication to her teaching profession and her students throughout her career. I know I speak on behalf of the class of 1986; we would love to see her smiling face on the wall in 2024.

Very kindly,

Kimberly McDonald

To Whom It May Concern:

It is an absolute pleasure to recommend Mrs. Wendy Perry be put on the Wall of Honor for Frankston HS. Mrs. Perry was my English teacher while I attended Frankston ISD from 1982-85. I was blessed to have an abundance of great teachers while I was in High School at Frankston and Mrs. Perry was one of, if not the best I have ever had.

Mrs. Perry cared about her students, and was always wanting the best for us. The dedication, compassion and love Mrs. Perry showed for each of her students was an example that I try to emulate as a teacher myself. She had a sweet but professional personality! I guarantee if you asked all of her students about Mrs. Perry, EVERYONE would say that she was the best.

I can always remember Mrs. Perry played the piano at church every Sunday, she was the number one baseball fan we had and the best senior sponsor ever. She was and is a true Frankston Indian. Mrs. Perry is one of my heroes and someone I will always look up to. There is no one more deserving to be on the Wall of Honor for FHS than Mrs. Wendy Perry.
