

Covid Protocol as of 8/18/2022

COVID-19 Positive: Any individual who tests positive for COVID-19 should isolate regardless of vaccination status. Isolate at home for the first five days (starting with the day after symptoms began or day after a test was taken for those without symptoms). If symptoms have improved or no symptoms developed, return to normal activities on the 6th day. Mask usage is recommended at school for days 6 through 10.

School Close Contact: Notification from the student's school office will be sent to parents via email if there is an outbreak (3 or more cases) identified in a student's classroom, sport, club or on their bus. Individuals identified as close contacts should monitor for symptoms and test if symptoms develop.

Household Close Contact: Students and staff who live with someone who tested positive for COVID-19. Individuals identified as household close contacts should monitor for symptoms and test if symptoms develop.

If your student has a positive result, please notify the district via one of these 3 ways.

1. Call the COVID Hotline and leave a message: 989-729-5670
2. Email: COVID@owosso.k12.mi.us
3. Submit the Google form on the Owosso Public Schools website or follow this link <https://forms.gle/XJResR7nfakqTqMPA>
