

NMS E-Folder 9/19

Good morning Greenwich Township families. We have some important district-wide information to share with you.

- The district Strategic Planning Committee is being developed. Attached you will find more information.
- State-wide NJSLA testing will take place in May. Attached you will find the dates for our district testing. Please make every effort for your child to be present in school during testing.
- It's that time of year to recognize a teacher or educational support professional from our district. Attached you will find instructions on nominating a staff member. Thank you in advance for your participation.
